Legal Description of Property: (Attach if necessary) PARCEL 2013-82 PART OF NORTH HALF (N 1/2) OF THE
SOUTHWEST QUARTER (SW 1/4), SECTION ONE (1), TOWNSHIP EIGHTY-SEVEN NORTH (T87N), RANGE FOUR
WEST (R4W) OF THE FIFTH PRINCIPAL MERIDIAN, DELAWARE COUNTY, IOWA, ACCORDING TO PLAT
RECORDED IN BOOK 201, PAGE 3038

1. Wells (check one)

☐ There are no known wells situated on this property.

☒ There is a well or wells situated on this property. The type(s), location(s) and legal status are stated below or set forth on an attached separate sheet, as necessary.

2. Solid Waste Disposal (check one)

☒ There is no known solid waste disposal site on this property.

☐ There is a solid waste disposal site on this property and information related thereto is provided in Attachment #1, attached to this document.

3. Hazardous Wastes (check one)

☒ There is no known hazardous waste on this property.

☐ There is hazardous waste on this property and information related thereto is provided in Attachment #1, attached to this document.

4. Underground Storage Tanks (check one)

☒ There are no known underground storage tanks on this property. (Note exclusions such as small farm and residential motor fuel tanks, most heating oil tanks, cisterns and septic tanks, in instructions.)

☐ There is an underground storage tank on this property. The type(s), size(s) and any known substance(s) contained are listed below or on an attached separate sheet, as necessary.

5. Private Burial Site (check one)

- ☒ There are no known private burial sites on this property.
☐ There is a private burial site on this property. The location(s) of the site(s) and known identifying information of the decedent(s) is stated below or on an attached separate sheet, as necessary.

6. Private Sewage Disposal System (check one)

- ☐ All buildings on this property are served by a public or semi-public sewage disposal system.
☐ This transaction does not involve the transfer of any building which has or is required by law to have a sewage disposal system.
☒ There is a building served by private sewage disposal system on this property or a building without any lawful sewage disposal system. A certified inspector's report is attached which documents the condition of the private sewage disposal system and whether any modifications are required to conform to standards adopted by the Department of Natural Resources. A certified inspection report must be accompanied by this form when recording.
☐ There is a building served by private sewage disposal system on this property. Weather or other temporary physical conditions prevent the certified inspection of the private sewage disposal system from being conducted. The buyer has executed a binding acknowledgment with the county board of health to conduct a certified inspection of the private sewage disposal system at the earliest practicable time and to be responsible for any required modifications to the private sewage disposal system as identified by the certified inspection. A copy of the binding acknowledgment is attached to this form.
☐ There is a building served by private sewage disposal system on this property. The buyer has executed a binding acknowledgment with the county board of health to install a new private sewage disposal system on this property within an agreed upon time period. A copy of the binding acknowledgment is provided with this form.
☐ There is a building served by private sewage disposal system on this property. The building to which the sewage disposal system is connected will be demolished without being occupied. The buyer has executed a binding acknowledgment with the county board of health to demolish the building within an agreed upon time period. A copy of the binding acknowledgment is provided with this form. [Exemption #9]
☐ This property is exempt from the private sewage disposal inspection requirements pursuant to the following exemption [Note: for exemption #9 use prior check box]: _____
☐ The private sewage disposal system has been installed within the past two years pursuant to permit number _____.

Information required by statements checked above should be provided here or on separate sheets attached hereto:

Well is located between house and
burn east side.

**I HEREBY DECLARE THAT I HAVE REVIEWED THE INSTRUCTIONS FOR THIS FORM
AND THAT THE INFORMATION STATED ABOVE IS TRUE AND CORRECT.**

Delaware County Septic System Disclaimer

The issuance of a permit and the completion of the inspection required by Delaware County Ordinance No. 40 do not serve as any type of warranty, guarantee, or certification regarding the proper functioning of a private septic system for any period of time in the future. Delaware County and its employees or agents are unable to supervise or monitor the numerous factors (usage, soil characteristics, previous failures, etc.) that may affect the proper operation or the use and maintenance of the system.

The issuance of a permit and/or the completion of the inspection do not constitute any type of warranty, guarantee, or certification regarding the impact the system is or is not having on the groundwater. Delaware County and its employees or agents are not able to determine the impact a septic system is having on the groundwater.

Delaware County hereby **DISCLAIMS ALL WARRANTIES**, either expressed or implied, associated with this permit and the inspection required under Ordinance No. 40.

By signing below, I acknowledge that I have received and read the above disclaimer.
