I, W. W. Clanton being first duly sworn on oath say that I am well acquainted with the South east quarter of the Southeast quarter of Section 26 Township 75 Range 26 South Township Madison County, Iowa, having been the owner of said forty acres for fifteen years or more prior to 1888. I further state that up to the time I deeded said land to Alfred Souders in 1888 that the Right of Way of the Des Moines & Osceola Railway did not touch or cross any of above described forty acres of land, although it did run through the Southeast quarter of the section.
