Letter of Authorization

AGRICULTURAL ADJUSTMENT ADMINISTRATION
Madison County
Winterset, Iowa
Gentlemen:

A considerable number of 1938 and 1938-39 corn loans secured by chattel mortgages have been sold by this Bank to Commodity Credit Corporation. In effecting the sale of these loans, the notes evidencing the indebtedness were endorsed to Commodity Credit Corporation, but no assignments of chattel mortgages were filed of record.

In order that these chattel mortgages may be released of record as the loans are discharged, it is necessary that some one acting for this Bank execute ^{such} releases. Any member of the County Agricultural Conservation Committee is hereby authorized to make appropriate marginal releases of chattel mortgages securing 1938 and 1938-39 corn loans which have been sold by this Bank to Commodity Credit Corporation, upon advice from Commodity Credit Corporation that the loans involved have been discharged if there is forwarded with such advice the original note and chattel mortgage marked paid by Commodity Credit Corporation.

Upon receipt of such advice from Commodity Credit Corporation, together with the cancelled note and chattel mortgage, this letter will constitute the authority of the members of your Committee to effect the release of such mortgages described in such advice.

Yours very truly,

O B Wallace
