RE: The Northeast Quarter (NE¹/₄) of the Southwest Quarter (SW¹/₄) and the North Half (N¹/₂) of the Southeast Quarter except two (2) acres in a triangular form out of the Northeast corner thereof, in Section Two (2) all in Township 75 North, Range 28 West of the 5th P.M., Madison County, Iowa

The Undersigned, as Owner(s) of record of the real estate described above, for One Dollar and other good and valuable consideration received, hereby grant(s), sell(s), transfer(s) and convey(s) to Southern Iowa Rural Water Association (the "Association"), its successors and assigns, an affirmative and perpetual easement in, to, and running with the real estate described above, together with a general and perpetual right of ingress and egress upon such real estate and upon any adjacent lands of Owner(s), LIMITED AS FOLLOWS:

1. This easement is solely for the general purposes of construction and laying and thereafter using, operating, inspecting, maintaining, repairing, replacing or removing water pipeline and any necessary appurtenances thereto over, across and through the real estate described above; and
2. Once such water pipeline and any necessary appurtenances thereto are installed and operating, then this easement (except the general rights of ingress and egress) shall be automatically reduced in scope to a width of thirty feet, the centerline of which shall be the water pipeline and any necessary appurtenances thereto.

It is agreed that, during the period of initial construction, no crop damage will be paid by the Association. After completion of the project, if repair work on water line is needed, crop damages will be paid. The Association, its successors and assigns, hereby promise to maintain such water pipeline and any necessary appurtenances in good repair so that damage to adjacent real estate of Owner(s), if any damage there be, will be kept to a minimum.
