(FHA Approved)**LIMITED EASEMENT**

RE: Parcel "D" in the West Half of the Northwest Quarter of Section 13, Township 76 North, Range 28 West of the 5th P.M., Madison County, Iowa more particularly described as follows: Beginning at the Southwest Corner of the Northwest Quarter of the Northwest Corner of Section 13, Township 76 North, Range 28 West of the 5th P.M., Madison County, Iowa thence North 01°05'02" West 330.00 feet along the West line of said Northwest Quarter of the Northwest Quarter; thence North 88°54'58" East 490.00 feet; thence South 01°05'02" East 979.97 feet; thence South 88°54'58" West 490.00 feet to a point on the West line of the Southwest Quarter of the Northwest Quarter of Said Section 13; thence North 01°05'02" West 649.97 feet to the Point of Beginning containing 11.02 acres including 0.97 acres of County Road right-of-way.

The Undersigned, as Owner (s) of record of the real estate described above, for One Dollar, paid by SIRWA, and other good and valuable consideration received, hereby grant(s), sell(s), transfer(s) and convey(s) to Southern Iowa Rural Water Association (the "Association"), its successors and assigns, an affirmative and perpetual easement in, to, and running with the real estate described above, together with a general and perpetual right of ingress and egress upon such real estate and upon any adjacent lands of Owner(s), LIMITED AS FOLLOWS:

1. This easement is solely for the general purposes of Archeological studies where required, the stringing of pipe, initial construction and thereafter to use operate, tap & install service lines, inspect, repair, maintain, replace, remove and improve water pipelines and any necessary appurtenances thereto over, across and through the real estate described above.

2. Once such water pipeline and any necessary appurtenances thereto are installed and operating, this easement (except the general rights of ingress and egress) shall be automatically reduced in scope to a width of thirty feet, the centerline of which shall be the water pipeline and any necessary appurtenances thereto. A request for an additional hookup/meter will require the signing of an additional Limited Easement.

It is agreed that, during the period of initial construction, no crop damage will be paid by the Association. After completion of the project, if repair work on water line is needed, crop damages will be paid. The Association, its successors and assigns, hereby promise to maintain such water pipeline and any necessary appurtenances in good repair so that damage to adjacent real estate of Owner(s), if any damage there be, will be kept to a minimum.

Executed this 5 day of August 2011
