The Company, at the time it shall give notice to the Corporate Trustee of its election to redeem less than all of the Outstanding Bonds of any series, to evidence the ownership of Bonds of such series owned by the Company, shall deliver to the Corporate Trustee an Officers' Certificate setting forth the serial numbers of any Bonds of such series owned by the Company, and in case of the redemption of Bonds of Series A shall also deliver to the Corporate Trustee a certificate signed by a Vice President of The First National Bank of Chicago, or its successor as such Exchange Agent, stating the serial numbers of the Bonds of Series A remaining undistributed under the Plan, and a certificate signed by a Vice President of The First National Bank of Chicago, or its successor as such Bond Scrip Agent, stating the serial numbers of the Bonds of Series A then held by it as such Bond Scrip Agent under said Bond Scrip Agreement. If any certificate of such Exchange Agent or Bond Scrip Agent shall show that such Agent no longer holds any Bonds of Series A, a certificate from such Agent under the foregoing provision shall not thereafter be required.

SECTION 3. If publication of notice of redemption shall have been completed as above provided, the Bonds or portions of Bonds specified in such notice shall become due and payable on the date and at the place stated in such notice, at the applicable redemption price, and on and after such date (unless the Company shall fail to deposit with the Corporate Trustee, as hereinafter provided, funds sufficient for the payment of such Bonds at the redemption price) interest on the Bonds or portions of Bonds so called for redemption shall cease to accrue, and the coupons for such interest payable

In any drawing by lot under this Section 2, each registered Bond without coupons shall be represented by a separate number for each \$1,000 of its principal amount. The Corporate Trustee, after such drawing, shall promptly notify the Company in writing of the serial numbers of the Bonds so drawn, and in the case of any registered Bond without coupons to be redeemed in part only, the portion of the principal amount thereof to be redeemed. The notice of redemption shall specify the numbers of coupon Bonds and registered Bonds without coupons so drawn, and in case of any registered Bond without coupons which is to be redeemed in part only (by reason of the fact that distinguishing numbers representing only part of the principal amount thereof shall have been so drawn), the notice shall specify the serial number of such Bond and the portion of the principal amount thereof to be redeemed and shall state that on and after the date fixed for the redemption, upon surrender of such registered Bond, new Bonds of the same series and maturity in principal amount equal to the unredeemed portion of such registered Bond will be issued without expense to the holder of such registered Bond.

In case less than all of the Bonds of Series A are to be called for redemption, there shall not be included in the drawing provided for in this Section 2 the distinguishing numbers of any Bonds of Series A then held by the Exchange Agent under the Exchange Agency Agreement dated as of January 1, 1948, entered into between the Company and The First National Bank of Chicago, as Exchange Agent under the Plan, or

On presentation and surrender of such Bonds on or after such date at any place or places of payment in said notice specified, accompanied by appropriate transfer powers in blank in the case of coupon Bonds registered as to principal and registered Bonds without coupons, and with all coupons, if any, thereto appertaining and maturing on or after such date, they shall be paid and redeemed by the Company at the applicable redemption price. If the Company, having completed publication of notice of redemption as required, fails so to deposit, or to direct the application from cash so available and held by the Corporate Trustee, of a sum of money equal to such redemption price, the Bonds so called for redemption, nevertheless, shall become due and payable on the date fixed for redemption.

Upon presentation of any registered Bond without coupons which is redeemed in part only, the Company shall execute and the Corporate Trustee shall authenticate and deliver to the registered holder thereof, without expense to such holder, a new registered Bond or Bonds without coupons or new coupon Bonds of the same series and maturity in principal amount equal to the unredeemed portion of the Bond so presented.

SECTION 4. If the Company shall deposit in trust with the Corporate Trustee on, or within 60 days prior to, the date fixed for redemption an amount in cash sufficient to redeem all Bonds, or portions thereof, then called or to be called for redemption, and shall furnish to the Corporate Trustee proof satisfactory to it that notice of redemption of such Bonds has been published as herein provided, or provision satisfactory to the Corporate Trustee shall have been made for giving such notice, then the Bonds or portions of Bonds to be redeemed

All moneys deposited with the Corporate Trustee for the redemption of Bonds shall be held in trust for the benefit of the holders of such Bonds, but subject to the provisions of Section 4 of Article XVII.

SECTION 5. If the date fixed for redemption be a legal holiday or a day on which banking institutions are authorized by law to be closed, then payment of the redemption price may be made on the next succeeding day that is not a legal holiday or a day on which banking institutions are authorized by law to be closed, with the same force and effect as if made on the nominal date fixed for redemption, and no interest shall accrue for the period after the date fixed for redemption.

The Company covenants that Available Net Income for each calendar year, beginning with the calendar year 1948, and continuing as long as any Bonds are outstanding under the Mortgage, shall be determined and applied as provided in this Section 1, subject to the provisions of Section 7 of this Article V.

The Available Net Income for the calendar year 1948 and for each calendar year thereafter shall be determined not later than March 15 of the following calendar year; and Available Net Income for each year shall be applied, to the extent that the same shall suffice therefor, during the succeeding calendar year for the following purposes and in the following order:

No Contingent Interest shall be required to be paid under any provision of this Section 1 if the amount so to be paid would be less than $\frac{1}{4}$ of 1% on each \$100 of the principal amount of any Contingent Interest bearing obligation, and all payments of Contingent Interest shall be made in multiples of one cent for each \$100 of the principal amount of such obligation. Any excess available for interest not paid because of this provision shall be retained by the Company and added to the amount available for such interest in the succeeding income period or periods.

SECTION 2. If Bonds of any series subsequent to Series A shall be issued and any or all of the interest thereon shall be Contingent Interest, such Contingent Interest and the unpaid accumulations thereof shall have such place in the order of priority in the application of Available Net Income, subsequent to subsection (c) of Section 1 of this Article V, as shall be provided in the supplemental indenture creating such series.

SECTION 3. If General Mortgage Bonds of series subsequent to Series A shall be issued and the bonds of such subsequent series shall bear interest at different rates but without priority as to payment among such series, and if the amount of Available Net Income applicable to the payment of the currently payable Contingent Interest on all of the bonds of such subsequent series is insufficient for the payment thereof in full, including any then unpaid accumulations of interest that shall have accrued thereon, the amount of such Available

SECTION 4. If the Contingent Interest on the Bonds of any series shall become Fixed Interest or if the obligation of the Company on the General Mortgage Bonds shall cease to be an obligation of the Company, either through payment or satisfaction in full, or if for any other reason the indenture securing or providing for such obligation has been terminated and released, whether by refunding or otherwise, the requirement to apply Available Net Income for such interest or obligation in the order provided in Section 1 of this Article V shall cease and the amount of Available Net Income otherwise required to be applied thereto, after meeting all remaining requirements, if any, of like priority, shall be applied thereafter to the remaining purposes in the order of priority specified.

SECTION 5. On or before March 15 of each year, beginning with the year 1949, the Company shall file with the Corporate Trustee a Certified Resolution determining the Available Net Income for the preceding calendar year, and a report signed by the President or a Vice President, and by the Chief Accounting Officer, of the Company, showing the calculations in reasonable detail of the amount of Available Net Income for the preceding calendar year and the application thereof made or to be made by the Company pursuant to the provisions of Section 1 of this Article V.

The Company agrees that it will comply with any such request for an audit. Any such audit shall, promptly after its completion, be filed with the Corporate Trustee and shall be open to inspection at all reasonable times by the holders of the Bonds.

(d) Such additional amounts as the Company shall charge to investment accounts in such next preceding calendar year as the cost of property renewals which should have been charged to railway operating expenses under the Uniform System of Accounts in effect on January 1, 1941;

provided, however, that if the aggregate amounts so payable into the Capital Fund in the year 1949 shall be less than \$3,000,000, the deficit shall accumulate and be payable into the Fund from the same sources in the next succeeding year or years, after having first made provision for the current payments required to be made into the Fund in such succeeding year or years, until such accumulation has been paid into the Fund.

Payments into the Capital Fund pursuant to this Section 1 may be made on a monthly basis or otherwise, provided that all required payments into the Fund relating to any calendar year shall have been completed on or before April 1 of the succeeding calendar year.

SECTION 2. (e) To purchase or redeem, at not exceeding the then current redemption price thereof, any obligations of the Company bearing Fixed Interest, or, if no such obligations are then outstanding, any obligations of the Company bearing Contingent Interest; and

Prior to making any expenditure from the Capital Fund pursuant to said subsection (d), there shall be filed with the Corporate Trustee (i) a Certified Resolution evidencing the determination of the Board of Directors to use the Capital Fund for the purposes therein specified and stating that in the opinion of the Board of Directors the income available for fixed charges of the Company for such year will be insufficient to cover the expenditures by the amount of the funds to be so used out of the Capital Fund, and (ii) an Officers' Certificate specifying the total estimated amount of Fixed Interest and sinking fund requirements of the Company, and short term indebtedness required to be paid by the Company, during the calendar year then current and the estimated amount of income available for fixed charges for such year.

In the event that income available for fixed charges of the Company under the Uniform System of Accounts, as finally determined for the year in question, was sufficient to have covered the expenditures, if any, from the Capital Fund, the Company covenants to reimburse the Capital Fund immediately to the extent that such income available for fixed charges was sufficient to cover such expenditures.

SECTION 1. As and for a Series A Sinking Fund for the retirement of Bonds of Series A, the Company

(a) has deposited with the Corporate Trustee, concurrently with the execution and delivery of the Mortgage, the sum of \$800,000 in cash, in lieu of any amount which it might have been required to deposit with the Corporate Trustee under subsection (b) of this Section 1 out of Available Net Income for the calendar years 1944, 1945, 1946 and 1947 if the Mortgage and the provisions of said subsection (b) had been operative from January 1, 1944; and

Any such Bonds of Series A so delivered to the Corporate Trustee shall be accompanied by an Officers' Certificate stating (i) that such Bonds have been duly issued and outstanding and have been reacquired by the Company, (ii) the price or prices (exclusive of accrued interest) at which they were reacquired, (iii) that none of such Bonds has theretofore been Bonded, and (iv) that such

The Company covenants that, in connection with any purchase or redemption of Bonds of Series A under this Section 1, it will deposit with the Corporate Trustee, upon request of the Corporate Trustee in the case of purchase, or prior to the date fixed for redemption, in the case of redemption, in addition to funds theretofore deposited in the Series A Sinking Fund, an additional sum in cash sufficient to pay, in the case of purchase, the excess, if any, of the purchase price, including interest, over the principal amount thereof, and, in the case of redemption, all premiums and interest required to be paid thereon to the date fixed for redemption.

All advertising and publishing costs, commissions, postage and other expenses incurred in the purchase or redemption of such Bonds of Series A shall be paid by the Company, or, if paid by the Corporate Trustee, shall be repaid by the Company to the Corporate Trustee upon demand.

All Bonds of Series A purchased or redeemed out of the Series A Sinking Fund, and all Bonds of Series A delivered by the Company to the Corporate Trustee in lieu of depositing cash in the Series A Sinking Fund, shall be cancelled and shall not be made the basis for the authentication and delivery of any Bonds or the withdrawal, payment or application of any cash under any provision of the Mortgage.

Cash that is deposited with the Corporate Trustee as and for the Series A Sinking Fund, as required by the provisions of this Section 1, shall be applied by the Corporate Trustee, so long as no Event of Default has occurred and is continuing, to the purchase or redemption of Outstanding Bonds of Series A in accordance with the provisions of this Section 1.

The Corporate Trustee may purchase such Bonds of Series A either at private sale or in the open market at the lowest price or prices at which, in its sole discretion, it shall deem such Bonds reasonably obtainable; or, if the Corporate Trustee, in its sole discretion, shall deem it advisable, it may advertise for proposals to sell such Bonds to it, reserving the right to reject any or all such proposals in whole or in part, and may purchase such Bonds at the lowest price or prices asked in such proposals if it deems such purchases advisable; but no such Bonds shall be purchased at private sale or in the open market or in response to proposals, as aforesaid, at a price, including interest, in excess of the amount, inclusive of premium and interest, which would be payable in case of redemption thereof on the next January 1.

Whenever the balance of cash remaining on deposit in the Series A Sinking Fund on October 1 of any year equals or exceeds \$50,000, the Corporate Trustee shall apply such balance to the redemption of Outstanding Bonds of Series A on the next January 1, at the redemption price specified in Section 1 of Article IV. The Corporate Trustee shall give notice of such redemption in the name of the Company in the manner and in accordance with the applicable provisions of Article IV; and the Corporate Trustee is hereby appointed the agent of the Company for such purpose. In lieu of depositing cash with the Corporate Trustee to be held and applied as part of the Emergency Sinking Fund, the Company may reacquire and deliver to the Corporate Trustee Emergency Bonds, bearing all unmatured coupons appertaining thereto, at the lower of the price or prices paid upon reacquisition thereof (less any interest paid on such reacquisition) or the redemption price thereof (exclusive of interest) in effect on April 1 of the calendar year in which such delivery is made. Sinking Fund, an additional sum in cash sufficient to pay, in the case of purchase, the excess, if any, of the purchase price, including interest, over the principal amount thereof, and, in the case of redemption, all premiums and interest required to be paid thereon to the date fixed for redemption.

All advertising and publishing costs, commissions, postage and other expenses incurred in the purchase or redemption of such Emergency Bonds shall be paid by the Company, or, if paid by the Corporate Trustee, shall be repaid by the Company to the Corporate Trustee upon demand.

All Emergency Bonds purchased or redeemed out of the Emergency Sinking Fund, and all Emergency Bonds delivered by the Company to the Corporate Trustee in lieu of depositing cash in the Emergency Sinking Fund, shall be cancelled and shall not be made the basis for the authentication and delivery of any Bonds or the withdrawal, payment or application of any cash under any provision of the Mortgage.

SECTION 3. As and for a Contingent Sinking Fund for the retirement of Outstanding Bonds, the Company covenants that, whenever on April 1 of any year, beginning with the year 1949, as shown by an Officers' Certificate delivered to the Corporate Trustee on or before April 1 of each year, the aggregate principal amount of Bonds then outstanding, plus all other funded debt of the Company bearing Fixed Interest, exceeds either (a) 30% of the total capitalization of the Company, determined as hereinafter provided, or (b) 50% of such total capitalization less the principal amount of all then outstanding funded debt of the Company bearing Contingent Interest, it will deposit with the Corporate Trustee on or before the succeeding May 1 an amount in cash equal to 50% of the Available Net Income for the preceding calendar year remaining after the application of such Available Net Income in the order of priority

value, (iii) the outstanding capital stock without par value of the Company, computed at \$100 per share in the case of capital stock issued for the purposes of the Plan, and, in the case of other capital stock without par value, computed at the amount of consideration actually received therefor, plus earned surplus of the Company to the extent the same shall have been capitalized.

In lieu of depositing cash with the Corporate Trustee to be held and applied as part of the Contingent Sinking Fund, the Company may reacquire and deliver to the Corporate Trustee Bonds of any series, bearing all unmatured coupons appertaining thereto, at the lower of the price or prices paid upon reacquisition thereof (exclusive of any interest paid on such reacquisition) or the redemption price thereof (exclusive of interest) in effect on April 1 of the calendar year in which such delivery is made. Any such Bonds so delivered to the Corporate Trustee shall be accompanied by an Officers' Certificate stating (i) that such Bonds have been duly issued and outstanding and have been reacquired by the Company, (ii) the price or prices (exclusive of accrued interest) at which they were reacquired, (iii) that none of such Bonds has theretofore been Bonded, and (iv) that such Bonds are delivered to the Corporate Trustee in lieu of cash required to be deposited in the Contingent Sinking Fund.

Any cash which is deposited with the Corporate Trustee as and for the Contingent Sinking Fund, as required by the provisions of this Section 3, shall be applied by the Corporate Trustee, so long as no Event of Default has occurred and is continuing, to the payment, purchase or redemption of Outstanding Bonds in the following manner:

(a) The Corporate Trustee may apply such moneys to the payment of the principal and accrued interest of the Outstanding Bonds of any series then matured or to mature within one year after the date of such deposit; or

(b) The Corporate Trustee may purchase Outstanding Bonds of any series either at private sale or in the open market at the lowest price or prices at which, in its sole discretion, it shall deem such Bonds reasonably obtainable, or, if the Corporate Trustee in its sole discretion shall deem it advisable, it may advertise for proposals to sell such Bonds to it, reserving the right to reject any or all such proposals in whole or in part, and may purchase such Bonds at the lowest price or prices asked in such proposals if it deems such purchases advisable; but no such Bonds shall be purchased at private sale or in the open market or in response to proposals at a price, including interest, in excess of the amount, inclusive of premium and interest, which would be payable in case of redemption thereof at the earliest applicable redemption date, or in excess of the principal amount thereof plus accrued interest if not subject to such redemption; and

(c) Whenever the balance remaining on deposit in the Contingent Sinking Fund on October 1 of any year equals or exceeds \$50,000, the Corporate Trustee shall apply such balance to the redemption of Outstanding Bonds of any series on the next applicable redemption date, at the redemption price applicable to the Bonds of such series. The Corporate Trustee shall give notice of such redemption in the name of the Company in the manner and in accordance with the applicable provisions of Article IV and of the supplemental indenture, if any, creating such series; and the Corporate Trustee is hereby appointed the agent of the Company for such purpose. The Company covenants that whenever any redemption of Bonds shall be required under the provisions of this Section 3, it will at the request of the Corporate Trustee take all action, and authorize the Corporate Trustee to take all action, necessary to redeem such Bonds on the date specified by the Corporate Trustee.

