- (e) All advances by the Government as described in this instrument, with interest, shall be immediately due and payable by Borrower to the Government without demand at the place designated in the latest note and shall be secured hereby. No such advance by the Government shall relieve Borrower from breach of Borrower's covenant to pay. Any payment made by Borrower may be applied on the note or any indebtedness to the Government secured thereby, in any order the Government determines.
- (f) To use the loan evidenced by the note solely for purposes authorized by the Government.
- (g) To pay when due all taxes, liens, judgments, encumbrances, and assessments lawfully attaching to or assessed against the property, including all charges and assessments in connection with water, water rights, and water stock pertaining to or reasonably necessary to the use of the real property described above, and promptly deliver to the Government without demand receipts evidencing such payments.

- (j) To comply with all laws, ordinances, and regulations affecting the property.

HOWEVER, any forbearance by the Government-whether once or often-in exercising any right or remedy under this instrument, or otherwise afforded by applicable law, shall not be a waiver of or preclude the exercise of any such right or remedy.

(o) Default hereunder shall constitute default under any other real estate, or under any personal property or other security instrument held or insured by the Government and executed or assumed by Borrower, and default under any such security instrument shall constitute default hereunder.

(p) **SHOULD DEFAULT** occur in the performance or discharge of any obligation in this instrument or secured by this instrument, or should the parties named as Borrower die or be declared incompetent, or should any one of the parties named as Borrower be discharged in bankruptcy or declared insolvent or make an assignment for the benefit of creditors, the Government, at its option, with or without notice, may: (1) declare the entire amount unpaid under the note and any indebtedness to the Government hereby secured immediately due and payable, (2) for the account of Borrower incur and pay reasonable expenses for repair or maintenance of and take possession of, operate or rent the property, (3) upon application by it and production of this instrument, without other evidence and without notice of hearing of said application, have a receiver appointed for the property, with the usual powers of receivers in like cases, and the Government may foreclose this instrument by court action and sell the property as prescribed by law.

(q) The proceeds of foreclosure sale shall be applied in the following order to the payment of: (1) costs and expenses incident to enforcing or complying with the provisions hereof, (2) any prior liens required by law or a competent court to be so paid, (3) the debt evidenced by the note and all indebtedness to the Government secured hereby, (4) inferior liens of record required by law or a competent court to be so paid, (5) at the Government's option, any other indebtedness of Borrower owing to or insured by the Government, and (6) any balance to Borrower. In case the Government is the successful bidder at foreclosure or other sale of all or any part of the property, the Government may pay its share of the purchase price by crediting such amount on any debts of Borrower owing to or insured by the Government, in the order prescribed above.

(r) All powers and agencies granted in this instrument are coupled with an interest and are irrevocable by death or otherwise; and the rights and remedies provided in this instrument are cumulative to remedies provided by law.

(s) Borrower agrees that the Government will not be bound by any present or future State laws, (1) providing for valuation, appraisal, homestead or exemption of the property, (2) prohibiting maintenance of any action for a deficiency judgment or limiting the amount thereof or the time within which such action must be brought, (3) prescribing any other statute of limitations, (4) allowing any right of redemption or possession following any foreclosure sale, or (5) limiting the conditions which the Government may by regulation impose, including the interest rate it may charge, as a condition of approving a transfer of the property to a new Borrower. Borrower expressly waives the benefit of any such State laws.

(t) This instrument shall be subject to the present regulations of the Government, and to its future regulations not inconsistent with the express provisions hereof.

(u) The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of any part of the property, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to the Government pursuant to applicable regulations of the Government.

(v) If any provision of this instrument or application thereof to any person or circumstances is held invalid, such invalidity will not affect other provisions or applications of the instrument which can be given effect without the invalid provision or application, and to that end the provisions hereof are declared to be severable.
