INSTRUCTIONS FOR COMPLETING THIS FORM

This acknowledgment completed in California must contain verbiage exactly as appears above. It is not to be used as a separate acknowledgment form, but as a pre-printed computer-generated acknowledgment to be attached to the document. The only exception is if a document is to be recorded outside of California. In this instance, and alternative acknowledgment verbiage may be printed on a separate document as long as the verbiage clearly requires the notary to acknowledge that a deed for a portion of California is being acknowledged, apart from the remainder. Record and file the instrument separately as pre-printed acknowledgment form is required.