The Company covenants that in connection with any purchase or redemption of Bonds under this Section 3 it will deposit with the Corporate Trustee, upon request of the

Bonds of such series during the term of such Bonds, and will covenant therein to deposit with the Corporate Trustee funds sufficient for that purpose in equal semi-annual installments to and including the latest date of maturity of the Bonds of such series. Such deposits shall be made from funds derived from current charges to operating expenses or income on account of depreciation of such Bondable Equipment to the extent that such source is adequate therefor.

Any cash deposited with the Corporate Trustee as and for an Equipment Sinking Fund shall be applied by the Corporate Trustee to the retirement of Bonds of the series with respect to which such Equipment Sinking Fund was established and in accordance with the supplemental indenture creating such series.

All Bonds retired through the operation of any Equipment Sinking Fund shall be cancelled and shall not be made the basis for the authentication and delivery of any Bonds or the withdrawal, payment or application of any cash under any provision of the Mortgage.

All advertising and publishing costs, commissions, postage and other expenses incurred in the purchase or redemption of such Bonds, shall be paid by the Company, or, if paid by the Corporate Trustee, shall be repaid by the Company to the Corporate Trustee upon demand.

The Board of Directors may, by Certified Resolution delivered to the Corporate Trustee concurrently with the deposit of cash in the Contingent Sinking Fund, designate the series of Bonds to be purchased or redeemed with such cash. In the absence of such designation, the Corporate Trustee in its sole discretion may apply such moneys to the purchase or redemption of Bonds of any series then outstanding.

All Bonds paid, purchased or redeemed out of the Contingent Sinking Fund, and all Bonds delivered by the Company to the Corporate Trustee in lieu of depositing cash in the Contingent Sinking Fund, shall be cancelled and shall not be made the basis for the authentication and delivery of any Bonds or the withdrawal, payment or application of any cash under any provision of the Mortgage.

GENERAL COVENANTS

The Company covenants as follows:

SECTION 1. The Company will duly and punctually pay or cause to be paid the principal of, premium if any and interest on the Bonds at the times and at the place or places and in the manner and to the extent specified therein and in the coupons.

SECTION 2. The Company will maintain in the City of Chicago, State of Illinois, an office or agency where payment of the principal of, premium if any and interest on Bonds may be made, where notices, presentations and demands to or upon the Company in respect of Bonds or coupons or in respect of the Mortgage may be given or made and where Bonds may be registered, transferred and exchanged. The Company will also maintain a similar office or agency in each other city where the principal of or interest on any of the Bonds is payable, as provided in Article II. The Company will give to the Corporate Trustee notice of the location of all such offices or agencies and of any change of location thereof. In case the Company shall fail to maintain any such office or agency or shall fail to give notice of the location or of any change in the location thereof, notices, presentations and demands may be given or made at the principal office of the Corporate Trustee.

If the Company shall appoint a paying agent other than the Corporate Trustee, it will cause such paying agent to execute and deliver to the Corporate Trustee an instrument in which such agent shall agree with the Corporate Trustee, subject to the provisions of this Section 2:

(a) that it will hold all sums held by it as such agent for the payment of the principal of, premium if any or

interest on any of the Bonds (whether such sums have been paid to it by or on behalf of the Company or any other obligor on the Bonds) in trust for the benefit of the holders of such Bonds or the coupons for such interest, as the case may be; and

(b) that it will give to the Corporate Trustee notice of any failure by the Company (or by any other obligor on such Bonds) to make any payment of the principal of, premium if any or interest on such Bonds when the same shall be due and payable which shall come to its notice or knowledge as such paying agent.

If the Company shall act as its own paying agent in respect of the Bonds of any series, it will, on or before each due date of the principal of, premium if any or interest on such Bonds, set aside, segregate and hold in trust for the benefit of the holders of such Bonds or the appurtenant coupons, as the case may be, a sum sufficient to pay such principal, premium and interest so becoming due and will notify the Corporate Trustee of any failure to take such action.

The Company may, at any time, for the purpose of obtaining a release or satisfaction of the Mortgage or for any other reason, pay or cause to be paid to the Corporate Trustee all sums held in trust by it or by any paying agent pursuant to this Section 2, such sums thereafter to be held by the Corporate Trustee upon the same trusts as in this Section 2 provided.

The agreement to hold sums in trust as provided in this Section 2 is subject to the provisions of Section 4 of Article XVII.

SECTION 3. The Company will execute and deliver, or will cause to be executed and delivered, all such further deeds, mortgages, assignments and transfers as may be required for the better mortgaging, assigning and confirming to the

clauses hereof, and will do or cause to be done all such further acts as may be necessary to assure to the Company the use of the Equipment to which such Equipment Obligation relates and the ultimate acquisition of complete title thereto.

Nothing contained in this Section 5 or in any other provision of the Mortgage, express or implied, is intended or shall be construed to limit the right or power of the Company, which is hereby expressly reserved, to extend, prior to the maturity of any Equipment Obligation, the balance of the rental or other payments remaining to be paid thereunder or secured thereby or to refinance the same by entering into a new Equipment Obligation.

SECTION 6. The Company will well and truly pay and discharge or cause to be paid and discharged upon presentation thereof for payment when due the principal of all obligations having a lien on the mortgaged property or any part thereof prior to the lien of the Mortgage; and until paid or discharged at maturity or otherwise it will pay or cause to be paid the interest payable thereon at the time and at the place or places set forth therein or in the coupons attached thereto; and it will prevent any default or other thing from happening whereby the right might arise to enforce by foreclosure or otherwise any such obligations; provided, however, that the Company may extend or renew any such obligations.

In all cases in which, pursuant to the requirements of any mortgage or other instrument constituting a lien prior to the lien of the Mortgage, cash, securities, obligations or rights which would otherwise be required to be deposited with the Corporate Trustee are deposited with the trustee or mortgagee under such mortgage or other instrument, the Company will forthwith, upon the discharge and cancellation of such mortgage or other instrument (subject to the obligation

The Company will deliver to the Corporate Trustee on or before April 1 in each year, beginning with the year 1949, an Officers' Certificate setting forth in reasonable detail a description of any substantial items of additional real and personal property, estate, rights and franchises acquired within the previous calendar year and an Opinion of Counsel stating either (a) that no supplemental indenture is necessary to subject to the lien of the Mortgage the items of property set forth in such Officers' Certificate which are intended by the granting clauses or other provisions of the Mortgage to be subjected to the lien hereof, or (b) that a supplemental indenture is necessary for the purpose and that the supplemental indenture delivered to the Corporate Trustee with such Officers' Certificate and Opinion of Counsel is sufficient for that purpose and has been recorded and filed in the proper jurisdictions.

SECTION 4. The Company owns and is lawfully possessed of the lines of railroad, property and franchises referred to in the granting clauses hereof, and is duly authorized to operate and does operate said lines of railroad, and covenants and agrees to execute any and all instruments and do any and all acts or things necessary or proper to perfect its title to the same or any thereof, and, subject to the provisions of Article XI hereof, to take all steps and do all acts necessary to continue and maintain its corporate existence and authority to operate its lines of railroad.

SECTION 5. The Company, from time to time as they shall become due, will make, or cause to be made, all payments required to be made under and by the terms of any Equipment Obligation, including those described in the granting

of the Company, if any, to cause the same to be deposited under any other such mortgage or other instrument), cause to be deposited with the Corporate Trustee any and all such cash, securities, obligations or rights remaining at the time of such discharge and cancellation with the trustee or mortgagee of the mortgage or other instrument so discharged and cancelled. The Company hereby authorizes and directs the trustee or mortgagee under each such mortgage or other instrument, upon such discharge and cancellation thereof, to deposit with the Corporate Trustee all such cash, securities, obligations or rights so remaining. The Company covenants to deliver a copy of the Mortgage to the trustee or mortgagee under each such mortgage or other instrument and furnish the Corporate Trustee with evidence of such delivery.

SECTION 7. The Company, from time to time, will pay and discharge, or cause to be paid and discharged, all taxes, assessments and governmental charges (the lien whereof would be prior to the lien of the Mortgage) lawfully imposed upon the mortgaged property or upon any part thereof, or upon the income and profits thereof, and also all taxes, assessments and governmental charges lawfully imposed upon the lien or interest of the Trustees in respect of the mortgaged property or the income thereof, so that the lien and priority of the Mortgage shall be fully preserved at the cost of the Company without expense to the Trustees or the Bondholders; provided, however, that the Company shall not be required to pay any such taxes, assessments or governmental charges (i) so long as in good faith the validity or the amount thereof shall be contested by appropriate legal proceedings, unless thereby, in the judgment of the Corporate Trustee, the security afforded by the Mortgage will be materially impaired or endangered, or (ii) on property it has abandoned pursuant to permission granted by the Interstate

Commerce Commission or other public regulatory body having jurisdiction in the premises, or (iii) on property it has abandoned where no public regulatory body has jurisdiction if the property abandoned is no longer necessary for the maintenance or operation of the lines of railroad subject to the lien of the Mortgage.

SECTION 8. The Company, from time to time as the same shall become due and payable, will observe and perform all of its obligations, and will pay and discharge all sums payable, under or by virtue of any lease or trackage agreement held by it and subject to the lien of the Mortgage and which is reasonably necessary for the maintenance and operation of the lines of railroad subject to the lien of the Mortgage, and will not suffer or permit any default for which such lease or trackage agreement may be terminated, so that, subject to the provisions of Articles X and XI, the interest of the Company in all such leasehold estates or trackage agreements shall be preserved unimpaired as security for the Bonds and coupons hereby secured.

Nothing in this Section 8 contained shall require the Company to make any such payments or to observe any such obligations so long as the Company in good faith shall contest its liability for any such payments or its duty to observe any such obligations, unless in the opinion of the Corporate Trustee such action will materially impair or endanger the interests of the Bondholders.

SECTION 9. Subject to the provisions of Articles X and XI, the Company covenants and agrees that the Mortgage is and always will be kept a lien upon all of the mortgaged property, subject only to the liens prior thereto specified or referred to in the granting clauses hereof, and the right, charge, lien or title of Equipment Obligations, Permitted Encumbrances and Prior Liens, and that it will not create, or suffer to be created

SECTION 12. The Company will forthwith upon acquisition deposit and pledge with the Corporate Trustee, as further security for the Bonds, all Securities hereafter acquired by it except Special Securities and except Securities deposited with the trustee or mortgagee of any Prior Lien or required to be so deposited by the terms of such Prior Lien; and that upon cancellation or release of any Prior Lien, all such Securities then held by the trustee or mortgagee thereunder will be forthwith deposited and pledged with the Corporate Trustee unless then required to be deposited or pledged or held under another lien prior to the lien of the Mortgage.

SECTION 13. The Company will not procure the authentication and delivery of any Bonds hereunder, the release of any property herefrom, or the withdrawal, payment or application of any cash held by the Corporate Trustee under any provision of the Mortgage, except upon compliance by the Company with the applicable provisions of the Mortgage.

The Company will apply the funds obtained through the issuance and sale, exchange or pledge of Emergency Bonds solely for the purpose or purposes specified in the Certified Resolution delivered to the Corporate Trustee with the Application for the authentication of such Emergency Bonds pursuant to the provisions of Section 2 of Article III.

SECTION 14. The Company will not increase or permit to be increased in principal amount any of its obligations (other than Bonds, Equipment Obligations and Permitted Encumbrances) which are at the time of the making or assuming of such obligations secured by a lien on the mortgaged prop-

or to arise, or allow to exist any other lien or charge having priority to, preference over or parity with the lien of the Mortgage upon the mortgaged property, or any part thereof, or upon the income thereof; and that, within six months after the same shall be payable, it will pay or cause to be discharged, or will make adequate provision for the satisfaction or discharge of, all lawful claims and demands of mechanics, laborers and others, which, if unpaid, might by law be given precedence over the Mortgage as a lien or charge upon the mortgaged property or any part thereof, or the income thereof; provided, however, that the Company shall not be required to pay any such debt, lien or charge so long as it shall in good faith, by appropriate legal proceedings, contest the validity thereof or the amount thereof unless thereby, in the opinion of the Corporate Trustee, the interests of the Bondholders will be materially impaired or endangered.

SECTION 10. Subject to the provisions of Articles X and XI, and to the extent needful and proper for the efficient and economic operation of its properties, the Company will at all times diligently maintain, preserve and keep all of the rights and franchises granted to it or conferred upon it, maintain, preserve and keep its railroads, fixtures and appurtenances subject to the lien of the Mortgage in good repair, working order and condition and from time to time make all needful and proper repairs thereto and renewals and replacements thereof, and keep the lines of railroad subject to the Mortgage supplied with Equipment, machinery, tools and other supplies, maintain the same in good order and condition, reasonable wear and tear excepted, and from time to time make all needful and proper repairs thereto and renewals and replacements thereof.

SECTION 11. Subject to the terms and provisions of Articles X and XI, the Company will maintain its property, rights

erty, or any part thereof, prior to or on a parity with the lien of the Mortgage unless the obligations representing such increase are forthwith deposited and pledged with the Corporate Trustee to be held subject to the provisions of Article IX.

SECTION 15. The Company will maintain a record of all Equipment and will furnish to the Corporate Trustee at least once in each period of two years following the date of the execution and delivery of the Mortgage a statement of the number of units by classes of said Equipment, and showing separately the Equipment that is held under or subject to Equipment Obligations, and specifying the amount and maturities of all such Equipment Obligations.

SECTION 16. The Company will cause the Mortgage and every supplemental indenture or instrument purporting to create a lien upon the mortgaged property to secure the Bonds, to be recorded and filed and re-recorded and re-filed to the extent necessary to make effective and maintain the lien intended to be created thereby, and will, on or before April 1 in each year, beginning with the year 1949, furnish to the Corporate Trustee an Opinion of Counsel stating either that in the opinion of such counsel the Mortgage and all supplemental indentures or other instruments supplemental thereto have been properly recorded and filed and re-recorded and re-filed, as the case may be, so as to make effective and maintain the lien intended to be created thereby, or that in the opinion of such counsel no such action is necessary to make such lien effective and to maintain the same.

SECTION 17. The Company will cause all of the property at any time subject to the lien of the Mortgage, which is of a character usually insured by railroad companies, to be kept insured in such manner and to such extent as is customary and usual in the operation of railroad companies in the territory served by the Company. On or before April 1,

1948, and on or before April 1 in each year thereafter, and at any other time upon the request of the Corporate Trustee, the Company will furnish to the Corporate Trustee an Officers' Certificate stating in general the character and extent of the insurance then maintained by the Company and stating that the same complies in all respects with the requirements of this Section 17.

If the proceeds from any insurance on the mortgaged property shall exceed the sum of \$50,000 in respect of any one loss, such proceeds shall, subject to the requirements of any Prior Lien, Permitted Encumbrance, or Equipment Obligation on such property, be paid by the Company to the Corporate Trustee, accompanied by an Officers' Certificate as required by Section 21 of this Article VIII, and shall be set apart and held in trust by the Corporate Trustee and applied, pursuant to the written request of the Company (if an Event of Default shall not have occurred and be continuing), to the repair, restoration or replacement of the property damaged or destroyed. The written request of the Company, signed as in the case of an Officers' Certificate, shall set forth the nature of such repairs, restorations or replacements and the cost thereof, and shall be accompanied by an Opinion of Counsel that the same are or will become subject to the lien of the Mortgage as hereinafter in this Section 17 provided. Such request and Opinion of Counsel shall constitute a sufficient warrant and direction to the Corporate Trustee for the expenditure of said proceeds in accordance with such request.

Any proceeds from insurance paid over to the Corporate Trustee, pursuant to this Section 17, which have not been applied to the repair, restoration or replacement of the property damaged or destroyed within two years after such payment, shall thereafter be held and disposed of by the Corporate Trustee as in the case of moneys deposited upon the release of mortgaged property as provided in Section 7 of Article X.

consequence thereof the excess of the aggregate principal amount of all Bonds (exclusive of Emergency Bonds) pledged or hypothecated by the Company over the aggregate principal amount of all indebtedness secured thereby would exceed 10% of the aggregate principal amount of all such Bonds then outstanding and pledged or hypothecated by the Company.

