Pursuant to Section 5.01 of the Mortgage Indenture, in the event that any one or more Dispositions during any consecutive 12-month period yield Net Proceeds in excess of 10% of the Fair Value of the Mortgaged Property as of the last day of the fiscal quarter of the Company most recently ended, in the aggregate, the Net Proceeds of such Disposition or Dispositions shall be used for the mandatory redemption of the Bonds, and/or the redemption or prepayment of other Senior Secured Debt in accordance with its terms, on a date which is no more than nine months following a Disposition that, when aggregated with any other Dispositions, requires compliance with this Section 2.03 unless (x) during the nine-month period immediately preceding the date of such Disposition, the Company Invested in any Rate Base Assets in which case an amount of such Net Proceeds equal to the excess, if any, of (A) the total aggregate amount of all such Investments made during such preceding nine-month period (excluding, however, the amount of any Investments made pursuant to clause (b) of the definition of "Investment" that were not expended for Rate Base Assets during such nine-month period) over (B) the aggregate amount of Debt incurred by the Company (which, with respect to any Debt incurred under any permitted credit facility of a revolving nature, shall be calculated on a net basis after taking into account any borrowings, prepayments, repayments, reborrowings or other extensions of credit made by or in favor of the Company thereunder), in each case, during such preceding nine-month period, need not be applied to such redemption or prepayment, as the case may be, or (y) during the nine-month period following the date of such Disposition, the Company shall Invest in Rate Base Assets, in which case an amount of such Net Proceeds so Invested during such following nine-month period need not be applied to such redemption or prepayment, as the case may be; *provided, however*, that in the event that any such amounts referred to in this clause (y) Invested pursuant to clause (b) of the definition of "Investment" are not expended for Rate Base Assets within a period of six months from the end of such following nine-month period, any such amounts not so expended shall be used for the mandatory redemption of the Bonds, and/or the redemption or prepayment of other Senior Secured Debt in accordance with its terms, on a date not later than the last day of such six month period. Notwithstanding anything to the contrary in this Section 2.03, any amounts utilized pursuant to clauses (x) or (y) above to reduce the amount of Net Proceeds required to be applied to redemption of the Bonds and/or redemption or prepayment of other Senior Secured Debt in accordance with its terms may be utilized no more than once with respect to the Net Proceeds of any one or more Dispositions occurring in any consecutive twelve month period.

Section 2.04. Optional Redemption.

(a) Pursuant to Section 5.01 of the Mortgage Indenture, the Bonds may be redeemed at the option of Company, in whole or in part, at any time or from time to time at a Redemption Price equal to the principal amount of such Bonds plus the Make-Whole Amount plus accrued and unpaid interest thereon to the redemption date; *provided, however*, that if the Bonds are redeemed in part, the Bonds shall not be redeemed in an amount less than \$5,000,000 of the aggregate principal amount of the Bonds then Outstanding.

2.04(c), without prejudice to the requirements of Section 5.02 of the Mortgage Indenture (which shall for purposes of this Fourteenth Supplemental Indenture also be applicable to a redemption under Section 2.03 hereof) and Sections 5.05 and 5.06 of the Mortgage Indenture. The Company (or the Security Registrar, if so requested pursuant to Section 5.04 of the Mortgage Indenture) shall give each Bondholder written notice of each optional redemption under this Section 2.04, or a mandatory redemption under Section 2.03 hereof, as the case may be, not less than ten (10) days and not more than sixty (60) days prior to the date fixed for such redemption. Two (2) Business Days prior to such redemption, the Company shall deliver to each Bondholder and the Trustee a certificate of a Senior Financial Officer specifying the calculation of such Make-Whole Amount, if applicable, as of the specified redemption date. The Trustee shall have no responsibility for such calculation. Each notice of redemption shall be irrevocable and unconditional and the principal amount of each Bond to be redeemed shall mature and become due and payable on the date fixed for such redemption (which shall be a Business Day), together with interest on such principal amount accrued to such date and the Make-Whole Amount (if applicable). From and after such date, unless the Company shall fail to pay such principal amount when so due and payable, together with the interest and Make-Whole Amount, if any, as aforesaid, interest on such principal amount shall cease to accrue. Any Bond redeemed in full shall be surrendered (as contemplated by Section 2.02(b) hereof) to the Company and cancelled and shall not be reissued, and no Bond shall be issued in lieu of any redeemed principal amount of any Bond.

(d) Notwithstanding anything to the contrary in Article V of the Mortgage Indenture, in the case of each partial redemption of the Bonds pursuant to Section 2.04(c) hereof, the Company shall redeem the same percentage of the unpaid principal amount of each of the Bonds, and the principal amount of each of the Bonds to be so redeemed shall be allocated by the Trustee among all of the Bonds at the time Outstanding in proportion, as nearly as practicable, to the respective unpaid principal amounts of each of the Bonds not theretofor called for redemption. The Company acknowledges that each Bondholder has the right to maintain its investment in the Bonds free from repayment by the Company (except as herein specifically provided for) and that the provision for payment of a Make-Whole Amount by the Company in the event that the Bonds have become due and payable under Section 10.02 of the Indenture, whether automatically or by declaration, as a result of an Event of Default, is intended to provide compensation for the deprivation of such right under such circumstances.

