At a special Meeting of the Board of Supervisors of the County of Madison in the State of Iowa, at Winterset in said County on the 1st day of February A.D. 1864 the following proceedings were had, relating to the transfer of the swamp and overflowed lands of said County, to the American Emigrant Company, that is to say:

Whereas the said County of Madison did on the third day of June A.D. 1863 for the consideration of (\$1000) One thousand dollars to them paid in hand by Albert West, sell and transfer by written Instrument all of the swamp and overflowed lands of said County, and claim for the same on the United States, which written Instrument has been sold and transferred by said West to the American Emigrant Company, and whereas, doubts have arisen as to the efficiency of said instrument. Now therefore, it is resolved that this Board does now grant, sell and convey, to the Trustees of said Company as requested, the lands and property hereinafter mentioned and described in the form following, that is to say:

. This Indenture made, the first day of February in the year of our Lord one thousand eight hundred and sixty four, between the County of Madison in the State of Iowa, of the first part, and Andrew G. Hammond, John Hooker and Henry R. W. Welch, all of the City of Hartford, in the State of Connecticut, Trustees, and in trust for the American Emigrant Company, of the second part, Witnesseth:

The said County of Madison, in, and by a certain agreement, or deed, in writing, made by said County, to one Albert West of Madison County Iowa, bearing date the third day of June, in the year one thousand eight hundred and sixty three, did sell to said West all the swamp and overflowed lands of said County, and all the claim of said County, on the United States, for, or on account of such of said swamp or overflowed lands as have been sold for cash, or located with warrants, or scrip, by or under the authority of the United States, since the Swamp land grant (so called) which contract in writing the said West has sold & assigned to the said Company, and whereas doubts have arisen as to the sufficiency of said contract to pass the said Lands and claim on the United States, to the said West & by him to said Company. Now therefore in affirmation

said agreement in writing, and to perfect the same, and in consideration of One thousand dollars to the said party of the first part, paid by said West, the said party of the first part doth hereby sell, assign, transfer and convey to the parties of the second part, as such Trustees as aforesaid, all and singular, the lands and Real Estate, hereinafter mentioned, and described, (and claim on the United States for Indemnity to such of the Lands as have been sold for cash, or entered with Land Warrants), to-wit: and the said party of the first part doth further covenant and agree that all the lands within the said County that may at any time be duly selected as swamp or overflowed lands, and all such lands as may not be included in this conveyance; if any, the party of the first part will at any time, convey, by deed similar to this conveyance, at the request of the American Emigrant Company, to the said Company, its trustees, or its assigns: That any proceeds of the said claim on the United States, if any proceeds shall be received, the party of the first part will, at any time, on like request, assign and transfer in separate or more convenient form, to said Company, its trustees or its assigns; and any lands that shall be located under or by any "Scrip" so called, which may be obtained on said claim, the party of the first will convey, in like form, to said Company, or their Trustees or assigns, on reasonable request so to do. The party of the second part takes this Grant subject to all the provisions of the Act of Congress of September 28th 1850, and expressly release the State of Iowa and the said County from all liability for reclaiming said lands.
