**Review the following two directions carefully:**

**A. If you selected a box stating "No Condition" for every numbered section above, STOP HERE. Do not submit this form. Instead, pursuant to Iowa Code section 558.69(8A), you must include the following language on the first page of the recorded deed, instrument, or other writing:**

"There is no known private burial site, well, solid waste disposal site, underground storage tank, hazardous waste, or private sewage disposal system on the property as described in Iowa Code section 558.69, and therefore the transaction is exempt from the requirement to submit a groundwater hazard statement."

Please consult your realtor or legal counsel for further advice on this exemption. By law, the owner of the property is responsible for the accuracy of this statement, and the Department provides this information for statutory reference only.

**B. If you checked any box stating "Condition Present" for any of the numbered sections above, continue below. You must complete this form, including providing all required information, and you must submit this form to the county recorder's office with declaration of value.**

Information required by statements checked above should be provided here or on separate sheets attached hereto:

IOWA DEPARTMENT of NATURAL RESOURCES  
TIME OF TRANSFER INSPECTION WAIVER  
BINDING AGREEMENT for FUTURE INSTALLATION  
542-0064

This agreement is entered into this 17th day of June, 2026 by and  
between the Delaware County Board of Health and Pete Buschmann

It is understood that Iowa Code 455B.172(11) requires an inspection of the private sewage disposal system on all properties not specifically exempted in Iowa at the time of transfer.

The property located at 2290 Jefferson Rd Manchester, Iowa is subject to the inspection,  
and the buyer Pete Buschmann understands there is not an adequate private  
sewage disposal system serving this property.

It is hereby agreed that the time of transfer inspection will not be required and the buyer agrees that a code compliant private sewage disposal system or connection to a public sewer shall be installed to serve the property and shall be completed no later than 1st day of December, 2026
