This Mortgage is given to secure, and this conveyance shall be void upon the payment of a promissory note of even date herewith, executed by Mortgagor(s) to

Mortgagee, in the principal sum of NINE THOUSAND ONE HUNDRED AND NO/100

DOLLARS, with interest at the rate of four percent per

annum, said principal with interest being payable on an amortization plan in 69 semiannual installments, the last installment being due and payable on

the first day of January, 1951, and providing that defaulted payments shall bear interest at the rate of six per cent per annum.

The Mortgagors, and each of them, hereby warrant that they are fee owners of the mortgaged real property; that they will defend the title against all claimants whomsoever, and that said property is free from all encumbrances; and they relinquish all rights of homestead in said premises, and covenant and agree with the Mortgagee, as follows:

At the option of Mortgagor(s), and subject to general regulations of the Farm Credit Administration, sums so received by Mortgagee may be used to pay for reconstruction of the destroyed improvement(s); or, if not so applied, may, at the option of Mortgagee, be applied in payment of any indebtedness, matured or unmatured, secured by this Mortgage.

(4) To keep all buildings occupied and in good repair, and to refrain from the commission of any acts of removal, demolition or impairment thereof; not to cut or remove, or permit to be cut or removed, any wood or timber from said real property, and to commit or permit no waste or impairment of the value of this security; to continuously practice approved methods of farming on said lands, to prevent erosion and the spread of noxious and damaging weeds, and to preserve the fertility of the soil.

(6) That in the event Mortgagor(s) default(s) in the payment of said principal sum, or of any installment thereof, or of any interest thereon, at the time when the same shall be due, or with respect to any covenant or condition hereof, then, at the option of Mortgagee, the entire indebtedness secured hereby shall forthwith become due and payable, shall bear interest at the rate of six percent per annum, and the Mortgagee may immediately foreclose this Mortgage or pursue any other available legal remedy. (7) That in the event action is brought to foreclose this Mortgage for all or any part of the debt secured hereby, the Mortgagee shall be entitled to immediate possession of the mortgaged premises, and the court, or a judge thereof in vacation, may appoint a receiver to take possession of said premises to collect and receive rents and profits arising therefrom; and from any monies so collected, to pay taxes, provide insurance, make needed repairs to improvements upon the premises, and make any other expenditures authorized by the court; and apply any sum remaining after the payment of such authorized expenditures upon the mortgaged indebtedness.

(8) That failure or delay of Mortgagee to exercise any of its rights or privileges shall not be construed as a waiver thereof; that any act of Mortgagee waiving any specific default of Mortgagor(s) shall not be construed as a waiver of any future defaults; that in case of default in the payment of any amortization installments or interest, or in case of payment by Mortgagee of any lien, judgment, tax, insurance, cost or expense, said Mortgagee shall have the privilege, without declaring the whole indebtedness due and payable, to foreclose on account of such specific default for such sums as are in default and such foreclosure proceedings may be had and the land described herein may be sold, subject to the unpaid indebtedness hereby secured, and this Mortgage shall continue as a lien for any unpaid balance.

Upon condition, however, that if the said Mortgagor(s) shall fully pay all sums in accordance with the terms of the promissory note referred to in this Mortgage, and shall fully perform each and all of the covenants and agreements contained in this Mortgage, then, and in that event, the conveyance evidenced by this chattel mortgage provision shall be void; otherwise it shall remain in full force and effect. And to further secure the payment of said promissory note and in consideration of the making of the loan evidenced by said note and secured by this Mortgage, said Mortgagor(s) do hereby sell, transfer and assign unto said Mortgagee, all rents either in the form of cash, crops, or other things of value, from the mortgaged premises during the entire term of this Mortgage and until the indebtedness secured hereby is fully paid.
