**Right to Contest.** Grantor may withhold payment of any tax, assessment, or claim in connection with a good faith dispute over the obligation to pay, so long as Lender's interest in the Property is not jeopardized. If a lien arises or is filed as a result of nonpayment, Grantor shall within fifteen (15) days after the lien arises or, if a lien is filed, within fifteen (15) days after Grantor has notice of the filing, secure the discharge of the lien, or if requested by Lender, deposit with Lender cash or a sufficient corporate surety bond or other security satisfactory to Lender in an amount sufficient to discharge the lien plus any costs and attorneys' fees, or other charges that could accrue as a result of a foreclosure or sale under the lien. In any contest, Grantor shall defend itself and Lender and shall satisfy any adverse judgment before enforcement against the Property. Grantor shall name Lender as an additional obligee under any surety bond furnished in the contest proceedings.

**Evidence of Payment.** Grantor shall upon demand furnish to Lender satisfactory evidence of payment of the taxes or assessments and shall authorize the appropriate governmental official to deliver to Lender at any time a written statement of the taxes and assessments against the Property.

**Notice of Construction.** Grantor shall notify Lender at least fifteen (15) days before any work is commenced, any services are furnished, or any materials are supplied to the Collateral, if any mechanic's lien, materialmen's lien, or other lien could be asserted on account of the work, services, or materials. Grantor will upon request of Lender furnish to Lender advance assurances satisfactory to Lender that Grantor can and will pay the cost of such improvements.

**PROPERTY DAMAGE INSURANCE.** The following provisions relating to insurance are made a part of this Assignment:

**Maintenance of Insurance.** Grantor, either alone or in conjunction with Buyer, shall procure and maintain policies of fire insurance with standard extended coverage endorsements on a replacement basis for the full insurable value covering all Improvements on the Real Property in an amount sufficient to avoid application of any coinsurance clause, and with a standard mortgagee clause in favor of Lender. Grantor shall also procure and maintain comprehensive general liability insurance in such coverage amounts as Lender may request with Lender being named as additional insureds in such liability insurance policies. Additionally, Grantor shall maintain such other insurance, including but not limited to hazard, business interruption and boiler insurance as Lender may require. Policies shall be written by such insurance companies and in such form as may be reasonably acceptable to Lender. Grantor shall deliver to Lender certificates of coverage from each insurer containing a stipulation that coverage will not be cancelled or diminished without a minimum of ten (10) days' prior written notice to Lender and not containing any disclaimer of the insurer's liability for failure to give such notice. Each insurance policy also shall include an endorsement providing that coverage in favor of Lender will not be impaired in any way by any act, omission or default of Grantor or any other person. Should the Real Property be located in an area designated by the Administrator of the Federal Emergency Management Agency as a special flood hazard area, Grantor agrees to obtain and maintain flood insurance, if available, for the full unpaid principal balance of the loan and any prior liens on the property securing the loan, up to the maximum policy limits set under the National Flood Insurance Program, or as otherwise required by Lender, and to maintain such insurance for the term of the loan. Flood insurance may be purchased under the National Flood Insurance Program, from private insurers providing "private flood insurance" as defined by applicable federal flood insurance statutes and regulations, or from another flood insurance provider that is both acceptable to Lender in its sole discretion and permitted by applicable federal flood insurance statutes and regulations.

**Application of Proceeds.** Grantor shall promptly notify Lender of any loss or damage to the Collateral. Lender may make proof of loss if Buyer or Grantor fails to do so within fifteen (15) days

of the casualty. Whether or not Lender's security is impaired, Lender may, at Lender's election, receive and retain the proceeds of any insurance and apply the proceeds to the reduction of the Indebtedness, payment of any lien affecting the Collateral, or the restoration and repair of the Collateral. If Lender elects to apply the proceeds to restoration and repair, Grantor shall repair or replace the damaged or destroyed Improvements in a manner satisfactory to Lender. Lender shall, upon satisfactory proof of such expenditure, pay or reimburse Grantor from the proceeds for the reasonable cost of repair or restoration if Grantor is not in default under this Assignment. Any proceeds which have not been disbursed within 180 days after their receipt and which Lender has not committed to the repair or restoration of the Collateral shall be used first to pay any amount owing to Lender under this Assignment, then to pay accrued interest, and the remainder, if any, shall be applied to the principal balance of the Indebtedness. If Lender holds any proceeds after payment in full of the Indebtedness, such proceeds shall be paid to Grantor as Grantor's interests may appear.

