To the Public )

570 George Hill Recorder

STATE OF OHIO BELMONT COUNTY ) ss.

I, Mrs. S.W. Fritter being first duly sworn, on oath depose and say that I am the daughter of John Moore, sen. of the State of Ohio; that I have personal knowledge of the transaction and transfer of certain lands in the state of Iowa, which lands were entered by Jonathan C. Moor and George W. Young, said lands being more particularly described as follows: The south east one-fourth (1/4) section 26, township 74, range 28, west of the 5th P.M. Madison County, Iowa, said land having been transferred by John Moore, son. and wife, Mahala, in the month of January 1870, to Harvey Butler, and said lands were sold in August 1871 to Wm. S. Bertholf and the deed of conveyance was signed by Harvey Butler and wife, Mary E. I further state that my father, John Moore, sen., always signed his name John Moore, sen., and if his name was signed or written other than John Moore, sen. it was done so through carelessness or by mistake of some third party, as John Moore, sen. could neither read nor write and depend on some one to transact his business for him, and that the said John Moore, sen. and John Moore mentioned in connection with the transfer of the above land, are the same persons, I further state that I was acquainted with Harvey Butler, the party to whom John Moore, sen. and wife, Mahala, transferred said land, and that Harvey Butler and Harvey Butler, as mentioned in connection with the transfer of said land, are the same persons, and that the omission of the letters "e" in the name Harvey was an error or mistake, his correct name being Harvey Butler; that the above and foregoing affidavit is made of my personal knowledge, and I verily believe the facts, as above set forth, to be true.