The Company will not pledge or hypothecate any Bonds (exclusive of Emergency Bonds), General Mortgage Bonds or other obligations of the Company if in consequence thereof the aggregate amount of all such bonds and obligations of the Company pledged or hypothecated by it would exceed 200% of the aggregate principal amount of all indebtedness secured by such pledges or hypothecations.

SECTION 21. Whenever the Company shall deposit with the Corporate Trustee the proceeds of any insurance as provided in Section 17 of this Article VIII, such deposit shall be accompanied by an Officers' Certificate, dated not more than 30 days prior to the delivery thereof to the Corporate Trustee, stating the circumstances of such deposit and the source of the moneys then being deposited.

SECTION 22. The Company will deliver to the Corporate Trustee at the time of the distribution thereof a copy of each annual report and financial statement distributed by the Company to its shareholders, beginning with the annual report for the year 1948.

SECTION 23. The Company will not pay any dividend on the shares of any class of its capital stock, or purchase or otherwise acquire any of such shares, except out of the funds legally available therefor on January 1, 1948, under the laws of the State of Delaware and out of Available Net Income applicable to such purposes under the provisions of Section

If the proceeds from any insurance on the mortgaged property shall be \$50,000 or less in respect of any one loss, such proceeds shall be applied by the Company to the repair, restoration or replacement of the property damaged or destroyed or to the acquisition or construction of Additions and Betterments. Any property acquired by the Company out of the proceeds of insurance as aforesaid and any and all repairs, restorations, replacements, Additions and Betterments acquired or constructed out of such proceeds, subject to the requirements of any Prior Lien, Permitted Encumbrance or Equipment Obligation on the property with respect to which such insurance was collected, shall become and be subject to the Mortgage as fully as though specifically mortgaged or assigned hereby, but, in the case of property repaired or restored, only in the same manner and to the same extent as the property damaged or destroyed with respect to which such insurance was collected.

SECTION 18. The Company will permit the Corporate Trustee, through its agents, to inspect the mortgaged property or any portion thereof at any time and from time to time, and will comply with all reasonable requests of the Corporate Trustee to furnish such information as the Company may have with respect to the mortgaged property.

SECTION 19. As and when there shall be delivered to the corporate trustee under the General Mortgage pursuant to any provision thereof, any report, statement, certificate, opinion, copy of resolution, deed, conveyance, assignment or other document or proof, the Company will deliver a counterpart thereof to the Corporate Trustee, unless the same document or proof has been delivered to the Corporate Trustee pursuant to the provisions of the Mortgage.

SECTION 24. The Company covenants that all funds made available to it after January 1, 1948, from all or any of the following sources shall, unless deposited with the Corporate Trustee or with the corporate trustee under the General Mortgage or with the trustee or mortgagee under a Prior Lien, Equipment Obligation or Permitted Encumbrance, be applied only to provide for the Cost of Additions and Betterments not theretofore Bonded: (i) proceeds of insurance on the mortgaged property not used for restoration or repairs, (ii) proceeds from salvage recovered from mortgaged property retired, (iii) proceeds from sales of mortgaged property sold in accordance with the provisions of Article X, and (iv) funds made available by charges to operating expenses representing the service value of any non-depreciable road property retired and not replaced, to the extent that such funds have been deducted from the remaining Available Net Income, if any, in accordance with Section 1 of Article V.

SECTION 25. The Company will not sell or pledge any Bonds, other than Bonds of Series A and Emergency Bonds, unless the Board of Directors, by resolution adopted by not less than two-thirds of the entire number of directors, shall have determined that in the opinion of the Board, taking into account market and all other relevant conditions at the time, it is impracticable to provide the amount of money needed (a) by the sale of General Mortgage Bonds having a suitable maturity at a price to the Company which would give a yield to maturity, on the basis of the maximum interest rate specified, of 5% or less, or (b) by the sale of preferred stock of the Company at a price to the Company which would give a dividend return, on the basis of the preferential dividend rate specified, of 6% or less, or (c) by the sale of common stock of

SECTION 26. The Company will surrender to the Corporate Trustee forthwith upon receipt by the Company all Bonds of Series A held by The First National Bank of Chicago, as Bond Scrip Agent, at the close of business on January 2, 1949, and cancelled by the Bond Scrip Agent pursuant to the provisions of the Bond Scrip Agreement dated as of January 1, 1948, entered into between the Company and said Bond Scrip Agent.

SECTION 27. SECTION 3. Unless and until an Event of Default shall have occurred and be continuing, the Company shall have the right to vote and give consents in respect of all Securities deposited and pledged hereunder for all purposes not contrary to the provisions of the Mortgage or inconsistent therewith, and to consent to, ratify or waive notice of any and all meetings, with the same force and effect as though such Securities were not subject to the lien hereof; and the Corporate Trustee, in respect of Securities issued in its name or in the name of its nominee or nominees, shall upon the written request of the Company give suitable waivers of notice and consents and deliver to the Company, or to its nominee or nominees, suitable powers of attorney or proxies with or without power of substitution and either generally or for such one or more objects as such proxy shall specify. The Company covenants that it will not vote or permit to be voted or give or permit to be given any consent in respect of any such Securities for any purpose contrary to the provisions of the Mortgage or inconsistent therewith.

The Corporate Trustee, with the written consent of the Company delivered to the Corporate Trustee, accompanied by a Certified Resolution authorizing the same, and without such consent if an Event of Default shall have occurred and be continuing,

(a) may vote or give consents in respect of any Securities deposited and pledged hereunder and authorize such Securities to be voted and such consents to be given and may take such other action as to the Corporate Trustee, in its discretion, shall seem advisable to protect the interests of the Corporate Trustee and of the Bondholders in respect of any Securities subject to the lien hereof; and

(b) may in respect of any such Securities join in or become party to any plan of reorganization or readjust-

SECTION 5. Unless an Event of Default shall have occurred and be continuing, the following transactions may be carried out and consummated:

(a) The renewal or extension of any Debt Security deposited and pledged hereunder at the same or a lower or higher rate of interest;

(b) The renewal or extension of any mortgage or other lien or instrument securing any Debt Securities deposited and pledged hereunder; and

(c) The issue in substitution for any Securities of a Railroad Subsidiary deposited and pledged hereunder of other Securities issued by the same Railroad Subsidiary which, except in the case of common Stock, shall be of the same or a greater aggregate principal amount or liquidation value, shall be secured by the same or an equivalent or prior lien or entitle the holder to an equivalent or superior liquidation and dividend preference, and shall bear the same or a higher or lower rate of interest or preferred dividend;

subject, however, to the following terms and conditions:

(1) All Securities so renewed or extended (if replaced by new Securities) and all Securities for which new Securities are substituted shall be delivered by the Corporate Trustee to the corporation issuing the same solely for retirement.

(2) All Securities so issued in renewal, extension or substitution shall forthwith upon the issue thereof be deposited and pledged hereunder to the same extent and in the same manner as the Securities renewed or extended or for which they are substituted.

(3) No such substitution shall be made if it will so reduce the percentage of the number of shares of voting Stock of

ment (whether voluntary or involuntary) of the corporation issuing such Securities and deposit such Securities under such plan, and may make any exchange, substitution, cancellation or surrender of Securities required by any such plan and take such action with respect to Securities subject to the lien hereof as may be required by such plan for the accomplishment thereof. All new Securities issued and cash paid under any such plan in exchange for Securities previously deposited and pledged hereunder shall be deposited with the Corporate Trustee and held by it under and for the purposes expressed in the Mortgage.

SECTION 4. In case at any time

(a) default shall be made in the payment of the principal of or interest on any Debt Security deposited and pledged hereunder, or

(b) default shall be made in any of the covenants, terms or conditions contained in any such Debt Security or the mortgage or other instrument securing the same or pursuant to which the same shall have been issued, or

(c) the right shall arise to enforce, by foreclosure or otherwise, any such mortgage or other instrument,

then, and in any such case, upon the written request of the Company delivered to the Corporate Trustee, accompanied by a Certified Resolution authorizing the same, and without such request if an Event of Default shall have occurred and be continuing, the Corporate Trustee, as the holder of such Debt Security, may in its discretion exercise all rights of the holder thereof and all rights under the mortgage or other instrument securing the same, or pursuant to which it was issued, and cause such proceedings as may be approved by counsel to be instituted and prosecuted in a court of competent jurisdiction to enforce the payment of the principal and interest on such Debt Security and the performance of the covenants, terms or conditions therein and in such mortgage

any Railroad Subsidiary owned by the Company and other railroad corporations that such Railroad Subsidiary would no longer be qualified as such.

(4) No such substitution shall be made if the substituted Securities are of an issue junior to the Securities to be retired.

(5) In each such case the Corporate Trustee shall be furnished with the following:

(A) An Officers' Certificate stating in substance as follows: (i) the Securities (briefly described) to be renewed, extended or retired and the terms of such renewal, extension or retirement; (ii) the Securities (briefly described), if any, to be issued in substitution; (iii) that the renewal, extension or substitution will be to the benefit and advantage of the Company and will not be detrimental to the interest or security of the Bondholders; (iv) whether the Securities to be renewed or extended or for which new Securities are to be substituted are Securities of a Railroad Subsidiary; (v) that if such new Securities are to be substituted for Securities of a Railroad Subsidiary such substitution will not so reduce the number of shares of voting Stock of such Railroad Subsidiary then owned by the Company and other railroad corporations that such Railroad Subsidiary would no longer be qualified as such; (vi) that the Securities, if any, to be issued in substitution will not be junior to the Securities to be retired; and (vii) that no Event of Default has occurred and is continuing; and

(B) An Opinion of Counsel that such renewal, extension or substitution is in accordance with the provisions of the Mortgage and that any Securities so to be renewed or extended will, upon such renewal or extension, and any new Securities to be issued will, upon the issue and delivery thereof to the Company, be validly issued and outstanding and what they purport to be and validly owned by the Company; that whatever consent,

authorization or approval on the part of any governmental authority is requisite for such ownership and pledge has been obtained; that all shares of Stock, if any, included in such Securities are fully paid and non-assessable; and that upon the deposit and pledge of said Securities hereunder the Mortgage will constitute a valid, enforceable and direct lien thereon, free and clear of liens prior thereto.

Upon receipt of the instruments specified in clauses (A) and (B), and a Certified Resolution requesting any such extension, renewal or substitution, the Corporate Trustee shall permit the same and take any other action necessary to effect any such extension, renewal or substitution.

SECTION 6. The Corporate Trustee may sell, assign, transfer and deliver so many shares of the Stock of any corporation whose Stock is deposited and pledged under the Mortgage as may be necessary to qualify persons to act as directors of, or in any other official relation to, such corporation. In every such case the Company shall make such arrangements with the Corporate Trustee as shall be deemed necessary by the Corporate Trustee for the protection of the trusts hereunder.

SECTION 7. In case a corporation any of the Securities of which shall be deposited and pledged under the Mortgage shall be consolidated with or merged into, or shall convey all or substantially all of its properties to, the Company, the Securities of such corporation that are deposited and pledged under the Mortgage shall be surrendered to the consolidated corporation or to the Company, as the case may be, but only if, as evidenced by an Opinion of Counsel furnished to the Corporate Trustee, (i) by virtue of such consolidation or merger and the application of the provisions of Article XI the lien of the Mortgage has extended to the property of such

Trustee or of the Company or of purchasing trustees, as the Corporate Trustee may determine, and the Corporate Trustee shall use, or permit the Company to use, such Securities so far as may be permissible to make payment for such property. In the event of any such purchase, the Corporate Trustee shall take such steps as it may deem proper to cause such property either to be vested in the Company and subjected to the direct lien of the Mortgage or in some other corporation with power to acquire and operate such property. The Company covenants that, if such property is vested in some other corporation with power to acquire and operate such property, all Securities of such other corporation acquired directly or indirectly through such use of the pledged Securities will be deposited and pledged under the Mortgage.

SECTION 9. The Company may, unless an Event of Default shall have occurred and be continuing, sell the Securities of any corporation which are deposited and pledged under the Mortgage, except Prior Lien Bonds, but only upon and subject to the following conditions:

(a) All Securities of such corporation pledged hereunder shall be sold simultaneously.

(b) The Corporate Trustee shall be furnished with an Officers' Certificate setting forth:

(1) A description of the Securities to be disposed of by the Company, a statement that the Securities so described include all Securities of such corporation pledged hereunder and a statement as to whether or not such corporation is a Railroad Subsidiary.

(2) A brief statement of the price or consideration to be received by the Company (which consideration may be cash, or cash and purchase money obligations secured by a pledge of the Securities to be sold) and a statement that the amount of such consideration is not less than the fair value to the

corporation the Securities of which are so surrendered, and (ii) in the case of any Debt Securities so surrendered which are secured by a lien on the property of such corporation, the lien of the Mortgage resulting from such consolidation or merger is substantially equivalent to the lien securing such Debt Securities.

SECTION 8. In case at any time

(a) any corporation, the Securities of which shall be deposited and pledged hereunder, shall be dissolved or liquidated, or

(b) all or any of the property of any such corporation shall be sold at any judicial sale, or

(c) any of the property covered by any mortgage securing any Debt Security deposited and pledged under the Mortgage shall be sold in foreclosure proceedings or other proceedings for the enforcement of such mortgage or the Debt Security thereby secured,

then, and in any such case, if the property of such dissolved or liquidating corporation or the property sold can be acquired by crediting on the Securities so pledged under the Mortgage any sum accruing or to be received thereon out of the proceeds of such property, and by paying not more than 10% of the price of such property in cash (or more than 10% if the Company or the holders of 25% in principal amount of the Outstanding Bonds shall so request), the Corporate Trustee in its discretion may, and if requested in writing by the Company or the holders of 25% in principal amount of the Outstanding Bonds and upon being provided with the amount of cash necessary therefor (whether such amount be more or less than 10% of the price of such property) and security or indemnity satisfactory to it against any expense or liability on its part shall, purchase or cause to be purchased such property, either in the name or on behalf of the Corporate

(4) That no Event of Default has occurred and is continuing.

(c) The consideration stated in the Officers' Certificate provided for in subsection (b) of this Section 9 to be received by the Company shall be deposited and pledged with the Corporate Trustee.

(d) The Corporate Trustee shall be furnished with an Opinion of Counsel stating that (i) such sale is in accordance with the provisions of the Mortgage, (ii) the Corporate Trustee is authorized under the terms of the Mortgage to comply with the request of the Company in consummation of the sale, (iii) any purchase money obligations mentioned in the Officers' Certificate provided for in subsection (b) of this Section 9 are valid obligations, secured by a valid and enforceable pledge of the Securities to be sold, free and clear of prior liens, (iv) such pledge contains appropriate provision for the security and protection of the Bonds, and (v) all necessary consent or approval of all governmental authorities for the sale and acquisition of such Securities has been obtained or that no such consent or approval is necessary; and said opinion shall be accompanied by a certified copy of any such consent or approval specified in said opinion to be necessary.

Upon receipt by the Corporate Trustee of the instruments mentioned in subsections (b), (d) and (e) of this Section 9, and the consideration to be received by the Company as therein stated, the Corporate Trustee shall release from the lien of the Mortgage, and deliver to or upon the written order of the Company, all Securities so to be sold at the time held by the Corporate Trustee.

SECTION 10. In case an Event of Default shall have occurred and be continuing, the Company shall no longer be entitled to receive the payments and exercise the rights theretofore permitted it pursuant to the provisions of this Article IX, but, nevertheless, may do any of the things authorized to be done by it in Sections 2, 3, 5, 7, 8 and 9 of this Article IX upon compliance by it with the respective provisions of said sections, if the Corporate Trustee, in the exercise of its discretion, in writing expressly authorizes or assents to such action. The Corporate Trustee shall so authorize or assent to such action if requested by the holders of a majority in principal amount of the Outstanding Bonds.

SECTION 11. All moneys received by the Corporate Trustee in respect of any Securities deposited and pledged hereunder, unless the Company shall be entitled to receive the same under the provisions of Section 2 of this Article IX, shall be held, paid out or applied by it as in the case of money deposited upon the release of mortgaged property, in the manner provided in Section 7 of Article X.

SECTION 12. The Company covenants and agrees that forthwith on demand of the Corporate Trustee it will pay, or will provide for in a manner satisfactory to the Corporate Trustee,

ARTICLE X

POSSESSION, USE AND RELEASE OF PROPERTY

SECTION 1. While the Company shall remain in possession of the mortgaged property, it shall be entitled to manage, operate, use and enjoy all and singular the property subject to the Mortgage (except any cash or Securities deposited or pledged or required to be deposited or pledged with the Corporate Trustee under the terms of the Mortgage) and to receive, take and use the rents, incomes and profits thereof subject to the terms of the Mortgage. The subsequent provisions of this Section 1 are for the purpose of permitting the advantageous use of the property subject to the Mortgage in the operation and management of the business so as most judiciously to maintain the value of such property of the Company and the value of the security for the Bonds.