**Unexpired Insurance at Sale.** Any unexpired insurance shall inure to the benefit of, and pass to, the purchaser of the Property covered by this Assignment at any trustee's sale or other sale held under the provisions of this Assignment, or at any foreclosure sale of such Property.

**Grantor's Report on Insurance.** Upon request of Lender, however not more than once a year, Grantor shall furnish to Lender a report on each existing policy of insurance showing: (1) the name of the insurer; (2) the risks insured; (3) the amount of the policy; (4) the property insured, the then current replacement value of such property, and the manner of determining that value; and (5) the expiration date of the policy. Grantor shall, upon request of Lender, have an independent appraiser satisfactory to Lender determine the cash value replacement cost of the Collateral.

**CONDEMNATION.** The following provisions relating to condemnation proceedings are a part of this Assignment:

**Application of Net Proceeds.** Lender shall have the right to receive all proceeds derived or to be derived from the condemnation, expropriation, confiscation, eminent domain, inverse condemnation, or any permanent or temporary requisition or taking of the Collateral, or any part or parts of the Collateral ("condemnation proceeds"). In the event that Grantor should receive any such condemnation proceeds, Grantor agrees to immediately turn over and to pay such proceeds to Lender. All condemnation proceeds, which are received by, or which are payable to either Grantor or Lender, shall be applied, at Lender's sole option and discretion, and in such manner as Lender may determine (after payment of all reasonable costs, expenses and attorneys' fees necessarily paid or incurred by Grantor and/or Lender), for the purpose of: (a) replacing or restoring the condemned, expropriated, confiscated, or taken Collateral; or (b) reducing the then outstanding balance of the Indebtedness, together with interest thereon, with such payments being applied in the manner provided in this Assignment. Lender's receipt of such condemnation proceeds and the application of such proceeds as provided in this Assignment shall not affect the lien of this Assignment.

**Notice of Proceedings.** Grantor shall immediately notify Lender in writing should all or any part of the Collateral become subject to any condemnation or expropriation proceedings or other similar proceedings, including without limitation, any condemnation, confiscation, eminent domain, inverse condemnation or temporary requisition or taking of the mortgaged Collateral, or any part or parts of the Collateral. Grantor further agrees to promptly take such steps as may be necessary and proper within Lender's sole judgment and at Grantor's expense, to defend any such condemnation or expropriation proceedings and obtain the proceeds derived from such proceedings. Grantor shall not agree to any settlement or compromise or any condemnation or expropriation claim without Lender's prior written consent.

**Lender's Participation.** Lender may, at Lender's sole option, elect to participate in any such

condemnation or expropriation proceedings and be represented by counsel of Lender's choice. Grantor agrees to provide Lender with such documentation as Lender may request to permit Lender to so participate and to reimburse Lender for Lender's costs associated with Lender's participation, including Lender's reasonable attorneys' fees.

**Conduct of Proceedings.** If Grantor fails to defend any such condemnation or expropriation proceedings to Lender's satisfaction, Lender may undertake the defense of such a proceeding for and on behalf of Grantor. To this end, Grantor irrevocably appoints Lender as Grantor's agent and attorney-in-fact, such agency being coupled with an interest, to bring, defend, adjudicate, settle, or otherwise compromise such condemnation or expropriation claims; it being understood, however, that, unless one or more Events of Default (other than the condemnation or expropriation of the Collateral) then exists under this Assignment, Lender will not agree to any final settlement or compromise of any such condemnation or expropriation claim without Grantor's prior approval, which approval shall not be unreasonably withheld.

**LENDER'S EXPENDITURES.** If any action or proceeding is commenced that would materially affect Lender's interest in the Collateral or if Grantor fails to comply with any provision of this Assignment or any Related Documents, including but not limited to Grantor's failure to discharge or pay when due any amounts Grantor is required to discharge or pay under this Assignment or any Related Documents, Lender on Grantor's behalf may (but shall not be obligated to) take any action that Lender deems appropriate, including but not limited to discharging or paying all taxes, liens, security interests, encumbrances and other claims, at any time levied or placed on the Collateral and paying all costs for insuring, maintaining and preserving the Collateral. All such expenditures incurred or paid by Lender for such purposes will then bear interest at the rate charged under the Note from the date incurred or paid by Lender to the date of repayment by Grantor. All such expenses will become a part of the Indebtedness and, at Lender's option, will (A) be payable on demand; (B) be added to the balance of the Note and be apportioned among and be payable with any installment payments to become due during either (1) the term of any applicable insurance policy; or (2) the remaining term of the Note; or (C) be treated as a balloon payment which will be due and payable at the Note's maturity. The Assignment also will secure payment of these amounts. Such right shall be in addition to all other rights and remedies to which Lender may be entitled upon the occurrence of any Event of Default.

