The Grantor(s) warrants and covenants unto Grantee that, subject to liens and encumbrances of record at the date of this easement, it is the owner of the above described land and has full right and authority to validly grant this easement; and that Grantee may quietly enjoy the premises.

Grantee is given the right to trim, cut and clear away any trees, limbs and brush, whether located on the above described easement property or adjacent to and overhanging the same, and the right to remove from the above described easement property any obstruction, including buildings, inflammable materials, brush, structures of any kind or other obstructions wherever in its judgment such will interfere with or endanger the construction, operation or maintenance of said line, and to renew, replace, and to otherwise change the lines and any part thereof and all appurtenances thereto and the location thereof within the easement property; and to pass along the easement property to and from adjoining lands and to have reasonable access to said property from Grantor's adjoining lands. The Grantee may erect and use gates in all fences which cross or which shall hereafter cross the route of said line.

In consideration of such grant, Grantee agrees that it will repair or pay for any damage which may be caused to crops, fences or other property of the undersigned by the construction, operation, maintenance, inspection, patrolling or removal of said line. Grantor(s) covenants that no act will be permitted within the easement property which is inconsistent with the rights hereby granted; that no building or structures will be erected upon said property and that the present grade or ground level thereof will not be changed by excavation or filling.

Grantee, its contractor or agents, may enter said premises for the purpose of making surveys and preliminary estimates immediately upon the execution of this easement but the easement shall not otherwise be operative nor shall construction begin until a franchise for the line is issued by the Iowa State Commerce Commission and until the full consideration is paid as hereinafter provided.

The Grantor(s) acknowledges payment of \$ 100.00 hereunder and it is agreed that if the additional sum of \$ 420.00 is paid the undersigned Grantor(s) within one year from the date hereof, or the release of this easement from any liens or encumbrances of record, whichever date is later, this agreement shall become binding upon all parties hereto but shall terminate upon the permanent removal or abandonment of all lines and appurtenances of Grantee upon the easement property. If the additional amount of consideration is not paid within the time stated above, then the initial payment shall be forfeited to the Grantor(s) and both parties shall be released from all further obligation hereunder. The parties hereto agree that all payment made by virtue of this agreement shall be paid to Lee Wheeler Jr. as agent for the Grantor(s).

This agreement shall run with the land and bind and inure to the benefit of the heirs, successors and assigns of the parties.
