(Overhead)**

Know all men by these present, that the undersigned Walter D. Moore Jr. and Teresa K. Moore, husband and wife, for a good and valuable consideration, the receipt whereof is hereby acknowledged, do hereby grant unto the Farmers's Electric Cooperative, Inc., a cooperative, whose post office address is Greenfield, Iowa, and to its successors or assigns, the right to enter upon the lands of the undersigned, situated in the County of

Madison and the State of Iowa, and more particularly described as follows; South Six Hundred Sixty Feet of Southeast Quarter of the Northwest Quarter of Sec. 23 Township 75 North Range 28 West of the 5th P.M.,

(This easement is given only for the construction of electric lines to grantor's improvements.)

and to place, construct, operate, repair, maintain, relocate, and replace, thereon and in or upon all streets, roads or highways abutting said lands, and electric transmission or distribution line or system, and to cut and trim trees and shrubbery to the extent necessary to keep them clear of said electric line or system and to cut down from time to time all dead, weak, leaning or dangerous trees that are tall enough to strike the wires in falling.

In granting this easement it is understood that at pole locations, only a single pole and appurtenances will be used, and that the location of the poles will be such as to form the least possible interference to farm operations, so long as it does not materially increase the cost of construction.

It is further understood that, whenever necessary, words used in this instrument in the singular shall be construed to read in the plural and the words used in the masculine gender shall be construed to read in the feminine.
