State of Iowa Madison County, SS.I, Harry W.Hill, being first duly affirmed, depose and say that I was well acquainted with the Earlham Milling Company, and was in the banking business in Earlham, Iowa, at the time said company was incorporated; I further state that said Earlham Milling Company was a corporated organisation under the state laws of Iowa, and was still a corporation at the time a certain Warranty Deed dated May 23, 1904, filed in Madison County Town Lot Deed Record 11, page 197. I further state all the business and finances of said corporation was carried on through the bank of which I was an officer, and at no time did the said corporation even own a corporate seal, but at the time the above described deed was made I distinctly remember it was signed by J.L.Ledlie President, and A.S.Renshaw, Secretary, and they were authorized by the Board of Directors of said Milling Company to make a sale of said property.

Harry W.Hill.

Subscribed and affirmed to before me by the said Harry W.Hill this 21st day of July 1917.