**FULL PERFORMANCE.** If all the Indebtedness is paid when due and Grantor performs all the obligations imposed upon Grantor under this Assignment and the Note, Lender shall execute and deliver to Grantor a suitable satisfaction of this Assignment and suitable statements of termination of any financing statement on file evidencing Lender's security interest in the Collateral, Rents and the Personal Property. Grantor will pay, if permitted by applicable law, any reasonable termination fee as determined by Lender from time to time.

**DEFAULT.** Each of the following, at Lender's option, shall constitute an Event of Default under this Assignment:

**Payment Default.** Grantor fails to make any payment when due under the Indebtedness.

**Default in Favor of Third Parties.** Grantor defaults under any loan, extension of credit, security agreement, purchase or sales agreement, or any other agreement, in favor of any other creditor or person that may materially affect any of Grantor's property or ability to perform Grantor's obligations under this Assignment or any of the Related Documents.

**False Statements.** Any warranty, representation or statement made or furnished to Lender by Grantor or on Grantor's behalf, or made by Guarantor, or any other guarantor, endorser, surety, or accommodation party, under this Assignment or the Related Documents in connection with the obtaining of the Indebtedness evidenced by the Note or any security document directly or indirectly

**Defective Collateralization.** This Assignment or any of the Related Documents ceases to be in full force and effect (including failure of any collateral document to create a valid and perfected security interest or lien) at any time and for any reason.

**Death or Insolvency.** The death of Grantor, the insolvency of Grantor, the appointment of a receiver for any part of Grantor's property, any assignment for the benefit of creditors, any type of creditor workout, or the commencement of any proceeding under any bankruptcy or insolvency laws by or against Grantor.

**Creditor or Forfeiture Proceedings.** Commencement of foreclosure or forfeiture proceedings, whether by judicial proceeding, self-help, repossession or any other method, by any creditor of Grantor or by any governmental agency against any collateral securing the Indebtedness. This includes a garnishment of any of Grantor's accounts, including deposit accounts, with Lender. However, this Event of Default shall not apply if there is a good faith dispute by Grantor as to the validity or reasonableness of the claim which is the basis of the creditor or forfeiture proceeding and if Grantor gives Lender written notice of the creditor or forfeiture proceeding and deposits with Lender monies or a surety bond for the creditor or forfeiture proceeding, in an amount determined by Lender, in its sole discretion, as being an adequate reserve or bond for the dispute.

**Execution; Attachment.** Any execution or attachment is levied against the Collateral, and such execution or attachment is not set aside, discharged or stayed within thirty (30) days after the same is levied.

**Change in Zoning or Public Restriction.** Any change in any zoning ordinance or regulation or any other public restriction is enacted, adopted or implemented, that limits or defines the uses which may be made of the Collateral such that the present or intended use of the Collateral, as specified in the Related Documents, would be in violation of such zoning ordinance or regulation or public restriction, as changed.

**Default Under Other Lien Documents.** A default occurs under any other mortgage, deed of trust or security agreement covering all or any portion of the Collateral.

**Judgment.** Unless adequately covered by insurance in the opinion of Lender, the entry of a final judgment for the payment of money involving more than ten thousand dollars (\$10,000.00) against Grantor and the failure by Grantor to discharge the same, or cause it to be discharged, or bonded off to Lender's satisfaction, within thirty (30) days from the date of the order, decree or process under which or pursuant to which such judgment was entered.

**Property Damage.** Any loss, theft, damage or destruction of the Collateral not adequately insured as required above.

**Default Under the Contract.** Default by Buyer under the Contract not cured within fifteen (15) days.

**RIGHTS AND REMEDIES ON DEFAULT.** If an Event of Default occurs under this Assignment, at any time thereafter, Lender may exercise any one or more of the following rights and remedies:

**Accelerate Indebtedness.** Lender shall have the right at its option to declare the entire Indebtedness immediately due and payable, including any prepayment penalty that Grantor would be required to pay without notice, except as may be expressly required by applicable law.