PART A. While remaining in possession of the mortgaged property, the Company shall be entitled in the usual and ordinary conduct of its business:

- (a) to alter, repair, dismantle when no longer useful, replace, change and add to its buildings, roadways, trackage, Equipment, materials, supplies and any other physical property;
- (b) to make any change in the location of its lines, tracks, station houses, buildings or other structures situated upon or comprising any part of the property subject to the Mortgage to other premises, if said lines, tracks, station houses, buildings, structures and the premises whereon they are relocated shall be or concurrently become subject to the lien of the Mortgage to the same extent and with the same priority of lien as before such relocation; and
- (c) to modify the rights under, or to abandon or terminate, any trackage, terminal, operating or other contract, agreement or lease, easement, franchise, license,

all expenditures incurred by the Corporate Trustee under any of the provisions of this Article IX, including all sums required to obtain and perfect the ownership and title to any property which the Corporate Trustee shall cause or authorize to be purchased pursuant to any provision of this Article IX; and the Corporate Trustee in its discretion, without impairment of or prejudice to any of its rights under the Mortgage by reason of any default of the Company, may but shall not be obligated to advance any or all such expenses and such other moneys as may be required, or may procure such advances to be made by others, and for such advances made by the Corporate Trustee or by others at its request, with interest thereon at the rate of 4% per annum, the Corporate Trustee shall have a lien upon the mortgaged property in priority to the lien of the Bonds, except as to funds held in trust for the benefit of the holders of particular Bonds or coupons.

authority or permit under which the Company may now or hereafter conduct its railroad operations; provided, in the case of any modification, that the same does not substantially impair the rights of the Company in its railroad operations or in the judgment of the Company impair the security or interests of the Bondholders, and in the case of any abandonment or termination, that such rights are no longer required for the railroad operations of the Company, and that rights of operation, substantially equivalent as to scope and term, are otherwise owned or are concurrently to be acquired and subjected to the lien of the Mortgage to the same extent and with the same priority of lien as existed prior to the modification, abandonment or termination.

PART B. To increase operating efficiency and effect economies by elimination of unnecessary trackage or unnecessary duplication of trackage within its own transportation system which is subject to the lien of the Mortgage, and by facilitating the coordination of operations of such transportation system with operations of the transportation systems of other railroads the Company, while remaining in possession of the mortgaged property, may, under the conditions and upon compliance with the provisions of Sections 2 and 3 of this Article X to the extent applicable:

- (a) Sell, exchange for other property, abandon, lease or otherwise dispose of any part, substantially less than all, of its lines of railroad (including any leasehold, easement, trackage right or other interest therein) which are subject to the lien of the Mortgage, but only if, at or prior to such sale, exchange, abandonment, lease or other disposition,
 - (1) there shall be filed with the Corporate Trustee a Certified Resolution determining and expressing the judgment of the Board of Directors that
 - (i) such sale, exchange, abandonment, lease or other disposition will increase operating

efficiency and effect economies by elimination of unnecessary trackage or unnecessary duplication of trackage within the Company's own transportation system then subject to the lien of the Mortgage, or by facilitating the coordination of operations of such transportation system with operations of the transportation systems of other railroads, and will not substantially impair the ability of the Company to handle the traffic of its transportation system, and

- (ii) that the property so to be sold, exchanged, abandoned, leased or otherwise disposed of is no longer deemed necessary or expedient in the operation of its transportation system and that the security or interests of the Bondholders will not be impaired thereby; and

(2) there shall also be filed with the Corporate Trustee, as to any part of such lines of railroad (including any leasehold, trackage right or other interest therein) desired to be sold, exchanged, abandoned, leased or otherwise disposed of, an Officers' Certificate stating the facts relied upon to show that

- (i) such part of said lines of railroad is a branch or spur line, or is otherwise so separable from any main line serving principal points, that such sale, exchange, abandonment, lease or other disposition will not break the continuity of such main line between the principal points served thereby, or
- (ii) after said sale, exchange, abandonment, lease or other disposition there will remain at least one other route subject to the lien of the Mortgage between the principal points served by the part of such line to be sold, exchanged, abandoned, leased or otherwise disposed of, over which the traffic of its

transportation system between such principal points may be handled with substantially equal facility, or

- iii) the Company has acquired, or upon such sale, exchange, abandonment, lease or other disposition will acquire, rights over lines of another railroad company through joint ownership, lease or trackage agreement whereby facilities will be available for general continuity of operation of its transportation system which are substantially equivalent to the facilities therefor of the lines of railroad to be sold, exchanged, abandoned, leased or otherwise disposed of, and that any such lease or trackage agreement, as evidenced by an Opinion of Counsel furnished to the Corporate Trustee, will extend at least beyond the latest date of maturity of any of the Bonds then outstanding and will not be subject to termination prior to its expiration date on account of any lien on the property covered thereby; and

(3) there shall be pledged with the Corporate Trustee or otherwise subjected to the lien of the Mortgage, subject only to Permitted Encumbrances, in such manner as shall be deemed sufficient in an Opinion of Counsel furnished to the Corporate Trustee, any and all rights of joint ownership, leases, and trackage agreements acquired by the Company and referred to in such Officers' Certificate pursuant to the preceding clause (2) (iii).

Any lease of property of the Company made pursuant to this subdivision (a) shall be made expressly subject to immediate termination by the Trustees at any time upon the occurrence of an Event of Default and at any time during the continuance thereof, and also by the purchaser of the property so leased upon any sale thereof, whether such sale be made under the power of sale hereby conferred or under judicial proceedings.

Article X
Section 1

157

Notwithstanding the foregoing provisions of this Part B, any line or portion of a line of railroad (including any leasehold, easement, trackage right or other interest therein) subject to the lien of the Mortgage may be sold, exchanged, abandoned, leased or otherwise disposed of upon compliance solely with the provisions of clause (1) of this subdivision (a), if such sale, exchange, abandonment, lease or other disposition is with the approval or direction of the holders of a majority of all Outstanding Bonds, such approval or direction being made and evidenced pursuant to the provisions of Article XII and filed with the Corporate Trustee.

(b) Sell, exchange or otherwise dispose of an undivided interest in any part of any line of railroad, or in any bridge or terminal, which is subject to the lien of the Mortgage, or grant an easement over, or enter into a trackage agreement providing for the use by another railroad of, any such line of railroad, or bridge or terminal, with or without use of appurtenant shop or other operating and service facilities; and any such easement or trackage right may, but need not, extend for a longer period than the latest maturity of any of the Bonds then outstanding, and may, but need not, be subject to termination by the Trustees upon the occurrence or during the continuance of any Event of Default, or by the purchaser of any property to which the same relates upon any sale thereof by virtue of the power of sale hereby conferred or under judicial proceedings; but in the case of each such sale, exchange or other disposition of an undivided interest or in case any such easement or trackage right shall extend for a longer period, as aforesaid, or is not subject to termination, as aforesaid, then at or prior thereto

(1) there shall be furnished to the Corporate Trustee an Opinion of Counsel that there has been adequately preserved to the Company the equal or prior right to the use of any such line of railroad, bridge, or terminal in which an undivided interest has been disposed of or as to which an easement or trackage

right has been so granted, and to appurtenant facilities, if any, as to which a right of use has been so granted, and

(2) there shall be filed with the Corporate Trustee a Certified Resolution determining and expressing the judgment of the Board of Directors, in the case of any such sale, exchange or other disposition, that the same is advantageous to the economical and efficient operation of the business of the Company, or, in the case of any such easement or trackage right agreement, that the terms thereof are reasonable and advantageous to the economical and efficient operation of the business of the Company and, in either case, that such transaction will not substantially impair the ability of the Company to handle the traffic of its transportation system subject only to the lien of the Mortgage and Permitted Encumbrances at or between the principal points served thereby nor impair the security or interests of the Bondholders.

In case an easement over, or a trackage agreement providing for the use by another railroad of, any part of any line of railroad or in any bridge or terminal shall be granted by the Company for a longer period than the latest maturity of any of the Bonds then outstanding or not be subject to termination by the Trustees upon the occurrence or during the continuance of any Event of Default or by the purchaser of any property to which the same relates upon any sale thereof by virtue of the power of sale hereby conferred or under judicial proceedings, the Trustees shall, at the request of the Company and upon receiving the Opinion of Counsel and Certified Resolution with respect thereto as provided in this subdivision (b), execute and deliver a certificate or consent to the granting of such easement or trackage agreement.

Any principal point which is the terminus of any line of railroad of the Company subject to the lien of the Mortgage shall cease to be a principal point if, for any period of five successive years after the date of the Mort-

gage, traffic over the line, or a portion thereof serving such point designated as provided in the following sentence, has been such that the operation by the Company of such line or such designated portion, as the case may be, has been without profit during the whole of such period. Upon filing with the Corporate Trustee an Officers' Certificate designating any such principal point and the line serving such point, or a specified portion thereof, and showing facts with respect to traffic and operation of such line or such specified portion thereof, as the case may be, fulfilling to the satisfaction of the Corporate Trustee the requirements of this paragraph, together with a Certified Resolution expressing the judgment of the Board of Directors that the principal point described in said Certificate is in fact no longer a principal point in the operation of such lines of railroad, then said principal point shall no longer be deemed or treated as a principal point on such line for any purpose under the provisions of this Part B.

The provisions and limitations of this Part B shall govern any sale by the Company, pursuant to the provisions of Article IX, of the securities of any Railroad Subsidiary owning a connecting line of railroad or bridge which forms a part of the transportation system of the Company.

PART C. In case any line of railroad (including any leasehold, easement, trackage right or other interest therein) subject to the lien of the Mortgage is desired to be abandoned, prior to any such abandonment there shall be furnished to the Corporate Trustee, in addition to all other requirements of this Section 1, an Opinion of Counsel stating that any requisite approval of the Interstate Commerce Commission or other governmental authority having jurisdiction in the premises has been obtained for such abandonment and said Opinion of Counsel shall be accompanied by a certified copy of the order, if any, expressed to be so required.

On or before April 1, 1949, and on or before April 1 of each succeeding year, the Company shall file with the Corporate Trustee a report for the preceding calendar year signed as in the case of an Officers' Certificate and setting forth in reasonable detail a description of the property sold, exchanged or otherwise disposed of during the preceding calendar year under subsection (b) of this Section 2, the cash or other consideration received by the Company in connection with each such sale, exchange or other disposition (showing separately, in the case of such other consideration, that which shall have become, and that which shall not have become, subject to the lien of the Mortgage), the total amount of consideration received during the preceding calendar year for property so sold, exchanged or otherwise disposed of, and the total amount thereof deposited with the trustee or mortgagee of any Prior Lien or Permitted Encumbrance as permitted by the provisions of Section 4 of this Article X.

Such report shall be accompanied by an Engineer's Certificate stating that the respective considerations received in all cases of sales, exchanges or other dispositions made under subsection (b) of this Section 2 represented the fair value to the Company of the property sold or otherwise disposed of and that in no case was the consideration received in any one sale or other disposition in excess of \$10,000 and stating the fair value to the Company of all such consideration other than cash.

(b) In the ordinary course of its business, sell, exchange or otherwise dispose of, free from the lien of the Mortgage, any Equipment which is no longer useful, any buildings, bridges, structures, industrial tracks, side tracks or yard tracks which it has been desirable in the conduct of its business to retire from use, and any land constituting abandoned right of way or station grounds, or industrial sites or other land (with or without improvements thereon) which is no longer useful to the Company, if the consideration received on any such sale or other disposition does not exceed \$10,000; provided that if the Company shall receive any cash or other consideration (other than property, which may but need not have a similar substitutional use, and which shall become subject to the lien of the Mortgage) on any such sale or other disposition, it shall from time to time, but at intervals of not more than 90 days, deposit with the Corporate Trustee, or with the trustee or mortgagee of any Prior Lien or Permitted Encumbrance as permitted by the provisions of Section 4 of this Article X, an amount in cash equal to the cash so received and the fair value to the Company, in the opinion of the Engineer, of such other consideration; and

SECTION 4. If, under the provisions of any Prior Lien or Permitted Encumbrance on any part of property to be released from the Mortgage, there is required to be made with or to the trustee or mortgagee under such lien a deposit of cash or pledge of purchase money obligations in order to obtain a release therefrom of such part of the property subject to the Mortgage, the Company shall not be required to deposit or pledge with the Corporate Trustee such cash or purchase money obligations to the extent that the Company shall deposit such cash and pledge such purchase money obligations with the trustee or mortgagee of such lien.

SECTION 7. Unless an Event of Default shall have occurred and be continuing, all moneys held by the Corporate Trustee under this Article X, at the option of the Company:

(a) May be withdrawn by the Company upon its written Application, accompanied by a Certified Resolution authorizing such Application, in an amount equal to the Cost of Additions and Betterments acquired or constructed after the date of the deposit of the moneys desired to be withdrawn, provided such Cost has not been Bonded; but only upon delivery to the Corporate Trustee of an Officers' Certificate, dated not more than 30 days prior to the delivery thereof, containing a description in reasonable detail of the property constituting the Additions and Betterments represented by such Cost and a statement of the amount of such Cost, that no part of such Cost has theretofore been Bonded, and that no Event of Default has occurred and is continuing. SECTION 6. In order to confirm, secure or clear (of record or otherwise) the prior right, charge, lien or title with respect to Equipment securing any Equipment Obligation hereafter created under reservation of right set forth in connection with the granting clauses of the Mortgage, the Trustees shall, upon compliance with the subsequent provisions of this Section 6, either confirm as to such Equipment the subordination of the lien of the Mortgage to such prior right, charge, lien or title, or release such Equipment from the lien of the Mortgage.

Prior to any such confirmation of subordination or release there shall be delivered to the Corporate Trustee a Certified Resolution requesting such action by the Trustees and an Officers' Certificate which shall describe the Equipment as to which a confirmation of subordination or a release is requested, shall describe the Equipment Obligation to be secured by a prior right, charge, lien or title thereon, shall state that such Equipment was acquired or constructed for the use of the Company within two years preceding the date of such Certificate, and shall state that none of said Equipment has theretofore been Bonded.

authorizing such Application, in an amount equal to 133 $\frac{1}{3}$ % of the principal amount of Bonds to the authentication and delivery of which the Company would then be entitled on account of the Net Cost of Additions and Betterments under the provisions of Section 3 of Article III. On any such Application the Company shall comply with all applicable provisions of Section 3 of Article III relating to the authentication and delivery of Bonds and the provisions of Section 10 of Article III, except that it shall not be required to comply with any of the provisions of subsection (g) of Section 3 of Article III or Section 10 of Article III other than subsections (d) (4) and (e) of said Section 10. Any withdrawal of cash under this paragraph shall be in lieu of the right of the Company to the authentication and delivery of Bonds on account of such Net Cost of Additions and Betterments.

(c) May be withdrawn by the Company upon its written Application in an amount not exceeding the principal amount or the cost (exclusive of interest) to the Company, whichever is less, of any Bonds (not theretofore Bonded, or acquired, retired, cancelled or paid through the operation of any sinking fund or analogous fund established pursuant to the Mortgage or pursuant to the General Mortgage), except Emergency Bonds, theretofore authenticated and delivered under the Mortgage, which shall have been cancelled or surrendered to the Corporate Trustee for cancellation, but only upon delivery to the Corporate Trustee of

(1) an Officers' Certificate describing the Bonds the cancellation or surrender for cancellation of which forms the basis for the proposed withdrawal of cash, stating the cost thereof (exclusive of interest) to the Company, and stating that said Bonds have theretofore been duly issued and outstanding and reacquired by the Company, that none of said Bonds has theretofore been Bonded, or acquired, retired, cancelled or paid through the operation of any

(d) May be applied, upon the written request of the Company, signed by its President or a Vice President, accompanied by a Certified Resolution authorizing such request, to the payment at maturity or to the redemption of Bonds then outstanding of any series (except Emergency Bonds) determined by said Resolution. Any such request of the Company for the application of moneys pursuant to this subsection (d) shall also be accompanied by any Officers' Certificate stating that no Event of Default has occurred and is continuing.

The Company covenants that whenever any redemption of Bonds shall be applied for under the provisions of subsection (d) of this Section 7, it will take all action necessary, or authorize the Corporate Trustee to take all action necessary, to redeem such Bonds at the earliest applicable redemption date, and will deposit with the Corporate Trustee on or before the date fixed for redemption additional moneys sufficient to pay the premium and all accrued and unpaid interest on the Bonds so to be redeemed to the date so fixed for redemption.

