Narrative Report

TOT Inspection Report Overall Narrative Comments: **This is a seasonal cabin on Delhi Lake. Two bedrooms, no basement, no water softener, no kitchen garbage disposal. Lot is too small for any kind of septic system. Delaware County permit, in 8/2008 for a 2,000 gal. holding tank only, no secondary treatment. Original installer did not have access to the second compartment. Second compartment lid on tank is under the steps. We drilled a 6" hole in the top of the tank away from the steps and added a 6" surface access riser and lid.**
