assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided, together with interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due.

Section 2. Purpose of Assessments.

The assessments levied by and for the Arbor Park Townhomes Owners' Association, Inc., shall be used exclusively to promote the recreation, health, safety and welfare of the residents in the Properties and for the improvement and maintenance of the Common Areas and Association Responsibility Elements.

Section 3. Annual Arbor Park Townhomes Assessment.

- (a) For the period commencing January 1st of the year immediately following the conveyance of the first numbered lot to an Owner, the annual assessment shall be fixed by the Board of Directors of Arbor Park Townhomes Owners' Association, Inc.
- (b) The Board of Directors shall fix the annual assessment each year thereafter.
- (c) A numbered lot shall not be subject to assessment until the first day of the month following the date of occupancy thereof as a residence.
- (d) The Declarant shall not be liable for annual or special assessments upon numbered lots owned by the Declarant unless the unit is occupied as a residence.

Section 4. Special Assessments for Capital Improvements.

In addition to the annual assessments authorized above, the Association may levy, in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Areas, or for any Association Responsibility Element, including fixtures and personal property related thereto, provided that any such assessment shall have the assent of a majority of the votes of members entitled to vote who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum for Any Action Authorized Under Sections 3 and 4.

Written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members entitled to vote not less than 10 days nor more than 30 days in advance of the meeting. At the first such meeting called, the presence of a majority of the members entitled to vote or of proxies entitled to cast the votes shall constitute a quorum.

Section 6. Uniform Rate of Assessment.

Annual assessments, special assessments for capital improvements, and insurance assessments must be fixed at a uniform rate for all townhouses and may be collected on a monthly basis. This shall be based on a calendar year except for the first year for the Association.

Section 7. Date of Commencement of Annual Assessments: Due Dates.

The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each numbered lot at least thirty (30) days in advance of each annual assessment period. Written notice of the annual assessment shall be sent to every Owner subject thereto. The due dates shall be established by the Board of Directors. A properly executed certificate of the Association as to the status of assessments on a numbered lot is binding upon the Association as of the date of its issuance.

Section 8. Insurance and Insurance Assessment.

In addition to the annual assessments and the special assessments for capital improvements, the Association may levy assessments for insurance purchased by the Association. The Association shall obtain liability and casualty insurance for the Common Areas and for the Association Responsibility Elements. Unless otherwise determined by the Board of Directors of the Association, each Owner shall be responsible for obtaining homeowner's liability insurance and casualty insurance for property which is not part of the Association Responsibility Elements; the Board of Directors may require an Owner's casualty insurance to be obtained from the same insurer as the insurer under the Association's casualty insurance for the Association Responsibility Elements. In the event of casualty loss, the Association shall be responsible for repair and restoration of the Common Areas and Association Responsibility Elements, and the Owner shall be responsible for repair and restoration of all other portions of the buildings and improvements upon his Numbered lot, except to the extent that the Board of Directors of the Association has determined to obtain casualty insurance for such portions which are not part of the Association Responsibility Elements in which case the Association shall apply any insurance proceeds received for such portions to such repair and restoration of such portions.

Section 9. Effect of Nonpayment of Assessments: Remedies of the Association.

Any assessment not paid within thirty (30) days after the due date shall bear interest from the due date at the rate of 12 percent per annum. The Association may bring an action at law against the Owner personally obligated to pay the same, or foreclose the lien against the property. No Owner may waive or otherwise escape liability for the assessments provided for herein by nonuse of the Common Areas or abandonment of his townhouse.

Section 10. Subordination of the Lien to Mortgages.

The lien of the assessments provided for herein shall be subordinate to the lien of any first mortgage. Sale or transfer of any numbered lot shall not affect the assessment lien. However, the sale or transfer of any numbered lot pursuant to mortgage foreclosure or any proceeding in lieu thereof shall extinguish the lien of such assessments as to payments which became due prior to such sale or transfer. No sale or transfer shall relieve such numbered lot from liability for any assessments thereafter becoming due or from the lien thereof, except as provided above for sales pursuant to mortgage foreclosure or any proceedings in lieu thereof.

Section 11. Utilities.

Each Owner shall be responsible for payment of all utility services to his numbered lot, including but not limited to, electricity, water, gas, telephone, sewer services, and cable television services.

Section 12. Assessments for City Related Improvements.

Notwithstanding any of the provisions of this Article, the Board of Directors may establish an assessment for the maintenance, improvement, or reconstruction of street signs, fences, and sidewalks as necessary to comply with any directive of the City of Winterset, Iowa.

ARTICLE V. ARCHITECTURAL CONTROL.

No building, fence, wall or other structure shall be commenced, erected or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein (including painting or color change) be made, nor shall any alteration of surface drainage patterns be made until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an Architectural Control Committee composed of representatives appointed by the Board. The owners shall be permitted to construct small, permanent garden sheds in conformity with this article. In the event said Board, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specification have been submitted to it, approval will not be required, and this Article will be deemed to have been fully complied with. This Article shall not apply to construction, improvements or alterations made by the Declarant.

ARTICLE VI. EASEMENTS.

Each numbered lot shall be subject to the following easements in favor of the Association.