**Foreclose the Contract.** If the Buyer is in default under the Contract, Lender may foreclose the Contract as provided therein, either in Lender's own name or in the name of Grantor.

**Forfeited Contract Payments.** Payments made by Grantor or Buyer and forfeited because of Buyer's default and failure to cure under the Contract may be retained by Lender as full satisfaction and as a reasonable rental for the Collateral.

**Deficiency Judgment.** If permitted by applicable law, Lender may obtain a judgment for any deficiency remaining in the Indebtedness due to Lender after application of all amounts received from the exercise of the rights provided in this section.

**Other Remedies.** Lender shall have all other rights and remedies provided in this Assignment or the Note or by law.

**Election of Remedies.** Except as may be prohibited by applicable law, all of Lender's rights and remedies, whether evidenced by this Assignment or by any other writing, shall be cumulative and may be exercised singularly or concurrently. Election by Lender to pursue any remedy shall not exclude pursuit of any other remedy, and an election to make expenditures or to take action to perform an obligation of Grantor or Buyer under this Assignment or the Contract, after Grantor's failure to perform, shall not affect Lender's right to declare a default and exercise its remedies.

**Attorneys' Fees; Expenses.** If Lender institutes any suit or action to enforce any of the terms of this Assignment, Lender shall be entitled to recover such sum as the court may adjudge reasonable as attorneys' fees at trial and upon any appeal. Whether or not any court action is involved, and to the extent not prohibited by law, all reasonable expenses Lender incurs that in Lender's opinion are necessary at any time for the protection of its interest or the enforcement of its rights shall become a part of the Indebtedness payable on demand and shall bear interest at the Note rate from the date of the expenditure until repaid. Expenses covered by this paragraph include, without limitation, however subject to any limits under applicable law, Lender's attorneys' fees and Lender's legal expenses, whether or not there is a lawsuit, including attorneys' fees and expenses for bankruptcy proceedings (including efforts to modify or vacate any automatic stay or injunction), appeals, and any anticipated post-judgment collection services, the cost of searching records, obtaining title reports (including foreclosure reports), surveyors' reports, and appraisal fees and title insurance, to the extent permitted by applicable law. relinquishes all rights of dower, homestead and distributive share in and to the Property and waives all rights of exemption as to any of the Property. If a Grantor is not an owner of the Property, that Grantor executes this Mortgage for the sole purpose of relinquishing and waiving such rights.

**Merger.** There shall be no merger of the interest or estate created by this Assignment with any other interest or estate in the Collateral at any time held by or for the benefit of Lender in any capacity, without the written consent of Lender.

**Joint and Several Liability.** All obligations of Grantor under this Assignment shall be joint and several, and all references to Grantor shall mean each and every Grantor. This means that each Grantor signing below is responsible for all obligations in this Assignment.

**No Waiver by Lender.** Lender shall not be deemed to have waived any rights under this Assignment unless such waiver is given in writing and signed by Lender. No delay or omission on the part of Lender in exercising any right shall operate as a waiver of such right or any other right. A waiver by Lender of a provision of this Assignment shall not prejudice or constitute a waiver of Lender's right otherwise to demand strict compliance with that provision or any other provision of this Assignment. No prior waiver by Lender, nor any course of dealing between Lender and Grantor, shall constitute a waiver of any of Lender's rights or of any of Grantor's obligations as to any future transactions. Whenever the consent of Lender is required under this Assignment, the granting of such consent by Lender in any instance shall not constitute continuing consent to subsequent instances where such consent is required and in all cases such consent may be granted or withheld in the sole discretion of Lender.

**Prohibited Activities.** Notwithstanding anything to the contrary in this Assignment, Grantor shall not be entitled to receive any notice of or right to cure an Event of Default related to any Prohibited Activities.

**Non-Liability of Lender.** The relationship between Grantor and Lender created by this Assignment is strictly a debtor and creditor relationship and not fiduciary in nature, nor is the relationship to be construed as creating any partnership or joint venture between Lender and Grantor. Grantor is exercising Grantor's own judgment with respect to Grantor's business. All information supplied to Lender is for Lender's protection only and no other party is entitled to rely on such information.