Section 2.07. Transfers.

In registering the transfer of any Bond in accordance with Section 3.05 of the Mortgage Indenture, the Security Registrar and the Trustee shall have no responsibility to monitor securities law compliance in connection with any such transfer.

If the Company elects to give the Trustee Instructions using Electronic Means and the Trustee in its reasonable discretion elects to act upon such Instructions, the Trustee’s reasonable understanding of such Instructions shall be deemed controlling. The Company understands and agrees that the Trustee shall be entitled to presume that directions that purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Officer. The Company shall establish reasonable procedures to ensure that only Authorized Officers transmit such Instructions to the Trustee and that the Company and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the Company. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee’s reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. The Company agrees: (i) to assume all risks arising out of the use of the Electronic Means it selects to submit Instructions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is informed of the protections and risks associated with the various methods of transmitting Instructions to the Trustee and that there may be more secure methods of transmitting Instructions than the method(s) selected by the Company; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Trustee immediately upon learning of any compromise or unauthorized use of the security procedures. For purposes of this Section 1.08, “Electronic Means” shall mean the following communications methods: e-mail, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Trustee, or another method or system specified by the Trustee as available for use in connection with its services hereunder.”

(h) Section 1.13 of the Mortgage Indenture is hereby amended by deleting such section in its entirety and substituting in lieu thereof the following: “In case any provision, or any portion of any provision, in this Indenture or the Securities shall be held to be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining portion or provisions shall not in any way be affected or impaired thereby.”

(l) Section 6.01(b) of the Mortgage Indenture is hereby amended by deleting such section in its entirety and substituting in lieu thereof the following: “At the date of the execution and delivery of this Indenture, as originally executed and delivered, the Company covenants and agrees that it shall be lawfully possessed of the Mortgaged Property except for any legal defects or other failures to lawfully possess Mortgaged Property that do not in the aggregate materially impair the use by the Company of the Mortgaged Property considered as a whole for the purposes for which it is held by the Company.”

(m) Section 6.04 of the Mortgage Indenture is hereby amended by: (i) replacing the phrase “existence as a corporation” with the phrase “existence as a limited liability company”; (ii) deleting the words “incorporated or”; and (iii) replacing the phrase “and (ii) obtain” with the phrase “and (ii) use its reasonable best efforts to obtain.”

Mortgage Indenture in the manner and to the extent herein and therein provided. The Bonds executed, authenticated and delivered under this Fourteenth Supplemental Indenture constitute two series of Securities and shall not be considered to be a part of a series of securities executed, authenticated and delivered under any other supplemental indenture entered into pursuant to the Mortgage Indenture.

Section 6.02. Effect of Headings.

The Article and Section headings herein are for convenience only and shall not affect the construction hereof.

Section 6.03. Successors and Assigns.

In case any provision in this Fourteenth Supplemental Indenture or in the Bonds shall be invalid, illegal or unenforceable, the validity, legality and enforceability of the remaining provisions shall not in any way be affected or impaired thereby.

Section 6.05. Benefit of Fourteenth Supplemental Indenture.

Except as otherwise provided in the Mortgage Indenture, nothing in this Fourteenth Supplemental Indenture or in the Bonds, express or implied, shall give to any person, other than the parties hereto and their successors hereunder and the Bondholders, any benefit or any legal or equitable right, remedy or claim under this Fourteenth Supplemental Indenture.

Section 6.06. Execution and Counterparts; Electronic Contracting.

This Fourteenth Supplemental Indenture may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such counterparts shall together constitute but one and the same instrument. Any such counterpart, as recorded or filed in any jurisdiction, may omit such portions of Exhibit A hereto as shall not describe or refer to properties located in such jurisdiction. The parties agree to electronic contracting and signatures with respect to this Fourteenth Supplemental Indenture and the documents related hereto (other than the Bonds). Delivery of an electronic signature to, or a signed copy of, this Fourteenth Supplemental Indenture and such other documents (other than the Bonds) by email or other electronic transmission shall be fully binding on the parties to the same extent as the delivery of the signed originals and shall be admissible into evidence for all purposes. Section 6.09. Governing Law.

This Fourteenth Supplemental Indenture shall be governed by and construed in accordance with the law of the State of New York, except that (i) if this Fourteenth Supplemental Indenture shall become qualified and shall become subject to the Trust Indenture Act, to the extent that the Trust Indenture Act shall be applicable, this Fourteenth Supplemental Indenture shall be governed by and construed in accordance with the Trust Indenture Act and (ii) if the law of any jurisdiction wherein any portion of the Mortgaged Property is located shall govern the creation of a mortgage lien on and security interest in, or perfection, priority or enforcement of the Lien of the Indenture or exercise of remedies with respect to, such portion of the Mortgaged Property, this Fourteenth Supplemental Indenture shall be governed by and construed in accordance with the law of such jurisdiction to the extent mandatory.

