3. As long as there is adequate water available, the Owner or successor Owners of the above described property may, by paying the current membership fee and other associated costs at that time, avail themselves to any number of water service hook-ups.

**NOTICE OF INTENT  
TO ACQUIRE AN EASEMENT**

Xenia Rural Water District is in the process of obtaining easements for the construction and maintenance of a rural water system in your area. This Project is being funded by Federal money and therefore subject to the "Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended".

It has been USDA Rural Development policy and is the Xenia Board's policy that easements are granted for a payment of \$0.08 per linear foot (\$116.17 per acre for a 30-foot wide easement) or payment for actual crop damage during water line construction.

I have read this notice and I have received and read a copy of "Easement Responsibilities" and "When a Public Agency Acquires Your Property".