If and when the Company shall so request by Certified Resolution filed with the Corporate Trustee, provided no Event of Default shall have occurred and then be continuing, any moneys at the time held under this Article X by the Corporate Trustee shall be invested by it in such direct obligations of the United States of America maturing within two years as shall be specified in such Resolution. The Company covenants that upon demand by the Corporate Trustee it will replace all moneys lost through any investment made and liquidated as by this Section 7 contemplated, and will pay or reimburse the Corporate Trustee for all accrued interest, commissions and expense paid or incurred in connection with the acquisition and liquidation of such investment. The Corporate Trustee shall have the right and duty to receive all amounts paid on account of any investment made by it as hereby contemplated, including all interest payments, shall retain such interest payments pending liquidation of such investment, and after such liquidation shall retain so much of such interest payments as may be necessary to replace any loss of moneys suffered or to pay or reimburse itself for any accrued interest, commissions or expense paid or incurred in connection with the acquisition and liquidation of such investment and not replaced, paid or reimbursed by the Company as above provided, and shall pay over any balance of such interest payments to the Company.

SECTION 8. Nothing contained in the Mortgage shall prevent the Company from conveying all or any part of the mortgaged property, except Equipment and Securities, that shall at the time of conveyance be located in the State of Texas, to a corporation organized by the Company under the laws of the State of Texas for the purpose of acquiring, owning and operating the property so conveyed, if it shall become necessary, in the judgment of the Board of Directors, that the Company divest itself of such property in order to assure the continued operation of its lines of railroad located in said State; provided that all Securities issued by such corporation shall be acquired by the Company and pledged and deposited with the Corporate Trustee.

All Securities described and specified in the Officers' Certificate required by subsection (c) above shall be deemed to be Bonded.

The Company covenants that it will acquire upon issuance and forthwith upon acquisition will deposit and pledge with the Corporate Trustee all Securities thereafter issued by such Railroad Subsidiary, without prejudice to the Company's right to the authentication and delivery of Bonds for the purpose of acquiring such of said Securities as shall be Railroad Subsidiary Bonds, to the extent and upon the conditions provided in Section 6 of Article III, provided that the unretired physical property of such Railroad Subsidiary used as a basis for determining the amount of Bonds issuable under said Section 6 shall not include any property so conveyed by the Company to such Railroad Subsidiary.

SECTION 9. The Trustees shall not be required under any of the provisions of this Article X to release any part of the property subject to the lien of the Mortgage from the lien

SECTION 10. In no event shall any purchaser or purchasers of any part of the mortgaged property sold or disposed of under any provisions of this Article X be required to ascertain the authority of the Corporate Trustee or the Trustees, as the case may be, to execute any release, to see to the application of the purchase money or to inquire as to any facts required by the provisions hereof for the exercise of such authority.

SECTION 11. Notwithstanding any of the provisions of the Mortgage, the Trustees shall release, either before or after an Event of Default shall have occurred, the lien of the Mortgage as to any property or properties or part or parts thereof at any time subject thereto, and cause such property or properties to revert to the Company free and clear of such lien; provided, however, that, prior to the release of any such property under this Section 11, there shall have been delivered to the Corporate Trustee in each case:

(a) a request (evidenced as provided in Section 1 of Article XII) of the holders of not less than 75% in aggregate principal amount of all Outstanding Bonds, to release the property in question and the selection and designation by such holders of the independent railroad expert referred to in subsection (c) below; or

(a) Every such consolidation, merger, conveyance or lease shall be on such terms as shall fully preserve the lien and security of the Mortgage and the rights and powers of the Trustees and of the Bondholders hereunder;

(b) Any such lease shall be made expressly subject to immediate termination by the Trustees at any time upon the occurrence of an Event of Default and during the continuance thereof, and also by the purchaser of the property so leased upon any sale thereof whether such sale be made under the power of sale hereby conferred or under judicial proceedings;

(c) Upon any such consolidation, merger, conveyance or lease, the successor corporation or the lessee corporation, as the case may be, shall expressly assume the due and punctual payment of the principal of and interest on all of the Bonds according to their tenor and purport, and the due and punctual performance of all of the terms, covenants and conditions of the Mortgage required to be kept, preserved and performed by the Company; and

SECTION 12. Notwithstanding any of the provisions of the Mortgage, until the General Mortgage shall be satisfied or released, no release of property from the lien of the Mortgage, other than releases of property pursuant to Section 11 of this Article X, shall be effective unless such property shall have been, or shall at the same time be, released from the lien of the General Mortgage.

ceptions provided in Section 2 of this Article XI, shall expressly grant and convey to the Trustees, as further security for all Bonds issued hereunder, and shall subject to the lien of the Mortgage, all of its property and franchises then owned and which it may thereafter acquire of the character and kind which, under the terms of the Mortgage, are required to be subjected to the lien thereof, all as fully as though such consolidation, merger or sale had not taken place and such property and franchises had been acquired by the Company.

Compliance with the foregoing requirements of this Section 1 shall be evidenced by a supplemental indenture.

For the purposes of this Article XI, the term "conveyance" shall mean any sale, conveyance or transfer, the term "successor corporation" shall mean any corporation resulting from any such consolidation or merger or any corporation to which such conveyance shall be made, and the term "lessee corporation" shall mean any corporation to which any such lease shall be made.

The conditions contained in this Section 1 shall not be construed as requiring that in the event of any such consolidation, merger, conveyance or lease a separate income account shall thereafter be maintained in respect of the operation of the properties subject to the lien of the Mortgage, but in lieu thereof provisions may be made which shall be equitable and practical with respect to the apportionment of the revenues and expenses of any such successor or lessee corporation to establish a basis for the determination and application of Available Net Income as required under Article V or for the purpose of determining and applying funds to the payment of interest on any contingent interest bonds of the Company or for the purpose of determining the amount of payments required to be made into or out of the Capital

SECTION 2. In the event that under the provisions of Section 1 of this Article XI there shall be a consolidation or merger of the Company with or into, or a conveyance by the Company of all or substantially all of the mortgaged property to, a successor corporation, then the successor corporation shall if it shall have been a Railroad Subsidiary immediately prior thereto, and may but need not if it shall not have been a Railroad Subsidiary immediately prior thereto, make an express grant to the Trustees of its property and franchises as required by subsection (d) of Section 1 of this Article XI, and in the absence of such express grant by any such successor corporation (except a Railroad Subsidiary), the Mortgage shall not by reason of such consolidation, merger or conveyance constitute and become a lien upon, and the term "mortgaged property" as herein used shall not include or comprise:

(i) Any property or franchise which, prior to such consolidation, merger or conveyance, was owned by any corporation with or into which the Company or any successor corporation may be consolidated or merged or to which the Company or any successor corporation may make any such conveyance, or any property or franchises which theretofore may have been acquired

(5) all repairs, renewals, replacements, substitutions and alterations of, to, upon or for such property, rights and franchises;

(6) all property, rights and franchises thereafter acquired pursuant to any covenant herein contained which may be purchased, constructed or otherwise acquired by such successor corporation from and after the date of such consolidation, merger or conveyance, as the case may be; and

(7) all other property of every kind and description, whether real, personal or mixed, whether tangible or intangible, and whether consisting of present or future interests, thereafter constructed or acquired by such successor corporation which is appurtenant to or used in connection with any property acquired by the issuance of Bonds, General Mortgage Bonds or Prior Lien Bonds or acquired with cash then or at any time thereafter held by the Corporate Trustee or by the trustee under the General Mortgage or under any mortgage securing Prior Lien Bonds or acquired in exchange for property released from the lien of the Mortgage, the General Mortgage or any Prior Lien;

(ii) Any property or franchise which may be purchased, constructed or otherwise acquired by any successor corporation after the date of any such consolidation, merger or conveyance, excepting only the property, rights and franchises referred to in subsections (a) and (b) of this Section 2, which, as and when purchased, constructed, or otherwise acquired by such successor corporation, shall be and become subject to the lien of the Mortgage.

Any supplemental indenture provided for in Section 1 of this Article XI which, by reason of the provisions of this Section 2, is not required to contain an express grant by the successor corporation of all of its property and franchises pursuant to subsection (d) of said Section 1, shall contain:

(a) A grant by such successor corporation confirming the lien of the Mortgage upon the mortgaged property and subjecting to the lien and operation hereof, as fully as though such consolidation, merger or conveyance had not taken place and the same had been acquired or made by the Company:

(1) all property, rights and franchises thereafter constructed or acquired which shall be appurtenant or incident to any property that is subject to the lien of the Mortgage at the time of such consolidation, merger or conveyance;

(c) A covenant by such successor corporation to keep the mortgaged property, so far as practicable, readily identifiable, and a stipulation that the Trustees, by accepting or joining in such supplemental indenture, shall not be deemed impliedly to have waived any rights they would otherwise have had.

SECTION 3. Nothing contained in the Mortgage or in any Bond shall prevent the Company from merging into itself or acquiring by conveyance all or any part of the property of any other corporation; and the properties so acquired by the Company shall become subject to the lien of the Mortgage to the extent provided in the granting clauses of the Mortgage, subject only to such encumbrances and purchase money liens as shall exist or be created at the time of such merger or acquisition.

SECTION 4. In case the Company shall be consolidated with or merged into or shall make a conveyance to any other corporation as permitted and upon the terms provided in Section 1 of this Article XI, the successor corporation, upon executing and delivering to the Trustees, and causing to be recorded, the supplemental indenture provided for in Section 1 of this Article XI, shall succeed to and be substituted for the Company with the same force and effect as if it had been named in and had executed the Mortgage as the party of the first part hereto, and shall have and possess and may exercise,

SECTION 5. All Bonds issued by any successor corporation shall have the same legal rank and security in all respects as the Bonds theretofore issued by the Company in accordance with the terms of the Mortgage. In case of any such consolidation, merger or conveyance such changes in phraseology and form (but not in substance) may be made in the Bonds and coupons thereafter to be issued as may be appropriate to reflect any such consolidation, merger or conveyance.

SECTION 6. For every purpose of the Mortgage, any act or proceeding by any provision of the Mortgage authorized, required or permitted to be done or performed by the stockholders or by any board or officer of the Company shall and may be done and performed, with like force and effect, by the stockholders or by the like board or officer of any successor corporation, subject, however, to the provisions of Section 4 of this Article XI.

SECTION 1. Whenever any action is taken by the Bondholders in the exercise of any or all of the following powers:

- (a) To terminate, either before or after an Event of Default shall have occurred, the lien of the Mortgage as to any property or properties or part or parts thereof at any time subject thereto and cause the same to revert to the Company free and clear of such lien upon such conditions as such holders may direct pursuant to the provisions of Section 11 of Article X;
- (b) To remove either Trustee and appoint a successor trustee pursuant to the provisions of Article XIV;
- (c) To give any notice to the Company or to the Trustees, or to give any directions to the Trustees, or to consent to the waiving of any default hereunder and its consequences, or to take any other action authorized to be taken by Bondholders pursuant to any of the provisions of Article XV;
- (d) To consent to an extension to any fixed or determinable date of the time or times of payment of the principal of, or the time or times of payment of any Fixed Interest on, all of the Bonds of any or all series which at the time shall be outstanding, subject, however, to the provisions of Section 3 of Article XVIII;
- (e) To consent to the execution of an indenture or indentures supplemental hereto pursuant to the provisions of Section 2 of Article XVIII; or
- (f) To take any other action or give any other consent authorized to be taken or given by or on behalf of the holders of any specified percentage or portion of the aggregate principal amount of the Bonds under any other provision of the Mortgage or under applicable law or, if no percentage is specified, by the holders of not less than a majority in principal amount of all Outstanding Bonds;

Article XII Sections 1 and 2

the fact that at the time of taking any such action the holders of a specified percentage in aggregate principal amount of Bonds have joined therein may be evidenced (i) by an instrument or any number of instruments of similar tenor executed by such holders in person or by agent or proxy appointed in writing, or (ii) by the record of the holders of Bonds voting in favor thereof in person or by agent or proxy appointed in writing at any meeting of Bondholders duly called and held in accordance with the provisions of Article XIII hereof, or (iii) by a combination of such instrument or instruments and any such record of such a meeting of Bondholders.

SECTION 2. Proof of the execution of any instrument by the holder of any Bond or his agent or proxy, and proof of the holding by any person of any Bond, shall be sufficient if made in the following manner:

- (a) The fact and date of the execution by any such person of any instrument may be proved by the certificate of any notary public or other officer authorized to take acknowledgments of deeds in the jurisdiction in which he purports to act that the person executing such instrument acknowledged to him the execution thereof, or by an affidavit of a witness to such execution sworn to before any such notary or other such officer;
- (b) The fact of the holding by any person of coupon Bonds transferable by delivery, and the amounts and distinctive numbers of such Bonds and the date of his holding the same, may be proved by the production of the Bonds or by a certificate executed by any trust company, bank or banker satisfactory to the Corporate Trustee wherever situated, if such certificate shall be deemed by the Corporate Trustee to be satisfactory. Each such certificate shall be dated and shall state that on the date thereof a Bond bearing a specified serial number was deposited with or exhibited to such trust company, bank or banker by the person named in such certificate who claimed to be the owner of such Bond. Any such certifi-

cate may be issued in respect of one or more Bonds specified therein. The holding by the person named in any such certificate of any Bond specified therein shall be presumed to continue after the date thereof set forth in such certificate until and unless (i) there shall be produced another certificate issued in respect of the same Bond showing the holding thereof by another person at a later date, or (ii) the Bond specified in such certificate (or coupon Bond or Bonds in exchange for which such Bond shall have been surrendered) shall be produced by another person, or (iii) the Bond specified in such certificate shall then be registered as to principal in the name of another person or shall have been surrendered in exchange for a registered Bond without coupons issued in the name of another person; and

(c) The ownership of coupon Bonds registered as to principal or of registered Bonds without coupons shall be proved by the registers of such Bonds, or by a certificate of the registrar thereof.

The Corporate Trustee may require such additional proof of any matter referred to in this Section 2 as it shall deem necessary.

The record of any meeting of Bondholders shall be proved in the manner provided in Section 6 of Article XIII.

SECTION 3. The Company, the Corporate Trustee, any paying agent and any bond registrar may deem and treat the bearer of any coupon Bond which shall not at the time be registered as to principal, and the bearer of any coupon for interest (whether fixed or contingent) on any Bond whether such Bond shall be registered as to principal or not, as the absolute owner of such Bond or coupon, as the case may be (whether or not such Bond or coupon shall have become due and payable), for the purpose of receiving payment thereof and for all other purposes; and neither the Company nor the Corporate Trustee nor any paying agent nor any bond registrar shall be bound by any notice to the contrary.

other action except as to Bonds which the Trustees know to be so owned. Bonds so owned which have been pledged in good faith may be regarded as outstanding for the purpose of such determination if the pledgee shall establish to the satisfaction of the Corporate Trustee the pledgee's right to vote such Bonds and that the pledgee is not a person, firm or corporation directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any other obligor on the Bonds. In case of a dispute as to such right, any decision by the Corporate Trustee taken on the advice of counsel shall be full protection to the Trustees.

For the purpose of this Section 4, the terms "control," "controlling" and "controlled" shall mean the right to vote a majority of the outstanding shares of capital stock having the right to elect a majority of the board of directors.

SECTION 5. At any time prior to (but not after) the taking of any action by the holders of a specified percentage in aggregate principal amount of the Bonds specified in the Mortgage in connection with such action, any holder of a Bond the serial number of which is shown to be included in the Bonds the holders of which have consented to join in such action, by filing written notice with the Corporate Trustee at its principal office and upon proof of holding as provided in Section 2 of this Article XII, may revoke such consent so far as concerns such Bond. Except as aforesaid any such action taken by the holder of any Bond shall be conclusive and binding upon such holder and upon all future holders of such Bond, irrespective of whether or not any notation of such consent is made upon such Bond, and in any event any action taken pursuant to the Mortgage by the holders of the percentage in aggregate principal amount of the Bonds specified in the Mortgage in connection with such action shall be conclusively binding upon the Company, the Trustees and the holders of all Bonds.

The Company, the Corporate Trustee, any paying agent and any bond registrar may deem and treat the person in whose name any registered Bond without coupons shall be registered at any given time upon the books of the Company as the absolute owner of such Bond at that time (whether or not the same shall have become due and payable) for the purpose of receiving any payment then being made of or on account of the principal, premium if any, or interest on such Bond and for all other purposes; and may deem and treat the person in whose name any coupon Bond shall be registered as to principal at any given time as the absolute owner thereof at that time (whether or not the same shall have become due and payable) for the purpose of receiving payment of or on account of the principal of, or premium if any, on such Bond, and for all other purposes except to receive payment of any interest represented by outstanding coupons; and neither the Company nor the Corporate Trustee nor any paying agent nor any bond registrar shall be bound by any notice to the contrary. All such payments so made to any such registered holder for the time being, or upon his order, shall be valid, and, to the extent of the sum or sums so paid, effectual to satisfy and discharge the liability for moneys payable upon any such Bond.