Section 6.10. Future Advances Secured.

(a) Illinois Provisions. The Company acknowledges and agrees and intends that all advances made to it pursuant to issuances hereunder of the Securities, including all future issuances and advances related thereto whenever hereafter made, in an amount up to \$275,000,000, together with the amount of all prior advances pursuant to Securities issuances heretofore made pursuant to the Mortgage Indenture, the First Supplemental Indenture, the Second Supplemental Indenture, the Third Supplemental Indenture, the Fourth Supplemental Indenture, the Fifth Supplemental Indenture, the Sixth Supplemental Indenture, the Seventh Supplemental Indenture, the Eighth Supplemental Indenture, the Ninth Supplemental Indenture, the Tenth Supplemental Indenture, the Eleventh Supplemental Indenture, the Twelfth Supplemental Indenture and the Thirteenth Supplemental Indenture for a combined total principal amount of \$1,940,000,000 *plus* interest thereon, and all fees, expenses and indemnities owing in respect of the Securities and the Financing Agreements, and all disbursements made by or on behalf of the Trustee for payment of taxes, levies, insurance or maintenance on the Mortgaged Property, with interest on such disbursements (the sum of all such Outstanding Securities, interest, fees, expenses, indemnities and disbursements is referred to as the "Total Secured Amount"), shall be a lien in the Total Secured Amount from the time this Fourteenth Supplemental Indenture is recorded, as provided in 765 ILCS 5/39, *et seq.* for all amounts advanced or applied prior to the date hereof and within the period of eighteen (18) months after the date of recordation of this Fourteenth Supplemental Indenture. Except as amended hereby (in this Fourteenth Supplemental Indenture), the Mortgage Indenture, as previously amended, is hereby restated, adopted, ratified and confirmed.

(b) Minnesota Provisions. Subject to the provision of the Mortgage Indenture which provides that notwithstanding anything to the contrary contained in the Mortgage Indenture enforcement of the Mortgage Indenture in Minnesota is limited to a debt amount of \$31,972,209.00 under Chapter 287 of Minnesota Statutes, this Fourteenth Supplemental Indenture secures credit in the amount of TWO HUNDRED AND SEVENTY FIVE MILLION DOLLARS (\$275,000,000) together with the amount of all prior advances pursuant to Securities issuances heretofore made pursuant to the Mortgage Indenture, the First Supplemental Indenture, the Second Supplemental Indenture, the Third Supplemental Indenture, the Fourth Supplemental Indenture, the Fifth Supplemental Indenture, the Sixth Supplemental Indenture, the Seventh Supplemental Indenture, the Eighth Supplemental Indenture, the Ninth Supplemental Indenture, the Tenth Supplemental Indenture, the Eleventh Supplemental Indenture, the Twelfth Supplemental Indenture and the Thirteenth Supplemental Indenture for a total combined amount advanced of ONE BILLION NINE HUNDRED FORTY MILLION DOLLARS (\$1,940,000,000). Loans and advances up to this amount, together with interest, are senior to indebtedness to other creditors under subsequently recorded or filed mortgages and liens.

(c) Missouri Provisions. This Fourteenth Supplemental Indenture secures present credit in the amount of TWO HUNDRED AND SEVENTY FIVE MILLION DOLLARS (\$275,000,000) together with the amount of all prior advances pursuant to Securities issuances heretofore made pursuant to the Mortgage Indenture, the First Supplemental Indenture, the Second Supplemental Indenture, the Third Supplemental Indenture, the Fourth Supplemental Indenture, the Fifth Supplemental Indenture, the Sixth Supplemental Indenture, the Seventh

Supplemental Indenture, the Eighth Supplemental Indenture, the Ninth Supplemental Indenture, the Tenth Supplemental Indenture, the Eleventh Supplemental Indenture, the Twelfth Supplemental Indenture and the Thirteenth Supplemental Indenture for a total combined amount advanced of ONE BILLION NINE HUNDRED FOURTY MILLION DOLLARS (\$1,940,000,000) together with future advances and obligations in an amount not to exceed ONE BILLION NINE HUNDRED FOURTY MILLION DOLLARS (\$1,940,000,000) for purposes of collateral located in the State of Missouri only. The future advances and future obligations secured hereby may be evidenced not only by the Securities herein described, but also such other notes, guarantees and other documents executed and delivered by the Company to the Trustee or Bondholders subsequent to the date hereof *provided* that, on the face or within the body thereof, such notes, guarantees or other documents state that they are secured by this Mortgage Indenture. Loans and advances up to this amount, together with interest, are senior to indebtedness to other creditors under subsequently recorded or filed mortgages and liens.

Section 6.11. Interpretation of Financial Covenants.

