NOW THEREFORE, in consideration of the premises, it is agreed as follows, to-wit:

The owner agrees to and does hereby grant unto the Company the full right, power and authority to enter into possession of the above described real estate on April 14th, 1933, expressly assigning and conveying to the Company all of said Owner's right, title and interest in and to the crops, produce and returns from said premises, and the right to collect all the rents and profits therefrom, beginning on the date aforesaid. Said Company may rent and re-rent said premises, pay taxes thereon, obtain insurance coverage, and make repairs and improvements on the buildings located thereon and in general manage said real estate in such manner as it may deem proper and as though the absolute owner thereof.

In consideration of such grant of possession, the Company covenants and agrees that in the event the above mentioned mortgage is foreclosed, it will, as plaintiff, bid at special execution sale held pursuant to foreclosure proceedings, the entire amount of the mortgage claim, satisfying in full any judgment that may be obtained in such action.

It is understood and agreed that the Company shall apply upon the mortgage indebtedness any balance of the rents and proceeds remaining after payment of all costs in connection with the management and cultivation of said real estate, and the taxes, insurance and repairs, and in the event of redemption of said real estate from special execution sale, the amount required to redeem shall be credited with such net returns.

It is further understood and agreed that at such time prior to foreclosure proceedings as the Company receives payment in full, whether by way of returns from said real estate or voluntary payment by the Owner, of all items then delinquent under said mortgage and reimbursement for all costs, expenses or advancements theretofore made or incurred in connection with said real estate and pursuant to this agreement, all rights of the Company hereunder shall terminate and possession of said premises shall be restored to the Owner.

It is further understood and agreed that in the event of the termination of this agreement, said Owner will approve and accept any lease that may have been executed by the Company, and will permit any tenant thereunder to continue in the undisturbed and peaceable possession of said real estate until the termination of such lease.

The right of possession, together with the power and authority hereinabove granted to the Company shall continue so long as the above described mortgage remains an enforceable lien against said real estate, and during the period of redemption under any foreclosure proceedings, unless this agreement is sooner terminated as hereinabove provided.

Nothing herein contained shall prejudice the rights of the Company under said mortgage or be construed to bar the institution of foreclosure proceedings thereon, at the election of said Company.
