Unless the power of attorney provides otherwise in the Grant of Specific Authority section, language in the Grant of General Authority section granting the general power to make gifts only authorizes the agent to do the following on my behalf:

1. Make a gift of the principal's property, outright to, or for the benefit of, any person, including but not limited to the exercise of a presently exercisable general power of appointment held by me, in an amount not to exceed the per donee annual dollar limits of the federal gift tax exclusion under IRC §2503(b), without regard to whether the federal gift tax exclusion applies to the gift. If my spouse (if any) agrees to consent to a split gift pursuant to IRC §2513, then such gifts may be in an amount not to exceed twice the per donee annual exclusion amount.
2. Consent to the splitting of a gift made by my spouse (if any) pursuant to IRC §2513 in an amount per donee not to exceed the aggregate annual gift tax exclusion for both spouses.
3. Make a gift of my property, only as the agent determines is consistent with my objectives, if actually known, and if my objectives are unknown, as the agent determines is consistent with my best interests, based on all relevant factors, including, but not limited to: (a) the value and nature of my property; (b) my foreseeable obligations and need for maintenance; (c) the minimization of taxes, including, but not limited to, estate, inheritance, generation-skipping transfer taxes, and gift taxes; (d) eligibility for a benefit, a program, or assistance under a statute, rule, or regulation; (e) my personal history of making or joining in making gifts.