For purposes of determining compliance with the financial covenants set out in the Indenture, any election by the Company to measure an item of Debt using fair value (as permitted by Accounting Standards Codification 825-10-25 (previously referred to as Statement of Financial Accounting Standards No. 159) or any other Accounting Standards Codification or Financial Accounting Standard having a similar result or effect) shall be disregarded and such determination shall be made by valuing Debt at 100% of the outstanding principal amount thereof (except to the extent such Debt was issued at a discount or premium in which case the value of such Debt shall be valued at 100% of the outstanding principal amount thereof, less any unamortized discount or plus any unamortized premium, as the case may be). All terms of an accounting or financial nature used herein or in the Indenture shall be construed, and all computations of amounts and ratios referred to herein shall be made without giving effect to Accounting Standards Codification 842 (or any other Accounting Standards Codification or Financial Accounting Standard having a similar effect or result) (and related interpretations) (collectively, “ASC 842”) to the extent the effect of which would be to cause leases which would be treated as operating leases under GAAP immediately prior to the effectiveness of ASC 842 to be recorded as a liability/debt on the Company’s statement of financial position under GAAP.

Section 6.12. Wisconsin State Specific Provisions.

To the extent that the creation of a mortgage lien on and security interest in, or perfection, priority or enforcement of the Lien of the Indenture or exercise of remedies with respect to, any portion of the Mortgaged Property that is located in the State of Wisconsin is governed by the Wisconsin real estate foreclosure statute (Chapter 846, Wisconsin Statutes) (as may be amended from time to time, the “Act”), it is the intention of the parties hereto that the Trustee, for itself and for the benefit of the Holders, shall have the right to foreclose the Lien of the Indenture and/or exercise any right, power or remedy provided in the Indenture, or otherwise in accordance with the Act with respect to any Mortgaged Property located in the State of Wisconsin. If any provision in the Indenture shall be inconsistent with any provision of the Act, provisions of the Act shall take precedence over the provisions of the Indenture as it relates to any portion of the Mortgaged Property located within the State of Wisconsin, but shall not invalidate or render unenforceable any other provision of the Indenture relating to the Mortgaged Property located in the State of Wisconsin that can be construed in a manner consistent with the Act. If any provision of the Indenture shall grant to the Trustee any powers, rights or remedies which are more limited than the powers, rights or remedies that would otherwise be vested in the Trustee under the Act in the absence of said provision, the Trustee shall be vested with the powers, rights and remedies granted in the Act to the full extent permitted by law as it relates to the Mortgaged Property located in the State of Wisconsin.

IN WITNESS WHEREOF, the parties hereto have caused this Fourteenth Supplemental Indenture to be duly executed as of the day and year first above written

SUBORDINATION TERMS

The unsecured permitted indebtedness evidenced by this instrument is subordinated and subject in right of payment to the prior payment in full of all Senior Debt Obligations (as hereinafter defined) of ITC Midwest LLC, a limited liability company formed under the laws of the State of Michigan (the "Company"). Each holder of this instrument, by its acceptance hereof, agrees to and shall be bound by all the provisions hereof.

All capitalized terms used herein and not otherwise defined herein shall have the meanings attributed to them in the Fourteenth Supplemental Indenture, dated as of February 25, 2026 (as in effect on the date hereof, the "Supplemental Indenture"), between the Company and The Bank of New York Mellon Trust Company, N.A. (as successor to The Bank of New York Trust Company, N.A.), as trustee (the "Trustee").

The term "Senior Debt Obligations", as used herein, shall include all, loans, advances, debts, liabilities and obligations, howsoever arising (whether or not evidenced by any note or instrument and whether or not for the payment of money), direct or indirect, absolute or contingent, due or to become due, now existing or hereafter arising (collectively, as used herein, "Obligations") of the Company now or hereafter existing in respect of Senior Debt (as defined herein) and any amendments, modifications, deferrals, renewals or extensions of any such Senior Debt, or of any notes or evidences of indebtedness heretofore or hereafter issued in evidence of or in exchange for any such Obligation, whether for principal, interest (including interest payable in respect of any such Obligations subsequent to the commencement of any proceeding against or with respect to the Company under any chapter of the Bankruptcy Code, 11 U.S.C. § 101 *et seq.* (the "Bankruptcy Code"), or any provision of corresponding bankruptcy, insolvency or commercial reorganization legislation of any other jurisdiction, whether or not such interest is an allowed claim enforceable against the debtor, and whether or not the holder of such obligation would be otherwise entitled to receive dividends or payments with respect to any such interest or any such proceeding), premium (including Make-Whole Amount), if any, fees, expenses or otherwise.

The term "Senior Debt", as used herein, shall mean (i) all Senior Secured Debt and (ii) all unsecured Debt of the Company permitted to be incurred by the Company pursuant to the Mortgage Indenture or the Supplemental Indenture which is not subject to any subordination terms whether or not similar to those set forth in this instrument.