- (a) Every portion of a structure upon a numbered lot which contributes to the support of any structure not on the same numbered lot is burdened with an easement of such support.

- (b) Each numbered lot is burdened with an easement through it for conduits, ducts, plumbing, wiring, pipes, meters and other facilities for the furnishing of utilities and services, foundation drains, sanitary sewer, storm sewer and water service facilities.
- (c) Each numbered lot is burdened with an easement of ingress and egress for maintenance, repair and replacement of Association Responsibility Elements by the Association.
- (d) Each numbered lot is burdened with an easement for common driveway usage with others.
- (e) Each numbered lot is burdened with an easement for surface drainage for the benefit of all other lots and the Common Areas.
- (f) Each numbered lot is burdened with an encroachment easement for minor encroachments of common walls due to settling, shifting or inexact location during construction.

ARTICLE VII. USE RESTRICTIONS.

Section 1. Subjection of the Property to Certain Provisions.

The ownership, use, occupation and enjoyment of each numbered lot and the Common Areas shall be subject to the provisions of the Bylaws and Articles of Incorporation of the Association, as both are amended, and this Declaration, all of which provisions irrespective of where set forth or classified shall have equal status and shall be enforceable and binding as a covenant, condition, restriction or requirement running with the land and shall be binding on or enforceable against each and all numbered lots and the Owners thereof and their respective assigns, lessees, tenants, occupants and successors in interest.

Section 2. Use of Properties.

The use of the Properties shall be in accordance with and subject to the following provisions:

- (a) A numbered lot shall be used or occupied for single family dwelling purposes only.
- (b) A numbered lot may be rented or leased by the Owner or his lessee provided the entire lot is rented, and the period of rental is at least one month unless some other period is established in the rules, regulations or Bylaws of the Association. No lease shall relieve the owner as against the Association and other owners from any responsibility or liability.

(c) Nothing shall be altered in, constructed in, or removed from the Common Areas, except upon written consent of the Board of Directors of the Association, which may be given through regulations of the Association.

(d) No livestock, poultry, or other animals of any kind shall be raised, bred, or kept in any numbered lot or in any Common Areas, except an Owner shall be permitted to keep cats, dogs or other usual household pets in limited number of no more than two and to walk them, subject to rules and regulations adopted by the Association. (f) No activity shall be allowed which unduly interferes with the peaceful possession and use of the numbered lots by the Owners nor shall any fire hazard or unsightly accumulation of refuse be allowed. No trash or trash containers shall be left outside except on or about the day they are picked up.

(g) Nothing shall be done or kept in any numbered lot or in the Common Areas which will increase the rate of insurance on the Common Areas or the Association Responsibility Elements, without the prior written consent of the Board of Directors of the Association. No Owner shall permit anything to be done or kept in his numbered lot or in the Common Areas which will result in the cancellation of insurance on any numbered lot or any part of the Common Areas or the Association Responsibility Elements, which would be in violation of any law, or which may be or become a nuisance or annoyance to the other Owners.

(h) All valid laws, zoning ordinances, and regulations of all governmental bodies having jurisdiction shall be observed. The responsibility of meeting the requirements of governmental bodies which require maintenance, modification or repair of property shall be the same as the responsibility for the maintenance and repair of the property concerned.

(i) The Board of Directors of the Association shall have the authority to adopt rules and regulations governing the use of numbered lots, the Common Areas and the Association Responsibility Elements and such rules shall be observed and obeyed by the Owners, their guests, lessees, assigns and licensees.

(j) Agents or contractors hired by the Board of Directors of the Association may enter any numbered lot when necessary in connection with any installation, repair, removal, replacement or inspection of any Association responsibility element, or in connection with landscaping, or construction for which the Association is responsible, provided such entry shall be made with as little inconvenience to the Owners as practicable.

(l) An Owner shall be liable to the Association for the expense of any maintenance, repair, or replacement to the Common Areas or the Association Responsibility Elements rendered necessary by his act, neglect, or carelessness, or by that of his family, guests, employees, agents, or lessees, which liability shall include any increase in insurance rates resulting therefrom.

(m) Neither the Owners nor the Association nor the use of the Common Areas shall interfere with the completion of the contemplated improvements and the sale of the numbered lots by the Declarant. The Declarant may make such use of the unsold numbered lots and the Common Areas as may facilitate such completion and sale, including, but not limited to, the maintenance of a model townhouse, the showing of the property and the display of reasonable signs advertising their availability for sale.

(n) Police, firemen, emergency units, inspectors and any other public law officials or enforcement agencies shall have the same right of entry and the same enforcement powers as to the Common Areas as they have to public streets and publicly owned parks and areas.

(o) No tower or antenna shall be placed upon any numbered lot or upon the roof of any structure, except with the approval of the Board of Directors or the Architectural Control committee.

Section 3. No Waiver.

Failure of the Association or any Owner to enforce any covenant, condition or restriction, this Declaration, the Articles of Incorporation or Bylaws of the Association, or the rules and regulations adopted pursuant thereto, shall not constitute a waiver of the right to enforce the same thereafter.

Such assessments shall be due in two equal payments on the first day of January and July of the year for which the assessments are made except for the first year, which may be later. If an annual Assessment is not made as required, it shall be presumed to have been made in the amount of the last prior assessment.