SECTION 4. In determining whether the holders of the requisite aggregate principal amount of Bonds have concurred in any demand, request, notice, consent or other action under the Mortgage, Bonds which are owned by the Company or any other obligor on the Bonds or by any person, firm or corporation directly or indirectly controlling or controlled by or under direct or indirect common control with the Company or any other such obligor, shall be disregarded and deemed not to be outstanding for the purpose of any such determination, provided that the Trustees shall be protected in relying on any such demand, request, notice, consent or

BONDHOLDERS' MEETINGS

SECTION 1. The Corporate Trustee may at any time call a meeting of Bondholders to take any action specified in Section 1 of Article XII, to be held at such time and at such place as the Corporate Trustee shall determine. Notice of every meeting of Bondholders, setting forth the time and place of such meeting and the action proposed to be taken at such meeting, shall be published at least once each week, for four successive weeks, in a Daily Newspaper in the City of Chicago, State of Illinois, and in a Daily Newspaper in the Borough of Manhattan, City and State of New York, the first publication in any such newspaper to be not less than 30 days nor more than 60 days prior to the date fixed for the meeting. A copy of such notice shall be mailed at least 30 days prior to the date fixed for the meeting to the registered holders of registered Bonds without coupons and of coupon Bonds registered as to principal at their last addresses as they shall appear upon the bond registry books, but neither failure to give such notice by mail nor any defect therein shall affect the validity of such meeting.

SECTION 2. In case at any time the Company pursuant to a resolution of its Board of Directors, or the holders of at least 10% in aggregate principal amount of the Outstanding Bonds, shall have requested the Corporate Trustee to call a meeting of Bondholders, by written request setting forth in reasonable detail the action proposed to be taken at the meeting, and the Corporate Trustee shall not have made the first publication of the notice of such meeting within 20 days after receipt of such request, then the Company or the holders of Outstanding Bonds in the amount above specified may determine the time and place for such meeting and may call such meeting to take any action authorized in Section 1

SECTION 3. To be entitled to vote at any meeting of Bondholders a person shall be (a) a holder of coupon Bonds transferable by delivery, or (b) a registered holder of Bonds (whether the same be fully registered or registered only as to principal), or (c) a person appointed by an instrument in writing as proxy for a holder of coupon Bonds transferable by delivery or for a registered holder of Bonds (whether the same be fully registered or registered only as to principal). The only persons who shall be entitled to speak at any meeting of Bondholders shall be the persons entitled to vote at such meeting and their counsel and any representatives of the Trustees and their counsel and any representatives of the Company and its counsel.

SECTION 4. Notwithstanding any other provisions of the Mortgage, the Corporate Trustee may make such reasonable regulations as it may deem advisable for any meeting of Bondholders, in regard to proof of the appointment of proxies, and in regard to the appointment and duties of inspectors of votes, the submission and examination of proxies, certificates and other evidences of the right to vote, and such other matters concerning the conduct of the meeting as it shall deem advisable. Except as otherwise permitted or required by any such regulations, the appointment of any proxy shall be proved in the manner specified in Section 2 of Article XII.

The Corporate Trustee shall, by an instrument in writing, appoint a temporary chairman of the meeting, unless the meeting shall have been called by the Company or by Bondholders as provided in Section 2 of this Article XIII, in which case the Company or the Bondholders calling the meeting, as the case may be, shall in like manner appoint a temporary

A record in duplicate of the proceedings of each meeting of Bondholders shall be prepared by the secretary of the meeting and there shall be attached to said record the original reports of the inspectors of votes cast on any vote by ballot taken thereat and affidavits by one or more persons having knowledge of the facts setting forth a copy of the notice of the meeting and showing that said notice was published as provided in Section 1 of this Article XIII. The record shall show the serial numbers of the Bonds voted for or against any proposal submitted at the meeting. The record shall be signed and verified by the permanent chairman and secretary of the meeting and one of the duplicates shall be delivered to the Company and the other to the Corporate Trustee to be preserved by the Corporate Trustee. Any record so signed and verified shall be conclusive evidence of the matters therein stated.

SECTION 7. Nothing in this Article XIII contained shall be deemed or construed to authorize or permit, by reason of any call of a meeting of Bondholders or any rights expressly or impliedly conferred hereunder to make such call, any hindrance or delay in the exercise of any right or rights conferred upon or reserved to the Trustees or to the Bondholders under any of the provisions of the Mortgage or of the Bonds.

chairman. A permanent chairman and a permanent secretary of the meeting shall be elected by vote of the holders of a majority in principal amount of Bonds the holders of which shall be present or represented and entitled to vote at the meeting.

Subject to the provisions of Section 4 of Article XII, at any meeting each Bondholder or proxy shall be entitled to one vote for each and every unit of the lowest principal amount of any of the Bonds then outstanding, in respect of which he is entitled to vote at the meeting; provided, however, that no vote shall be cast or counted at any meeting in respect of any Bond challenged as not outstanding and ruled by the chairman of the meeting to be not an Outstanding Bond. The chairman of the meeting shall have no right to vote other than by virtue of Outstanding Bonds held by him or instruments in writing as aforesaid duly designating him as the person to vote on behalf of other Bondholders.

SECTION 5. Any meeting of the Bondholders may be adjourned from time to time as and when, and to such time and place, as may be approved by a majority of the votes which the holders of Bonds at the time present or represented may be entitled to cast, irrespective of the aggregate principal amount of Bonds held by such holders; and the meeting may be held as so adjourned without further notice.

ARTICLE XIV

CONCERNING THE TRUSTEES

SECTION 1. The Trustees accept the trusts hereby created upon the terms and conditions in this Article XIV specified, to all of which the Company and the holders of the Bonds and coupons at any time outstanding, by their acceptance thereof, agree.

Whenever and so long as an Event of Default has occurred and is continuing, the Trustees shall exercise such of the powers vested in them by the Mortgage, or take such other action with respect to such default, as in their judgment is necessary or desirable for the protection of the interests of the holders of Bonds issued hereunder.

No provision of the Mortgage shall be construed to relieve the Trustees from liability for their own negligent action, their own negligent failure to act, or their own willful misconduct, except that:

(a) Prior to the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred,

(1) the duties and obligations of the Trustees shall be determined solely by the express provisions of the Mortgage, and the Trustees shall not be liable except for the performance of such duties and obligations as are specifically set forth in the Mortgage, and no implied covenants or obligations shall be read into the Mortgage against the Trustees; and

(2) in the absence of bad faith on the part of the Trustees, the Trustees may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon any certificates, statements, reports or opinions furnished to the Corporate Trustee; but in the case of any such certificates, statements, reports or opinions which by any

provision hereof are specifically required to be furnished to the Corporate Trustee, the Corporate Trustee shall be under a duty to examine the same to determine whether or not they conform to the requirements of the Mortgage.

(b) The Trustees shall not be liable for any error of judgment made in good faith by a responsible officer of the Corporate Trustee, if such officer shall have been selected and continued in office in the exercise of due care, unless it shall be proved that the Trustees were negligent in ascertaining the pertinent facts.

(c) The Trustees shall not be liable with respect to any action taken or omitted to be taken by them in good faith in accordance with the direction of the holders of not less than a majority in principal amount (or such other percentage of the principal amount specifically prescribed by the Mortgage for a particular action) of the Outstanding Bonds relating to the time, method and place of conducting any proceeding for any remedy available to the Trustees, or exercising any trust or power conferred upon the Trustees under the Mortgage.

(d) In the case of any action to be taken or suffered by the Trustees, wherein the Mortgage specifically authorizes such action notwithstanding the continuance of an Event of Default, the Trustees may rely on certificates and opinions furnished to the Corporate Trustee, but shall be under the same duty to examine the same to determine whether or not they conform to the requirements of the Mortgage as though an Event of Default had not occurred and been continuing.

The Trustees may rely and shall be protected in acting upon any Certified Resolution, certificate, statement, instrument, opinion, report, notice, request, consent, order, direction, bond, coupon or other paper or document delivered to the Corporate Trustee pursuant to any provision of the Mortgage and believed by it to be genuine and to have been signed or presented by the proper party or parties.

SECTION 3. Should any taxes or other governmental charges be imposed upon the Trustees, or either of them, in their capacity as Trustees hereunder, which they may be required to pay under any present or future law of the United States of America or of any other authority therein having jurisdiction, the Trustees shall be reimbursed and indemnified therefor by the Company, and any liability incurred or amounts paid by the Trustees in respect of any such taxes or other governmental charges, until paid, shall constitute a lien upon the mortgaged property prior to any claim of the holders of Bonds, except as to funds held in trust for the benefit of the holders of particular Bonds or coupons.

SECTION 4. Except as herein otherwise provided, any notice or demand which by any provision of the Mortgage is required or permitted to be given or served by the Trustees or any other person on the Company, shall be deemed to have been sufficiently given and served for all purposes by being deposited, postage prepaid, in a United States Post Office letter box or mail chute, addressed (until another address is filed by the Company with the Corporate Trustee and thereafter if addressed to such new address) as follows: Chicago, Rock Island and Pacific Railroad Company, Chicago, Illinois. Any notice, request or demand by any Bondholder to or upon the Trustees, or either of them, shall be deemed to have been sufficiently given or made, for all purposes, if given or made at the principal office of the Corporate Trustee.

Any request, direction, order or demand of the Company mentioned herein shall be sufficiently evidenced by an instrument signed in the name of the Company by the President or a Vice President and the Secretary or an Assistant Secretary, unless other evidence in respect thereof be herein specifically prescribed.

The Trustees may consult with counsel and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by them, or either of them, hereunder in good faith and in accordance with the opinion of such counsel.

The Trustees shall be under no obligation to exercise any of the trusts or powers hereof at the request, order or direction of any of the Bondholders, pursuant to the provisions of the Mortgage, unless such Bondholders shall have offered to the Trustees reasonable security or indemnity against the costs, expenses and liabilities which may be incurred therein or thereby.

The Trustees shall not be personally liable in case of entry by them upon the mortgaged property for debts contracted or liability or damages incurred in the management or operation of said property.

The Trustees shall not be liable for any action taken by them in good faith and believed by them, in the exercise of due care, to be authorized or within the discretion or power conferred upon them by the Mortgage.

SECTION 2. None of the provisions contained in the Mortgage shall require the Trustees to expend or risk their own funds or otherwise incur personal financial liability in the performance of any of their duties or in the exercise of any of their rights or powers; but the Corporate Trustee, in its sole discretion and in order to preserve the mortgaged prop-

SECTION 5. The Trustees shall not be bound to recognize any person as the holder of a Bond outstanding hereunder unless and until the Bond is submitted to the Corporate Trustee for inspection if required, and the title thereto established to the satisfaction of the Corporate Trustee.

Except as provided in Section 7 of Article X, the Corporate Trustee shall be under no duty to invest any moneys paid to or deposited with it or to its credit pursuant to any of the provisions of the Mortgage, and shall not be liable for interest on any moneys during the period such moneys remain on deposit with it, except such interest as the Corporate Trustee may agree with the Company to pay.

Any action at any time taken by the Trustees, or either of them, pursuant to or with respect to the Mortgage at the request or with the consent or approval (express or implied) of any person who at the time is the holder of any Bond secured hereby, shall be conclusive and binding upon all future holders of such Bond.

All rights of action under the Mortgage may be enforced by the Trustees without the possession of any of the Bonds or the production thereof on the trial or other proceedings relative thereto.

SECTION 6. The recitals contained herein and in the Bonds (except as contained in the Corporate Trustee's certificate of authentication endorsed on the Bonds) shall be taken as the statements of the Company, and the Trustees assume no responsibility for the correctness of the same. The Trustees make no representations as to the value of the mortgaged property, or as to the title of the Company thereto, or as to the validity or sufficiency of the Mortgage or of the Bonds or coupons. SECTION 7. Either of the Trustees or any paying agent or bond registrar, in his or its individual or any other capacity, may become the owner or pledgee of Bonds or coupons with the same rights as if he or it were not such Trustee, paying agent or bond registrar.

SECTION 8. Subject to the provisions of Section 4 of Article XVII, all cash received by the Corporate Trustee hereunder, until used or applied as herein provided, and all cash received by the Corporate Trustee as paying agent in respect of the Bonds of any series, shall be held in trust for the purposes for which it was received, but need not be segregated from other funds except to the extent required by law. So long as no Event of Default shall have occurred and be continuing, any interest allowed on any such cash shall be paid from time to time to or upon the written order of the Company, signed by its President or any Vice President.

SECTION 9. The Company covenants and agrees to pay to the Trustees from time to time, and the Trustees shall be entitled to receive, reasonable compensation (which shall not be limited by the statutes of any state relating to the compensation of a trustee of an express trust), and the Company will pay or reimburse the Trustees upon their request for all reasonable expenses, disbursements and advances incurred or made by them in accordance with any of the provisions of the Mortgage (including the reasonable compensation and the expenses and disbursements of their counsel and of all persons not regularly in their employ) except any such expense, disbursement and advance as may arise from negligence or bad faith of the Trustees, or either of them. The Company also covenants to indemnify the Trustees for, and to hold them harmless against, any loss, liability or expense incurred without negligence or bad faith on the part of the Trustees, arising out of or in connection with the acceptance or administra-

In case any of the Bonds shall have been authenticated but not delivered, any such successor trustee may adopt the certificate of authentication of The First National Bank of Chicago, or of any successor to it, as Corporate Trustee hereunder, and deliver the same so authenticated; and in case any of the Bonds shall not have been authenticated, any such successor trustee may authenticate such Bonds either in the name of any predecessor trustee or in its own name as such successor trustee, and in all such cases such certificate shall have the same full force which it is anywhere in the Bonds or the Mortgage provided that the certificate of the Corporate Trustee shall have; provided, however, that the right to authenticate Bonds in the name of The First National Bank of Chicago shall extend only to its successor by merger, conversion or consolidation.

SECTION 12. Either of the Trustees or any successor trustee may at any time resign and be discharged from the trusts hereby created by giving to the Company written notice of such resignation and specifying a date upon which such resignation shall take effect. The obligations of the Company under this Section 9 to compensate and indemnify the Trustees and to pay or reimburse them for expenses, disbursements and advances shall constitute additional indebtedness hereunder and shall be secured by the lien hereof prior to the claims of the holders of Bonds upon the mortgaged property, except as to funds held in trust for the benefit of the holders of particular Bonds or coupons.

SECTION 10. Whenever in the administration of the trusts created by the Mortgage the Trustees shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of bad faith on the part of the Trustees, be deemed to be conclusively proved and established by an Officers' Certificate delivered to the Corporate Trustee, and such Certificate shall be full warrant to the Trustees for any action taken, suffered or omitted by them under the provisions of the Mortgage upon the faith thereof.

Section 13

204

If in a proper case no appointment of a successor trustee shall be made by the holders of Outstanding Bonds pursuant to the foregoing provisions of this Section 13 within six months after the happening of any of the events set forth in the first paragraph of this Section 13, the holder of any Bond outstanding hereunder or any retiring trustee hereunder may apply to any court of competent jurisdiction to appoint a successor trustee. Said court may thereupon, after such notice, if any, as said court may deem proper and prescribe, appoint a successor trustee. Any trustee appointed by the Company shall, immediately and without further act, be superseded by a trustee appointed by any such court in the manner above provided, if such appointment by such court be made within 18 months after the first publication of the notice of the appointment of the new trustee by the Company. If application shall be made to any such court within such 18 months' period in this paragraph provided, the holders of Outstanding Bonds shall have no power to appoint a trustee as in this Section 13 provided unless such application shall be dismissed within one year after the first publication of the notice of the appointment of a new trustee by the Company.

Any successor trustee appointed hereunder shall execute, acknowledge and deliver to the predecessor trustee hereunder and to the Company an instrument in writing accepting such appointment hereunder, and thereupon said successor trustee, without any further act, deed or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor in trust hereunder, with like effect as if originally named as trustee herein; but the retiring trustee, nevertheless, on the written request of the Company or of the successor trustee, and upon payment of its unpaid compensation and expenses, if any, shall

from time to time in writing by the Corporate Trustee. Any such request in writing by the Corporate Trustee to the Individual Trustee shall be sufficient warrant for the Individual Trustee to take any action so requested and full protection for any action taken in accordance with such request.

Except as provided in the preceding paragraph of this Section 14, the Corporate Trustee shall solely and exclusively have and exercise all the powers, and be charged with the performance of all duties, herein declared to be had and exercised or performed on the part of the Trustees. The Individual Trustee may delegate to the Corporate Trustee the exercise of any power, discretionary or otherwise, conferred by any of the provisions of the Mortgage, except in so far as the Corporate Trustee may not lawfully have and exercise any particular power under the laws of Missouri. In case the Individual Trustee shall die, become incapable of acting, resign or be removed, all of the estates, properties, rights, powers, trusts, duties and obligations of the Individual Trustee hereunder shall, so far as permitted by law, vest in and be exercised by the Corporate Trustee unless and until there shall be appointed a successor to the Individual Trustee.