The term "Subordinated Debt", as used herein, shall mean all Obligations of the Company evidenced by this instrument owing to any Person now or hereafter existing hereunder (whether created directly or acquired by assignment or otherwise), whether for principal, interest (including, without limitation, interest accruing after the filing of a petition initiating any bankruptcy proceeding described in the definition of Senior Debt Obligations, whether or not such interest accrues after the filing of such petition for purposes of the Bankruptcy Code or is an allowed claim in such proceeding), fees, expenses or otherwise.

On and after the Series O Closing Date, no payment on account of principal, interest, fees, premium, expenses or otherwise on this Subordinated Debt shall be made by the Company in cash or otherwise unless (a) full payment of all amounts then due and payable on all Senior Debt Obligations has been made, (b) such payment would be permitted by the Indenture and any Senior Debt Document (as defined below) and (c) immediately after giving effect to such payment, there shall not exist any Default or Event of Default. Any such payment permitted pursuant to this paragraph is hereinafter referred to as a "Permitted Payment". For the purposes of these provisions, no Senior Debt Obligations shall be deemed to have been paid in full until the obligee of such Senior Debt Obligations shall have received payment in full in cash and 91 days shall have elapsed since the date of receipt of such payment.

Upon any payment or distribution of assets of the Company of any kind or character, whether in cash, property or securities, to creditors upon any dissolution or winding up or total or partial liquidation or reorganization of the Company, whether voluntary or involuntary or in bankruptcy, insolvency, receivership or other proceedings, then and in any such event all principal, premium and interest and all other amounts due or to become due upon all Senior Debt Obligations shall first be paid in full before the holders of the Subordinated Debt shall be entitled to retain any assets so paid or distributed in respect of the Subordinated Debt (whether for principal, premium, interest or otherwise), and upon any such dissolution or winding up or liquidation or reorganization, any payment or distribution of assets of the Company of any kind or character, whether in cash, property or securities, to which the holders of the Subordinated

Debt would be entitled, except as otherwise provided herein, shall be paid *pro rata* among the holders of Senior Debt Obligations by the Company or by any receiver, trustee in bankruptcy, liquidating trustee, agent or other Person making such payment or distribution, or by the holders of the Subordinated Debt if received by them. So long as any Senior Debt Obligations are outstanding, the holder of this instrument shall not commence, or join with any creditor other than the Trustee or the Senior Debt Parties (as hereinafter defined) in commencing, or directly or indirectly causing the Company to commence, or assist the Company in commencing, any proceeding referred to in the preceding sentence.

The holder of this instrument hereby irrevocably authorizes and empowers (without imposing any obligation on) each Person (each such Person a “Senior Debt Party” and collectively, the “Senior Debt Parties”) that has entered into an agreement, instrument, or other document evidencing or relating to any Senior Debt Obligation (each such agreement, instrument or other document, a “Senior Debt Document”) as a lender or creditor and such Senior Debt Party’s representatives, under the circumstances set forth in the immediately preceding paragraph, to demand, sue for, collect and receive every such payment or distribution described therein and give acquittance therefor, to file claims and proofs of claims in any statutory or nonstatutory proceeding, to vote such Senior Debt Party’s ratable share of the full amount of the Subordinated Debt evidenced by this instrument in its sole discretion in connection with any resolution, arrangement, plan of reorganization, compromise, settlement or extension and to take all such other action (including, without limitation, the right to participate in any composition of creditors and the right to vote such Senior Debt Party’s ratable share of the full amount of the Subordinated Debt at creditors’ meetings for the election of trustees, acceptances of plans and otherwise), in the name of the holder of the Subordinated Debt evidenced by this instrument or otherwise, as such Senior Debt Party’s representatives may deem necessary or desirable for the enforcement of the subordination provisions of this instrument. The holder of this instrument shall execute and deliver to each Senior Debt Party and such holder’s representatives all such further instruments confirming the foregoing authorization, and all such powers of attorney, proofs of claim, assignments of claim and other instruments, and shall take all such other action as may be reasonably requested by such holder or such holder’s representatives in order to enable such holder to enforce all claims upon or in respect of such holder’s ratable share of the Subordinated Debt evidenced by this instrument.

The holder of this instrument shall not, without the prior written consent of the Senior Debt Parties, have any right to accelerate payment of, or institute any proceeding to enforce, the Subordinated Debt so long as any Senior Debt Obligations are outstanding, unless and until all Senior Debt Parties have accelerated payment thereof and commenced proceedings to enforce such Senior Debt Obligations.

After the payment in full of all amounts due in respect of Senior Debt Obligations, the holder or holders of the Subordinated Debt shall be subrogated to the rights of the Senior Debt Parties to receive payments or distributions of cash, property or securities of the Company applicable to Senior Debt Obligations until the principal of, premium on, interest on and all other amounts due or to become due with respect to the Subordinated Debt shall be paid in full subject to the terms and conditions of the Subordinated Debt or of any agreement among the holders of the Subordinated Debt and other Subordinated Debt of the Company.

