(The "Premises")

Together with all rights and privileges for the full enjoyment or use thereof for the aforesaid purposes. Such Facilities to be located on a course now designated by the Grantee, or upon a course that may hereafter be designated by the Grantee upon the relocation of said Facilities.

Grantor(s) agrees that it will not construct, place or permit any buildings, structures, plants, or other obstructions on the Premises which would result in a violation of the minimum clearance requirements of the National Electric Safety Code, or that would interfere with the operation, replacement, or maintenance of the Facilities. Notwithstanding the foregoing, in no event shall Grantor(s) construct or place any new buildings, structures, plants, or other obstructions on the Premises within (10') of the Facilities.

Grantor(s) also conveys the right and privilege to trim, or control the growth of any trees or other vegetation on the Premises to keep them clear of Facilities by at least eight feet (10'), and remove

such other trees and vegetation adjacent thereto, as in the judgment of the Grantee may interfere with construction, reconstruction, maintenance, operation, repair, or use of the Facilities, or which in falling might touch said Facilities.

Grantee, its contractor or agent, may enter said Premises at any time for the purpose of making surveys or performing tests in support of the rights granted pursuant to this Easement.

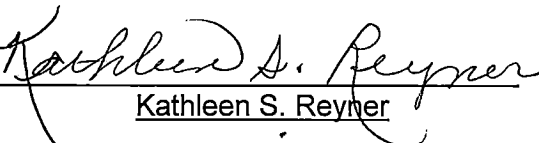

The Grantor(s) also grants to the Grantee the right of ingress and egress to said Facilities across lands owned by the Grantor(s), for the purpose of accessing said Facilities.

Grantee shall compensate Grantor(s) or its tenants for damages done to the Premises (except for damages to improvements prohibited by this easement as well as the cutting and trimming of trees or other vegetation), fences, livestock or crops of the Grantor(s) or its tenants, while performing the activities authorized by this Easement.

Signed this ~~17~~²⁰ day of April 2024.
