And the said mortgagor does hereby covenant and agree to pay, or cause to be paid, the principal sum and interest as specified in said promissory note, together with all costs and expenses of collection, if any there shall be, and any cost, charge or attorney's fees incurred and paid by mortgagee in maintaining the priority of this mortgage or in foreclosing the same.

And the mortgagor further covenants and agrees to pay all legal taxes and assessments levied on said land under the laws of said state or of the United States fifteen days before any penalty for non-payment attaches thereto; also mortgagor will not commit or suffer waste on said premises, and will keep the buildings thereon in good repair and insured against fire and windstorm in insurance companies acceptable to mortgagee, and assign and deliver to it all policies of insurance on said buildings, and the renewals thereof; and in case of failure to do so, said mortgagee may pay such taxes and assessments, make such repairs, or effect such insurance; and the amounts paid therefor, with interest thereon from the date of payment, at the rate of eight per cent per annum, shall be secured by this mortgage and shall be collectible with, as part of, and in the same manner as the principal sum hereby secured.

It is further agreed that the rents and profits of said real estate are hereby pledged as security for the payment of said debt; and that in case of foreclosure of this mortgage for any cause, the holder of same shall be entitled to have a receiver appointed to take possession of said property pending foreclosure, sale and redemption, and to collect the rents of said real estate, and apply the same to the payment of said debt and interest and costs of suit; all notwithstanding such premises may be the homestead of one or more of the defendants, and notwithstanding the parties liable for said debt may be solvent. The separate estate of mortgagor is pledged and shall be bound for the payment of the debt hereby secured.

And whereas mortgagor in making application for this loan has made certain written representations to mortgagee as to the purpose or purposes for which the money loaned on this mortgage was borrowed, such representations are hereby specifically referred to and made a part of this mortgage.

And mortgagor does further covenant and agree that in case of default in payment of said principal sum of money, or of any amortization installment thereof, or of interest thereon, or in the performance of any of the covenants or agreements herein contained, then, or at any time thereafter during the continuance of such default, mortgagee may, without notice, declare the entire debt hereby secured immediately due and payable, and thereupon mortgagee shall be entitled to the immediate possession of said premises, and the appointment of a receiver, as above provided, and may proceed to foreclose this mortgage; and in case of foreclosure, such sum as may be lawful shall be allowed by the court for attorney's fee and be included in the judgment or decree. It is further covenanted and agreed that in case of default in the payment of any one, or more, of the amortization installments provided for in said note, or in case of the payment by the party of the second part as provided for herein, of taxes, insurance premiums, or special assessments of any nature, then in that event, the party of the second part may institute foreclosure proceedings on account of, and for such sums as are in default, and such foreclosure proceedings may be had, and the land may be sold thereunder, subject to the unpaid balance of the principal indebtedness hereby secured; and this mortgage shall continue as a lien for the security of the payment of the unpaid balance of the principal, notwithstanding such foreclosure; and in case of foreclosure for delinquencies such sum as may be lawful shall be allowed by the court for attorney's fee and be included in the judgment or decree.