If any payment (other than a Permitted Payment) or distribution of assets of the Company of any kind or character, whether in cash, property or securities, shall be received by the holder of the Subordinated Debt in such capacity before all Senior Debt Obligations are paid in full, such payment or distribution will be held in trust for the benefit of, and shall be immediately paid over *pro rata* among the Senior Debt Parties, for application to the payment in full of Senior Debt Obligations, until all Senior Debt Obligations shall have been paid in full.

Nothing contained in this instrument is intended to or shall impair as between the Company, its creditors (other than the Senior Debt Parties) and the holders of the Subordinated Debt, the obligations of the Company to pay to the holders of the Subordinated Debt, as and when the same shall become due and payable in accordance with their terms, or to affect the relative rights of the holders of the Subordinated Debt and creditors of the Company (other than the Senior Debt Parties).

The Senior Debt Parties shall not be prejudiced in their rights to enforce the subordination contained herein in accordance with the terms hereof by any act or failure to act on the part of the Company.

The holder of this instrument agrees to execute and deliver such further documents and to do such other acts and things as the Senior Debt Parties may reasonably request in order fully to effect the purposes of these subordination

provisions. Each holder of this instrument by its acceptance hereof authorizes and directs the trustee or other representative, if any, of the Subordinated Debt represented by this instrument on its behalf to take such further action as may be necessary to effectuate the subordination as provided herein and appoints such trustee or other representative, if any, as its attorney-in-fact for any and all such purposes.

The subordination effected by these provisions, and the rights of the Senior Debt Parties, shall not be affected by (i) any amendment of, or addition or supplement to, the Financing Agreements, any other Senior Debt Document, or any other document evidencing or securing Senior Debt Obligations, (ii) any exercise or non-exercise of any right, power or remedy under or in respect to the Financing Agreements, any other Senior Debt Document, or any other document evidencing or securing Senior Debt Obligations or (iii) any waiver, consent, release, indulgence, extension, renewal, modification, delay, or other action, inaction or omission, in respect of the Financing Agreements, any other Senior Debt Document, or any other document evidencing or securing Senior Debt Obligations; whether or not any holder of any Subordinated Debt shall have had notice or knowledge of any of the foregoing.

No failure on the part of any Senior Debt Party to exercise, and no delay in exercising, any right hereunder shall operate as a waiver thereof; nor all any single or partial exercise of any right hereunder preclude any other or further exercise thereof or the exercise of any other right. The remedies herein provided are cumulative and not exclusive of any remedies provided by Law.

The holder of this instrument and the Company each hereby waive promptness, diligence, notice of acceptance and any other notice with respect to any of the Senior Debt Obligations and these terms of subordination and any requirement that the Trustee or any Senior Debt Party protect, secure, perfect or insure any Lien or any property subject thereto or exhaust any right to take any action against the Company or any other Person or any Mortgaged Property.

These terms of subordination shall continue to be effective or be reinstated, as the case may be, if at any time any payment of any of the Senior Debt Obligations is rescinded or must otherwise be returned by the Trustee or any Senior Debt Party upon the insolvency, bankruptcy or reorganization of the Company or otherwise, all as though such payment had not been made.

The provisions of these terms of subordination constitute a continuing agreement and shall (i) remain in full force and effect until the indefeasible payment in full of the Senior Debt Obligations and the termination or expiration of all obligations to extend credit under the Senior Debt Documents, (ii) be binding upon the holder of this instrument, the Company and its successors, transferees and assignees and (iii) inure to the benefit of, and be enforceable by, the Trustee and each Senior Debt Party. Without limiting the generality of the foregoing clause (iii), each Senior Debt Party may assign or otherwise transfer all or any portion of its rights and obligations under all or any of the Senior Debt Documents to any other Person (to the extent permitted by the Senior Debt Documents), and such other Person shall thereupon become vested with all the rights in respect thereof granted to such Senior Debt Party herein or otherwise.

This instrument shall be governed by and construed in accordance with, the laws of the State of New York.

Subject to the home office payment obligation set forth in Section 2.02(b) of the Supplemental Indenture, payment of interest on this Bond (other than interest at Maturity) shall be made as set forth in Section 3.07 of the Original Indenture (as defined below). Payment of the principal of and Make-Whole Amount, if any, and interest on this Bond, as aforesaid, shall be made in such coin or currency of the United States of America as at the time of payment shall be legal tender for the payment of public and private debts.

