- B. - C. Grantee has requested that Lender agree not to disturb any rights of Grantee under the Facility Agreement with respect to the Property if Lender forecloses or exercises their rights under a power of sale of the Mortgage/Trust Deed; and
- D. Lender is willing to agree to Grantees request on the terms and conditions set forth in this Agreement, which include a subordination of interests by Grantee.

AGREEMENT

NOW, THEREFORE, in consideration of the mutual promises and covenants contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Lender covenants and agrees with Grantee that, provided (i) the Facility Agreement is in full force and effect and (ii) no default exists under the Facility Agreement beyond the applicable grace period, Grantee's right to possession of the Property, and the terms and provisions of the Facility Agreement, shall not be affected or disturbed by Lender in the exercise of any of its rights under the Mortgage/Trust Deed or of any rights otherwise available to Lender at law or in equity. Lender will not join Grantee as a defendant in any action or proceeding foreclosing the Mortgage/Trust Deed unless so required to do so by governing law or regulation to protect Lender's ability to foreclose against the Property Owner.
2. Whenever and upon Grantee's receipt of written notice from Lender that a default exists under the terms of the Loans that are secured by the Mortgage/Trust Deed, Grantee agrees to pay to Lender all rent and other obligations owing to Property Owner under the Facility Agreement after Lender's written demand is made, together with all rent and other obligations owing to Property Owner under the Facility Agreement then unpaid by Grantee at the date of Lender's written demand.
3. If a Successor Owner comes into possession or ownership of the Property, then such Successor Owner shall (i) thereby succeed to the position of the Property Owner under the Facility Agreement and (ii) not disturb the possession of Grantee except in accordance with the terms of the Facility Agreement or this Agreement, and the Facility Agreement shall continue in full force and effect and Grantee does hereby attorn to and agree to attorn to the Successor Owner, as its landlord or other possessor or owner of the Property, said attornment to be effective and self-operative without the necessity for execution of any further instruments. "Successor Owner" means any person or entity (including, without limitation, Lender or any nominee or designee of Lender) that while this

Agreement is in effect acquires possession or ownership of the Property by reason of foreclosure of the Mortgage/Trust Deed, any other exercise by Lender of rights and remedies available to Lender as holder of the Mortgage/Trust Deed or delivery of a deed to the Property in lieu of foreclosure. Notwithstanding the foregoing, a Successor Owner will not be:

- a. Liable for any act, omission or default of the Property Owner under the Facility Agreement occurring prior to the Successor Owner's possession or ownership;
 - b. Subject to any offsets or defenses which Grantee might have against the Property Owner attributable to actions occurring prior to Successor Owner's possession or ownership; or
 - c. Bound by any amendment, modification, waiver or forbearance of the Facility Agreement to the extent such amendment, modification, waiver or forbearance would (i) have a material adverse effect upon any Successor Owner without Successor Owner's written consent, which consent shall not be unreasonably withheld, conditioned or delayed or (ii) would require any additional notices, procedures, delays, limitations or requirements of any kind related to Lender's exercise of any of its rights under the Mortgage/Trust Deed or of any rights otherwise available to Lender at law or in equity, including, but not limited to, any actions in foreclosure or any power of sale process under a trust deed.