SECTION 15. If at any time or times it shall be necessary or prudent in order to conform to any legal requirement, or the Corporate Trustee shall be advised by counsel satisfactory to it that it is so necessary or prudent in the interest of the Bondholders, or if the holders of a majority in principal amount of the Bonds shall in writing so request the Corporate Trustee or the Company, the Trustees and the Company shall execute and deliver all instruments and agreements necessary or proper to appoint another bank or trust company or one or more persons approved by the Corporate Trustee and the Company, either to act hereunder as co-trustee or co-trus-

tees with respect to all or any of the property subject to the lien of the Mortgage, jointly with the Trustees, or to act hereunder as separate trustee or trustees with respect to any such property, with such power and authority and for such term as may be necessary or prudent for such purpose and as shall be specified in the instrument of appointment. In the event the Company shall not have joined in the execution of such instruments and agreements within 30 days after the receipt of a written request from the Corporate Trustee so to do, or in case an Event of Default shall have occurred and be continuing, the Trustees may act under the foregoing provision of this Section 15 without the concurrence of the Company; and the Company hereby fully empowers the Trustees so to act and appoints the Trustees its agents and attorneys to act for it under the foregoing provision of this Section 15 in either of such contingencies.

SECTION 16. The Corporate Trustee is hereby appointed (and the successive holders of the Bonds, by taking and holding the same, shall conclusively be deemed to have so appointed the Corporate Trustee) the true and lawful attorney-in-fact of the respective holders of the Bonds, with authority to make or file, irrespective of whether the Bonds or any of them are in default as to payment of principal or interest, in the respective names of the holders of the Bonds and coupons or in behalf of all holders of the Bonds and coupons as a class, any proof of debt, amendment to any proof of debt, petition or other document, and to execute any and all other papers and documents and do and perform any and all other acts and things for and in behalf of the respective holders of the Bonds and coupons, or in behalf of all holders of the Bonds and coupons as a class, as may be necessary or advisable in the opinion of the Corporate Trustee in order to have the claims of the holders of the Bonds and coupons against the

Company, or any successor, or any other person or corporation allowed and paid in any equity receivership, insolvency, liquidation, bankruptcy, reorganization or other proceedings which shall involve the Company or the mortgaged property or any part thereof, and to receive payment of or on account of any such claim or claims; and any receiver, assignee or trustee in any such proceedings is hereby authorized by each of the Bondholders to make such payments to the Corporate Trustee. The appointment made and authority granted by this Section 16 may be revoked by any holder of Bonds or coupons with respect to Bonds or coupons held by him at any time after institution of any such proceeding, by delivering notice of such revocation to the Corporate Trustee and filing a copy thereof in such proceeding. Nothing herein contained shall give the Corporate Trustee authority to assent to or reject on behalf of any holder of Bonds and coupons any plan of reorganization, plan of adjustment, or similar plan, proposed or approved in any such proceeding.

REMEDIES OF TRUSTEES AND BONDHOLDERS

SECTION 1. Except as provided in Section 3 of Article XVIII, the Company will not, directly or indirectly, extend or assent to the extension of the time for the payment of any coupon or claim for interest on any of the Bonds, and it will not, directly or indirectly, be a party to or approve any such arrangement by purchasing or refunding said coupons or claims for interest or in any other manner; and if the time for payment of any such coupon or claim for interest shall be so extended with the consent of the Company, such coupon or claim for interest shall not be entitled, in case of default hereunder, to the benefit of the security of the Mortgage, except subject to the prior payment in full of the principal of all Outstanding Bonds and all coupons and claims for interest thereon the payment of which shall not have been so extended; provided, that the foregoing provisions of this Section 1 shall not be applicable to any coupon or claim for interest the time for the payment of which shall have been extended, if such extension was made pursuant to a plan proposed by the Company to all holders of any one or more series of Bonds. If, at or after the maturity of Bonds, any coupons or claims for interest in respect of such Bonds shall be owned by the Company, or shall be purchased by it or on its behalf, then such matured coupons or claims for interest shall not be entitled to the benefit or security of the Mortgage, and the Company covenants that all such matured coupons and claims for interest shall be cancelled promptly upon such maturity if then owned by the Company or upon their purchase if purchased by or on behalf of the Company at or after such maturity.

SECTION 2. If one or more of the following events, herein called Events of Default, shall occur, that is to say:

Article XV
Section 2

210

(a) Default shall be made in the payment of any installment of Fixed Interest on any of the Outstanding Bonds when and as such interest shall become due and such default shall continue for 90 days; or

(b) Default shall be made in the payment of any installment of Contingent Interest on any of the Outstanding Bonds when and as such interest shall become due and payable as therein and in the Mortgage expressed and such default shall continue for 30 days; or

(c) Default shall be made in the payment of the principal of any of the Outstanding Bonds, or the premium thereon payable on redemption thereof, when the same shall become due and payable either by the terms thereof or otherwise as herein provided; or

(d) Default shall be made in the payment of any installment of any sinking fund with respect to any Outstanding Bonds when and as the same shall become due and payable as therein and in the Mortgage expressed, and such default shall continue for 90 days; or

(e) Default shall be made in the observance or performance of any other of the covenants, conditions or agreements on the part of the Company, its successors or assigns, contained in the Bonds or in the Mortgage, and such default shall continue for 60 days (or in case of any default under a supplemental indenture for such other time, if any, as may be specified therein) after written notice specifying such default and requiring the same to be remedied shall have been given to the Company by the Corporate Trustee, which notice may be given by the Corporate Trustee in its discretion, and shall be given on the written request of the holders of 25% in principal amount of the then Outstanding Bonds; or

(f) A decree or order by a court having jurisdiction in the premises shall have been entered adjudging the Company a bankrupt or insolvent, or approving as properly filed a petition seeking reorganization of the Company under the Bankruptcy Act or any other state or fed-

(g) The Company shall institute proceedings to be adjudged a voluntary bankrupt, or shall consent to the filing of a bankruptcy proceeding against it, or shall file a petition or answer or consent seeking reorganization or readjustment under the Bankruptcy Act or any other state or federal law, or otherwise invoke any law for the aid of debtors, or shall consent to the filing of any such petition, or shall consent to the appointment of a receiver or liquidator or trustee in bankruptcy or insolvency of it or of its property or any substantial portion of its property, or shall make an assignment for the benefit of creditors, or shall admit in writing its inability to pay its debts generally as they become due, or corporate action shall be taken by the Company in furtherance of any of the aforesaid purposes;

then, and in each and every such case, the Trustees personally or by their agents or attorneys, to the extent permitted by law, may, but shall not be obligated to, enter into and upon all or any part of the mortgaged property, and each and every part thereof, and may exclude the Company, its agents and servants wholly therefrom; and having and holding the same may use, operate, manage and control the mortgaged property or any part thereof, and conduct the business of the Company, either personally or by the Company's superintendents, managers, agents, servants, attorneys, receivers or trustees, in such manner as the Trustees may deem to

all attorneys, counsel, agents, clerks, servants and other employees by them properly engaged and employed, the Trustees shall apply the balance of the moneys derived from the operation and management of the mortgaged property and business as follows:

(i) If the principal of none of the Outstanding Bonds shall have become due and be unpaid, to the payment of the interest on the Outstanding Bonds, in the order of the maturity of the installments of such interest, such payments to be made proportionately to the persons entitled thereto without discrimination or preference.

(ii) If the principal of all or any part of the Bonds shall have become due, by declaration or otherwise, and shall be unpaid, *first* to the payment of interest accrued on the Outstanding Bonds prior to the date upon which the principal of said Bonds became due and payable, in the order of the maturity of the installments of such interest, and *second* to the payment of interest on the overdue principal of said Bonds at the highest rate of interest borne by any of the Outstanding Bonds, and *third* (subject to the provisions of Section 4 of this Article XV) to the payment of the principal of all of said Bonds, whether due or not; in every instance such payments to be made proportionately to the persons entitled thereto without discrimination or preference.

These provisions, however, are not intended to and shall not be deemed in any wise to modify the provisions of Section 1 of this Article XV but are subject thereto.

SECTION 3. If the Trustees, under the powers in the Mortgage granted, or a receiver or any trustee appointed under the provisions of the Bankruptcy Act, or any other state or federal law, shall have entered into possession of the mortgaged property, or a part thereof, or one or more Events of Default shall have occurred and be continuing, the Corporate Trustee (to the extent permitted by law) shall be entitled to

Upon every such entry the Trustees, at the expense of the mortgaged property, from time to time, either by purchase, repair or construction, may maintain and restore the rolling stock, tools and machinery and other property, buildings, bridges and structures erected upon or provided for use in connection with the railways and other premises whereof they shall become possessed as aforesaid, and may insure or keep insured such of the same as are usually insured by railway companies and in the same manner and to the same extent; and likewise from time to time, at the expense of the mortgaged property, may make all necessary or proper repairs, renewals and replacements and useful alterations, additions, betterments and improvements to and on the mortgaged property, and purchase or otherwise secure the use of additional rolling stock, tools, machinery and other property for use thereon, as to them may seem judicious. The Trustees shall further have the right to manage the mortgaged property and to carry on the business and exercise all rights and powers of the Company with respect thereto, either in the name of the Company or otherwise, as the Trustees shall deem best; and shall be entitled to collect and receive all rates, fares, tolls, earnings, incomes, rents, issues, revenues and profits of the same and every part thereof, including the income from stock, bonds or other obligations subject to the Mortgage. After deducting the expenses of operating said railways and other premises, and of conducting the business thereof, and of all repairs, maintenance, renewals, replacements, alterations, additions, betterments and improvements, and all payments which may be made for taxes, assessments, insurance and prior or other proper charges upon the mortgaged property, or any part thereof, as well as just and reasonable compensation for their own services and for the services of

SECTION 4. In case one or more Events of Default shall have occurred and be continuing, then in each and every such case, unless the principal of all the Outstanding Bonds already shall have become due and payable, the Trustees may, and upon the written request of the holders of 25% in principal amount of the Outstanding Bonds shall, by notice in writing mailed to the Company, declare the principal of all Bonds to be forthwith due and payable, and upon any such declaration the same shall become and be forthwith due and payable, together with all accumulations of unpaid interest, if any, notwithstanding the date of maturity thereof, as stated in such Bonds or in the coupons, if any, pertaining thereto, or in the Mortgage. This provision, however, is subject to the condition that, if at any time after the principal of the Bonds shall have been so declared due and payable and before any judgment or decree for the payment of the moneys due shall have been obtained or entered as hereinafter provided or any sale of the mortgaged property or any part thereof shall have been made, all unpaid inter-

est upon all Outstanding Bonds, and the principal (and premium, if any) of any Outstanding Bonds which shall have become due otherwise than by acceleration under this Section 4, and the reasonable charges and expenses of the Trustees, their agents and attorneys, shall either be paid by the Company or be collected out of the income of the mortgaged property, or be provided for by the deposit with the Corporate Trustee of a sum sufficient to pay the same, and all other defaults made good to the satisfaction of the Trustees, then and in every such case the holders of two-thirds in principal amount of the Outstanding Bonds, by written notice to the Company and to the Trustees, may waive such default or defaults and its or their consequences and annul such declaration of the maturity of the Bonds, but no such waiver or annulment shall extend to or affect any subsequent default or impair any right consequent thereon.

In case the Trustees shall have proceeded to enforce any right under the Mortgage, by foreclosure, entry or otherwise, and such proceedings shall have been discontinued or abandoned because of such waiver or annulment, or for any other reason, or shall have been determined adversely to the Trustees, then and in every such case the Company and the Trustees shall be restored to their former position and rights hereunder in respect of the mortgaged property, and all rights, remedies and powers of the Company and of the Trustees shall continue thereafter as though no such proceedings had been taken.

SECTION 5. In case one or more Events of Default shall have occurred and be continuing, the Trustees, with or without entry, personally or by attorney, in their discretion:

(a) If and to the extent permitted by law, may but shall not be obligated to sell, subject to any prior liens thereon, to the highest bidder, all and singular the mort-

The Company, for itself and all persons and corporations hereafter claiming through or under it, or who may at any time hereafter become holders of liens junior to the lien of the Mortgage, hereby expressly waives and releases all right to have the mortgaged property marshalled upon any foreclosure or other enforcement hereof, and the Trustees or any court in which the foreclosure of the Mortgage or the administration of the trusts hereby created is sought shall have the right as aforesaid to sell the entire property of every description comprised in the mortgaged property, as a whole in a single lot or parcel.

SECTION 7. Notice of any sale pursuant to any provision of the Mortgage shall state the time and place of said sale, and shall contain a brief general description of the property to be sold, and shall be sufficiently given if published once in each week for four successive weeks prior to such sale in a Daily Newspaper in the City of Chicago, State of Illinois, and in a Daily Newspaper in the Borough of Manhattan, City and State of New York, and in such other manner as may be required by law.

SECTION 8. The Trustees may adjourn from time to time any sale to be made by them under the provisions of the Mort-

gaged property, and all right, title and interest, claim and demand therein, free from any right of redemption thereof, in one parcel and as an entirety, except as in Section 6 of this Article XV provided; which sale or sales shall be made at public auction at such place in the City of Chicago, State of Illinois, or at such other place or places, and at such time and upon such terms, as the Trustees may fix and briefly specify in the notice of sale to be given as hereinafter in Section 7 of this Article XV provided; or

(b) May proceed to protect and to enforce their rights and the rights of holders of the Outstanding Bonds by a suit or suits in equity or at law, whether for the specific performance of any covenant or agreement contained herein, or in aid of the execution of any power herein granted, or for the foreclosure of the Mortgage, or for the enforcement of any other appropriate legal or equitable remedy, as the Trustees, being advised by counsel, shall deem most effectual to protect and enforce any of their rights or duties and the rights of holders of the Outstanding Bonds.

Upon the written request of the holders of not less than 25% in principal amount of the then Outstanding Bonds, in case any Event of Default shall have occurred and be continuing as aforesaid, it shall be the duty of the Trustees, upon being indemnified as hereinafter provided, to exercise such one or more of the remedies available for the protection and enforcement of their rights and the rights of the Bondholders (including the exercise of the powers of entry or sale herein conferred, or the taking of appropriate judicial proceedings by action, suit or otherwise) as the Trustees, being advised by counsel, shall deem most expedient in the interest of the Bondholders.

gage, by announcement at the time and place appointed for such sale, or for such adjourned sale or sales, and without further notice or publication (unless otherwise required by law) such sale may be made at any time or place to which the same shall be so adjourned.

SECTION 9. Upon the completion of any sale or sales under the Mortgage, the Trustees or the court officer conducting the sale shall execute and deliver to the accepted purchaser or purchasers a good and sufficient bill or bills of sale and deed or deeds of conveyance of the property and franchises sold. The Trustees and their successors are hereby irrevocably appointed the true and lawful attorneys of the Company, in its name and stead to make all necessary deeds, bills of sale and conveyances of the property and franchises and all necessary transfers of shares of stock or bonds or other obligations thus sold; and may substitute one or more persons with like power, the Company hereby ratifying and confirming all that its said attorney or attorneys, or such substitute or substitutes, shall lawfully do by virtue hereof. Nevertheless, the Company, if so requested by the Trustees, shall ratify such sale by executing and delivering such deeds of conveyance, bills of sale or other instruments of assignment and transfer, as in the judgment of the Trustees may be advisable.

Any such sale or sales made under or by virtue of the Mortgage, whether under the power of sale hereby granted and conferred, or under or by virtue of any judicial proceedings, shall operate to divest all right, title, interest, claim and demand whatsoever, either at law or in equity, of the Company, of, in and to the premises and property sold, and shall be a perpetual bar, both at law and in equity, against the Company, its successors and assigns, and against any and all persons claiming the premises and property sold, or any part

The personal property and chattels conveyed, or intended to be conveyed, by or pursuant to the Mortgage, other than stocks and bonds and other obligations or securities or claims, shall be real property for all the purposes of the Mortgage, and shall be held and taken to be fixtures and appurtenances of the Company's lines of railroad and a part thereof, and are to be used and sold therewith and not separate therefrom, except as herein otherwise provided.

The receipt of the Trustees for the purchase money paid at any such sale, or the receipt of any other person authorized to receive the same, shall be a sufficient discharge therefor to any purchaser of the property, or any part thereof, sold as aforesaid, and no such purchaser, or his representatives, grantees or assigns, after paying such purchase money and receiving such receipt, shall be bound to see to the application of such purchase money or any part thereof upon or for any trust or purpose of the Mortgage, or, in any manner whatsoever, be answerable for any loss, misapplication or nonapplication of any such purchase money, or any part thereof, or be bound to inquire as to the authorization, necessity, expediency or regularity of any such sale.