This Bond is one of a duly authorized issue of securities of the Company (all such series of securities herein called the “Securities”) issued and issuable in one or more series under and equally secured by a First Mortgage and Deed of Trust dated as of January 14, 2008 (such indenture as originally executed and delivered herein called the “Original Indenture” and as supplemented and modified by any and all indentures supplemental thereto, including the Supplemental Indenture referred to below, being herein called the “Indenture”), and has been issued pursuant to that certain Fourteenth Supplemental Indenture, dated as of February 25, 2026 (the “Supplemental Indenture”), each of the Original Indenture and the Fourteenth Supplemental Indenture being between the Company and The Bank of New York Mellon Trust Company, N.A. (as successor to The Bank of New York Trust Company, N.A.), as trustee (herein called the “Trustee,” which term includes any successor trustee under the Indenture), to which Indenture reference is hereby made for a description of the property mortgaged, pledged and held in trust as security for payment of all amounts due under this Bond, the nature and extent of the security and the respective rights, limitations of rights, duties and immunities of the Company, the Trustee and the Holders of the Securities thereunder and of the terms and conditions upon which the Securities (including the Securities of this series) are, and are to be, authenticated and delivered and secured. The acceptance of this Bond shall be deemed to constitute the consent and agreement by the Holder hereof to all of the terms and provisions of the Indenture. This Bond is one of the series of Securities designated above.

Notwithstanding anything to the contrary in Section 1.18 of the Original Indenture, in the Supplemental Indenture or in this Bond, if the Stated Maturity or any Redemption Date of this Bond shall not be a Business Day at any Place of Payment, then (notwithstanding any other provision of the Original Indenture or the Supplemental Indenture or this Bond) payment of interest on or principal (and premium, if any) of this Bond due at the Stated Maturity or on any Redemption Date thereof need not be made at such Place of Payment on such date, but may be made on the next succeeding Business Day at such Place of Payment with the same force and effect as if made on the Stated Maturity or on any Redemption Date thereof, provided that interest shall accrue on the Outstanding principal amount of this Bond due at the Stated Maturity or on any Redemption Date thereof until the date of actual payment. Interest hereon will be computed on the basis of a 360-day year of twelve 30-day months.

This Bond is subject to mandatory redemption under the circumstances set forth in Section 5.01 of the Original Indenture and as set forth in Section 2.03 of the Supplemental Indenture. The Original Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Securities then Outstanding, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Bond shall be conclusive and binding upon such Holder and upon all future Holders of this Bond and of any Bond issued upon the registration of transfer hereof or in exchange therefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Bond.

No reference herein to the Indenture and no provision of this Bond or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal and interest and any Make-Whole Amount on this Bond at the times, place and rate, and in the coin or currency, herein prescribed.

As provided in the Indenture and subject to certain limitations therein set forth, the transfer of this Bond is registrable in the Security Register, upon surrender of this Bond for registration of transfer at the office or agency of the Trustee, which as of the date hereof is located at c/o The Bank of New York Mellon, 500 Ross Street, Suite 625, Pittsburgh, PA 15262, Attention: Transfers/Redemption, or such other office or agency as may be designated by the Company from time to time in accordance with the Indenture, duly endorsed by, or accompanied by a written instrument of transfer in the form attached hereto as Annex A duly executed by the Holder hereof, or his attorney duly authorized in writing, and thereupon one or more new Securities of this series of authorized denominations and of like tenor and aggregate principal amount, will be issued to the designated transferee or transferees.

The Securities of this series are issuable only as registered Securities, without coupons, and in denominations of \$250,000 and in integral multiples of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, Securities of this series are exchangeable for a like aggregate principal amount of Securities of the same series and Tranche, of any authorized denominations, as requested by the Holder surrendering the same, and of like tenor upon surrender of the Bond or Bonds to be exchanged at the office or agency of the Trustee at c/o The Bank of New York Mellon, 500 Ross Street, Suite 625, Pittsburgh, PA 15262, Attention: Transfers/Redemption, or such other office or agency as may be designated by the Company from time to time in accordance with the Indenture.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith in accordance with the Indenture.

The Company, the Trustee and any agent of the Company or the Trustee may treat the Person in whose name this Bond is registered as the absolute owner hereof for all purposes, whether or not this Bond be overdue, and neither the Company, the Trustee nor any such agent shall be affected by notice to the contrary.

The Securities of this series are not entitled to the benefit of any sinking fund.

As provided in Section 2.05 of the Supplemental Indenture, except as may be agreed to by the Holder hereof in connection with an offer made to all Holders of the Securities of this series on the same terms and conditions, the Company shall not and shall not permit any Affiliate of the Company to purchase, redeem or otherwise acquire, directly or indirectly, this Bond, except upon the payment or redemption of this Bond in accordance with the terms of the Indenture. The Company will promptly cause the Trustee to cancel this Bond once acquired by it or any Affiliate of the Company pursuant to any payment, redemption or purchase of this Bond pursuant to any provision of the Indenture and no Bonds may be issued in substitution or exchange for this Bond.

As provided in Section 16.01 of the Original Indenture, no recourse shall be had for the payment of the principal of or Make-Whole Amount, if any, or interest on any Securities, or any part thereof, or for any claim based thereon or otherwise in respect thereof, or of the indebtedness represented thereby, or upon any obligation, covenant or agreement under the Indenture, against, and no personal liability whatsoever shall attach to, or be incurred by, any incorporator, organizer, member, manager, stockholder, officer, director or employee, as such, past, present or future of the Company or of any predecessor or successor corporation (either directly or through the Company or a predecessor or successor corporation), whether by virtue of any constitutional provision, statute or rule of law, or by the enforcement of any assessment or penalty or otherwise; it being expressly agreed and understood that the Indenture and all the Securities (including the Bonds) are solely corporate obligations and that any such personal liability is hereby expressly waived and released as a condition of, and as part of the consideration for, the execution of the Indenture and the issuance of the Securities (including the Bonds).

Demand, presentment, protest and notice of non-payment and protest are hereby waived by the Company.

This Bond shall be governed by and construed in accordance with the law of the State of New York, except that (i) if this Bond shall become qualified and shall become subject to the Trust Indenture Act, to the extent that the Trust Indenture Act shall be applicable, this Bond shall be governed by and construed in accordance with the Trust Indenture Act and (ii) if the law of any jurisdiction wherein any portion of the Mortgaged Property is located shall govern the creation of a mortgage lien on and security interest in, or perfection, priority or enforcement of the Lien of the Indenture or exercise of remedies with respect to, such portion of the Mortgaged Property, this Bond shall be governed by and construed in accordance with the law of such jurisdiction to the extent mandatory.

Unless the certificate of authentication hereon has been executed by the Trustee or an Authenticating Agent by manual signature, this Bond shall not be entitled to any benefit as a Security under the Indenture or be valid or obligatory for any purpose.

(as successor to The Bank of New York Trust Company, N.A.), as trustee (herein called the “Trustee,” which term includes any successor trustee under the Indenture), to which Indenture reference is hereby made for a description of the property mortgaged, pledged and held in trust as security for payment of all amounts due under this Bond, the nature and extent of the security and the respective rights, limitations of rights, duties and immunities of the Company, the Trustee and the Holders of the Securities thereunder and of the terms and conditions upon which the Securities (including the Securities of this series) are, and are to be, authenticated and delivered and secured. The acceptance of this Bond shall be deemed to constitute the consent and agreement by the Holder hereof to all of the terms and provisions of the Indenture. This Bond is one of the series of Securities designated above.

Notwithstanding anything to the contrary in Section 1.18 of the Original Indenture, in the Supplemental Indenture or in this Bond, if the Stated Maturity or any Redemption Date of this Bond shall not be a Business Day at any Place of Payment, then (notwithstanding any other provision of the Original Indenture or the Supplemental Indenture or this Bond) payment of interest on or principal (and premium, if any) of this Bond due at the Stated Maturity or on any Redemption Date thereof need not be made at such Place of Payment on such date, but may be made on the next succeeding Business Day at such Place of Payment with the same force and effect as if made on the Stated Maturity or on any Redemption Date thereof, provided that interest shall accrue on the Outstanding principal amount of this Bond due at the Stated Maturity or on any Redemption Date thereof until the date of actual payment. Interest hereon will be computed on the basis of a 360-day year of twelve 30-day months.

This Bond is subject to mandatory redemption under the circumstances set forth in Section 5.01 of the Original Indenture and as set forth in Section 2.03 of the Supplemental Indenture. This Bond is subject to redemption at the option of the Company, in whole or in part, as set forth in Section 2.04 of the Supplemental Indenture.

The Original Indenture permits, with certain exceptions as therein provided, the Trustee to enter into one or more supplemental indentures for the purpose of adding any provisions to, or changing in any manner or eliminating any of the provisions of, the Indenture with the consent of the Holders of a majority in aggregate principal amount of the Securities of all series then Outstanding under the Indenture, considered as one class; *provided, however*, that if there shall be Securities of more than one series Outstanding under the Indenture and if a proposed supplemental indenture shall directly affect the rights of the Holders of Securities of one or more, but less than all, of such series, then the consent only of the Holders of a majority in aggregate principal amount of the Outstanding Securities of each series so directly affected, considered as one class, shall be required; and *provided, further*, that if the Securities of any series shall have been issued in more than one Tranche and if a proposed supplemental indenture shall directly affect the rights of the Holders of Securities of one or more, but less than all, of such Tranches, then the consent only of the Holders of a majority in aggregate principal amount of the Outstanding Securities of all Tranches so directly affected, considered as one class, shall be required; and *provided, further*, that the Original Indenture permits the Trustee to enter into one or more supplemental indentures for limited purposes without the consent of any Holders of Securities and for certain other purposes with the consent of all Holders of affected Securities. The Original Indenture also contains provisions permitting the Holders of specified percentages in principal amount of the Securities then Outstanding, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences. Any such consent or waiver by the Holder of this Bond shall be conclusive and binding upon such Holder and upon all future Holders of this Bond and of any Bond issued upon the registration of transfer hereof or in exchange therefor or in lieu hereof, whether or not notation of such consent or waiver is made upon this Bond.

No reference herein to the Indenture and no provision of this Bond or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal and interest and any Make-Whole Amount on this Bond at the times, place and rate, and in the coin or currency, herein prescribed.