SECTION 10. In case of a sale of the mortgaged property substantially as a whole under any of the foregoing provisions of this Article XV, whether made under the power of sale hereby granted or pursuant to judicial proceedings, the principal of all Bonds then outstanding, if not previously due, immediately thereupon shall become due and payable, notwithstanding the date of maturity thereof as stated in such Bonds or in the Mortgage.

SECTION 13. The Company covenants that (a) if default shall be made in the payment of any installments of Fixed Interest on any of the Outstanding Bonds when and as such interest shall become due and payable as therein and in the Mortgage expressed, and such default shall continue for 90 days, or in the payment of any installment of Contingent Interest on any of the Outstanding Bonds when and as such interest shall become due and payable as therein and in the Mortgage expressed, and such default shall continue for 30 days, or (b) if default shall be made in the payment of the principal of any Outstanding Bonds, or the premium thereon payable on redemption thereof, when the same shall become due and payable, whether at the maturity of such Bonds, upon redemption, by declaration or by a sale of the mortgaged property, or otherwise, then, upon demand of the

granted or pursuant to judicial proceedings, together with any other sums which then may be held by or for the Trustees under any of the provisions of the Mortgage as part of the mortgaged property or of the proceeds thereof, except sums held in trust for the benefit of the holders of particular Bonds or coupons, shall be applied as follows:

First. To the payment of the costs and expenses of such sale, the reasonable compensation to the Trustees, their agents, attorneys and counsel, all expenses, liabilities and advances made or incurred by the Trustees, except such as may have arisen by their negligence or bad faith, and the payment of all taxes, assessments or liens prior to the lien of the Mortgage, except taxes, assessments and prior liens, if any, subject to which the property shall have been sold.

Second. To the payment of the whole amount then due and unpaid upon the Outstanding Bonds for principal and interest, with interest on the overdue principal at the highest rate of interest borne by any of the Outstanding Bonds, and in case such moneys shall be insufficient to pay in full the whole amount so due and unpaid upon the Outstanding Bonds, then to the payment of such principal and interest proportionately, according to the aggregate of such principal and accrued and unpaid interest, without preference or priority of any Outstanding Bond over any other Outstanding Bond of the same or of another series or of principal over interest, or of interest over principal, or of any installment of interest over any other installment of interest, subject, however, to the provisions of Section 1 of this Article XV.

Third. To the payment of the surplus, if any, to the Company, its successors or assigns, or to whosoever may be lawfully entitled to receive the same, or as a court of competent jurisdiction may direct.

SECTION 12. In case of any sale under the foregoing provisions of this Article XV, whether made under the power of

Trustees, the Company will pay to the Trustees for the benefit of the holders of such Bonds and coupons the whole amount then due and payable on such Bonds and coupons, for principal (and premium if any) or interest, or both, as the case may be, with interest on the overdue principal at the highest rate of interest borne by any of the Outstanding Bonds; and in case the Company shall fail to pay the same forthwith upon such demand, the Trustees in their own name and as Trustees of an express trust, shall be entitled to recover judgment for the whole amount so due and unpaid.

The Trustees shall be entitled to institute and prosecute any action and enforce any judgment or final decree as aforesaid, either before or after or during the pendency of any proceedings for the enforcement of the lien of the Mortgage, and the right of the Trustees to such judgment or final decree shall not be affected by any entry or sale hereunder, or by the exercise of any other right, power or remedy for the enforcement of the provisions of the Mortgage or the foreclosure of the lien hereof; and in case of a sale of the mortgaged property or any part thereof, the Trustees, in their own names and as trustees of an express trust, shall be entitled to enforce payment of, and to receive, all amounts then remaining due and unpaid upon any and all of the Bonds and coupons, for the benefit of the holders thereof, and shall be entitled to institute and prosecute any action and enforce any judgment or final decree as aforesaid for any portion of the said debt remaining unpaid, with interest. No judgment or decree obtained by the Trustees, and no levy of any execution upon the mortgaged property, or upon any other property, shall in any manner, or to any extent, affect the lien of the Mortgage upon the mortgaged property, or any part thereof, or any lien, rights, powers or remedies of the Trustees hereunder, or any lien, rights, powers or remedies of the Bondholders, but such

lien, rights, powers and remedies shall continue unimpaired as before, except as otherwise provided by law.

Any moneys collected by the Trustees under this Section 13 shall be applied by the Trustees,

First, to the payment of the costs and expenses of the proceedings resulting in the collection of such moneys, and of the compensation of and the expenses, liabilities and advances made or incurred by the Trustees hereunder, except such as may have arisen by their negligence or bad faith; and

Second, to the payment of the amounts then due and unpaid upon the Outstanding Bonds and coupons in respect of which such moneys shall have been collected, without any preference or priority of any kind, but subject to the provisions of Section 1 of this Article XV, proportionately according to the amounts due and payable upon such Outstanding Bonds and coupons, respectively, at the date fixed by the Trustees for distribution of such moneys, upon presentation of the several Outstanding Bonds and coupons and their surrender if fully paid, or for proper stamping if only partially paid.

SECTION 14. The Company will not at any time insist upon or plead, or claim to take advantage of any statute or rule of law, now or hereafter in force, wherever enacted or established, in aid of debtors or permitting or providing for (a) the staying of actions in respect of mortgages or mortgage indebtedness, or for extending the time for payment of such indebtedness, (b) the valuation or appraisalment of the property held under any mortgage or pledge to secure indebtedness prior to any sale or sales thereof pursuant to the terms of such mortgage or pledge or to the decree, judgment or order of any court, or (c) the redemption of any property so sold; and the Company hereby expressly waives all benefit and advantage of any such statute or rule of law, and covenants that it will not hinder, delay or impede the execution of any power herein granted or delegated to the Trustees,

session and control of, and to collect all interest and dividends or earnings on, any shares of stock, cash, bonds and other obligations pledged with it as security hereunder.

The Company hereby irrevocably consents to the appointment of such receiver and to the entry of such order.

SECTION 16. Upon application of the Trustees to any court of competent jurisdiction, and with the consent of the Company if none of the Events of Default shall have occurred and be continuing, and without such consent if one or more of the Events of Default shall have occurred and be continuing, a receiver may be appointed to take possession of, and to operate, maintain and manage the mortgaged property or any part thereof, and any other property of the Company used for, in or about, or the use or possession whereof shall be essential to, the operation of the mortgaged railroads or any thereof, and the Company shall transfer and deliver to such receiver all such property, wheresoever the same may be situated; and in every case when a receiver of the whole or of any part of said property shall be appointed under this Section 16, or otherwise, the net income and profits of the mortgaged property shall be paid over to, and shall be received by, the Trustees for the benefit of the holders of the Outstanding Bonds and coupons to be applied as provided in Section 2 of this Article XV; provided, however, that, notwithstanding the appointment of any such receiver, the Corporate Trustee shall be entitled to retain control of, and to collect all interest and dividends or earnings on, any shares of stock, cash, bonds and other obligations pledged with it as security hereunder.

SECTION 17. No holder of any Bond or coupon shall have any right to institute any suit, action or proceeding in equity or at law for the foreclosure of the Mortgage, or for the execution of any trust hereunder, including the appointment of a

SECTION 15. In case (1) an Event of Default shall occur and at any time during the continuance of such Event of Default there shall be any unsatisfied final judgment against the Company or, in any judicial proceeding by any party other than the Trustees, a receiver shall be appointed of the Company or of its property or any part thereof, or a judgment or order be entered for the sequestration of its property or any part thereof, or (2) the Company shall make default in the payment of interest specified in clauses (a) or (b) of Section 2 of this Article XV, and shall by resolution of its Board of Directors admit to the Trustees its inability to make good such default, then the Trustees, in either such case, shall thereupon be entitled, in the discretion of the Trustees, forthwith to exercise the right of entry herein conferred and also any and all other rights and powers herein conferred and provided to be exercised by the Trustees upon the occurrence and continuance of an Event of Default as hereinbefore provided; and the Trustees shall thereupon be entitled as a matter of right (i) to the appointment of a receiver of the mortgaged property and of the earnings, rents, issues, profits, tolls, revenues and income thereof, with such powers as the court making such appointment shall confer, and (ii) to the entry of an order directing that the rents, issues, profits, tolls, revenues and other income of the premises and property comprised in the mortgaged property be segregated, sequestered and impounded for the benefit of the Trustees and the Bondholders from and after the date of the institution of any judicial proceedings of the nature referred to in this Section 15 or in clauses (f) and (g) of Section 2 of this Article XV. Nothing contained in this Section 17 or elsewhere in the Mortgage or in the Bonds or in the coupons shall affect or impair the obligation of the Company to pay the principal of, premium if any, and interest on the Bonds to the respective holders of the Bonds and to the respective holders of the

SECTION 19. No delay of the Trustees or of any Bondholder in exercising any right or power accruing upon any default continuing as aforesaid and no omission to exercise any such right or power shall impair any such right or power or shall be construed to be a waiver of any such default, or an acquiescence therein; and every power and remedy given by this Article XV to the Trustees, or to any Bondholder, may be exercised from time to time, and as often as may be deemed expedient, by the Trustees or by such Bondholder, respectively.

SECTION 20. The Trustees shall have power, but shall be under no duty, to institute and maintain suits or proceedings to restrain the enforcement of, or compliance with, or the observance of, any legislative or governmental enactment, rule or order that they may be advised and believe is unconstitutional, or otherwise invalid, if the enforcement of, or compliance with, or observance of, such enactment, rule or order would, in the judgment of the Trustees, impair the security hereunder or be prejudicial to the Trustees or to the Bondholders.

Except as provided in Section 4 of this Article XV, the holders of a majority in aggregate principal amount of the Outstanding Bonds may on behalf of the holders of all the Bonds waive any past default hereunder and its consequences other than an Event of Default specified in clauses (a), (b), (c) or (d) of Section 2 of this Article XV. In the case of any such waiver, the Company, the Trustees and the Bondholders shall be restored to their former positions and rights hereunder, respectively; but no such waiver shall extend to any subsequent or other default or impair any right consequent thereon.

SECTION 22. All parties to the Mortgage agree, and each holder of any Bond by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Mortgage, or in any suit against the Trustees for any action taken or omitted by them as Trustees, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section 22 shall not apply to any suit instituted by the Trustees, to any suit instituted by any Bondholder or group of Bondholders holding more than 10% in aggregate principal amount of the Outstanding Bonds, or to any suit instituted by any Bondholder for the enforcement of the payment of the principal of or interest on any Bond, on or after the due date expressed in such Bond.

DEFEASANCE

SECTION 1. If (a) the Company shall deliver to the Corporate Trustee for cancellation all Bonds and appurtenant coupons not theretofore cancelled and delivered to the Corporate Trustee, or (b) all Bonds not theretofore delivered to the Corporate Trustee cancelled or for cancellation shall have become due and payable, or are by their terms to become due and payable within 90 days or are to be redeemed within 90 days under arrangements satisfactory to the Corporate Trustee for the giving of notice of redemption, and the Company shall deposit with the Corporate Trustee as trust funds an amount sufficient to pay at maturity or upon redemption all of the Bonds not theretofore delivered to the Corporate Trustee cancelled or for cancellation, including the principal thereof, premium if any, and the full amount of unpaid interest which has or will become due to such date of maturity or redemption, as the case may be, and if in either case the Company shall also pay or cause to be paid all other sums payable hereunder by the Company, then the Mortgage shall cease to be of further effect. In such event the Trustees, on demand of the Company and at its cost and expense, shall execute and deliver to the Company such instrument or instruments as may be appropriate to acknowledge satisfaction of the Mortgage, and as will enable the Company to have the Mortgage discharged of record, and shall release and assign, or cause to be released and assigned, to the Company all of their interest in the mortgaged property, and shall deliver to the Company or upon its order all securities and moneys then held by the Corporate Trustee under the provisions hereof other than the money deposited as above provided in this Article XVII.

The Company, notwithstanding the satisfaction of the Mortgage as above provided, will indemnify the Trustees

and hold them harmless against any and all expense or liability, incurred without negligence or bad faith, ascertained or incurred by the Trustees after the satisfaction thereof arising out of or based upon any matter connected with the trust created by the Mortgage.

SECTION 2. All moneys deposited with the Corporate Trustee pursuant to Section 1 of this Article XVII shall be held in trust and applied by it, subject to the provisions of Section 4 of this Article XVII, to the payment to the holders of the Bonds and coupons of all sums due and to become due thereon for principal and interest and premium, if any.

SECTION 3. Upon the satisfaction and discharge of the Mortgage, all moneys then held by any paying agent under any provision of the Mortgage shall be paid to the Corporate Trustee, and thereupon such paying agent shall be released from all further liability with respect to such moneys.

SECTION 4. Any moneys deposited by the Company with the Corporate Trustee or with any paying agent for the payment of the principal of, or the premium or interest on, any Bond which shall remain unclaimed by the holder of the Bond or coupon entitled to receive the same for 10 years after the date upon which the principal of such Bond shall have become due and payable (upon redemption or otherwise) shall be repaid to the Company on demand; and the holder of any Bond or coupon entitled to receive such payment shall thereafter look only to the Company for the payment thereof; provided, however, that (a) before any such repayment may be made, the Trustees, at the expense of the Company, shall cause to be published once a week for two successive calendar weeks (in each case on any day of the week) in a Daily Newspaper in the City of Chicago, State of Illinois, and in a Daily Newspaper in the Borough of Manhattan, City and State of

SECTION 1. The Company, when authorized by a resolution of its Board of Directors, and the Trustees may at any time and from time to time enter into an indenture or indentures supplemental hereto for one or more of the following purposes:

(a) To convey, transfer and assign to the Trustees and subject to the lien of the Mortgage, with the same force and effect as though included in the granting clauses hereof, additional property then owned by the Company, acquired through consolidation, merger, purchase or otherwise;

(b) To evidence the succession of another corporation to the Company, or successive successions, and the assumption by the successor corporation of the covenants, agreements and obligations of the Company pursuant to Article XI;

(c) To set forth the terms and provisions of any series of Bonds to be issued hereunder and the form of the Bonds and coupons of such series;

(d) To add to the covenants of the Company such further covenants for the protection of the mortgaged property and the Bondholders as the Board of Directors and the Corporate Trustee shall consider to be for the protection of the Bondholders, and to make the occurrence and continuance of a default under any of such additional covenants a default permitting the enforcement of all or any of the several remedies provided in the Mortgage; provided, however, that in respect of any such additional covenant, such supplemental indenture may provide for a particular period of grace after default (which period may be shorter or longer than that allowed in the case of other defaults) or may provide for an immediate enforcement of said remedy or remedies upon such default or may limit the remedies available to the

Trustees upon such default or may authorize the holders of not less than a majority in aggregate principal amount of the Outstanding Bonds to waive such default and prescribe limitations on such rights of waiver; and

(e) To cure any ambiguity or to correct or supplement any provision contained in the Mortgage which may be defective or inconsistent with any other provision contained herein or in any supplemental indenture, or to make such other provisions in regard to matters or questions arising under the Mortgage as shall not be inconsistent with the provisions of the Mortgage and shall not adversely affect the interest of the Bondholders.

The Trustees are hereby authorized to join with the Company in the execution of any such supplemental indenture, to make any further appropriate agreements and stipulations which may be therein contained and to accept the conveyance, transfer and assignment of any property thereunder, but the Trustees shall not be obligated to enter into any such supplemental indenture which, in their opinion, affects the Trustees' own rights, duties or immunities under the Mortgage or otherwise.

Any supplemental indenture authorized by the provisions of this Section 1 may be executed by the Company and the Trustees without the consent of the holders of any of the then Outstanding Bonds, notwithstanding any of the provisions of Section 2 of this Article XVIII.

SECTION 2. Subject to the provisions of Section 4 of Article XII, with the consent (evidenced as provided in Section 1 of Article XII) of the holders of not less than 66% in aggregate principal amount of the then Outstanding Bonds to be directly affected thereby, and with the approval of the Interstate Commerce Commission or other public regulatory body having jurisdiction in the premises, the Company, when authorized by a resolution of its Board of Direc-

(i) alter or impair the obligation of the Company to pay the principal amount or the interest specified in any Bonds at the places and in the manner specified therein or in any interest coupon appertaining thereto without in each case the consent of the holders of all Bonds affected thereby; or

(ii) permit the creation by the Company of any mortgage or other lien in the nature of a mortgage ranking prior to or on a parity with the lien of the Mortgage with respect to any property covered thereby except as in the Mortgage otherwise expressly provided, without in each case the consent of the holders of all Outstanding Bonds; or

(iii) effect a reduction of the percentage required for any action authorized to be taken by the holders of the Bonds, without in each case the consent of the holders of all Outstanding Bonds;

and provided, further, that no such modification or alteration shall affect the rights, duties or immunities of the Trustees without the written consent of the Trustees.

It shall not be necessary for the consent of the Bondholders under this Section 2 to approve the particular form of any proposed supplemental indenture, but it shall be sufficient if such consent shall approve the substance thereof.
