Section 8

TRANSMISSION LINE EASEMENT

KNOW ALL MEN BY THESE PRESENTS: The undersigned Owners, Carolyn H. Jones, a single person and the undersigned Tenant, Pearl V. Jones, a single person (hereinafter called the Grantor(s), in consideration of the sum of One Dollar and other valuable considerations in hand paid, do hereby grant to Iowa Power and Light Company, an Iowa corporation (hereinafter called the Grantee,) the perpetual right and easement to construct, reconstruct, repair, maintain, operate, inspect, patrol and remove a line of towers or poles or both (which may be erected at different times) for the transmission of electric current with wires and cables upon and from the same and all necessary foundations, guys, braces, fittings, equipment and appurtenances including a buried ground wire, if any, as may be reasonably necessary for the convenient construction, reconstruction, repair, maintenance, operation, inspection, patrolling and removal of said lines over, along, across and under the following described premises situated in Madison County, Iowa, to-wit:

The North Half of the Southeast Quarter (N $\frac{1}{2}$ SE $\frac{1}{4}$) and the Southwest Quarter of the Southeast Quarter (SW $\frac{1}{4}$ SE $\frac{1}{4}$) of Section 8, Township 75 North, Range 29 West of the 5th P.M., Madison County, Iowa.

The transmission line shall be located within a strip of land 150 feet in width across the above described property and properties adjacent to it. The centerline of the said strip shall enter the property at a point approximately 460 feet West of the Northeast corner of the Southeast Quarter (SE $\frac{1}{4}$) of Section 8, thence running Southwesterly to a point approximately 690 feet North of the Southwest corner of the Southeast Quarter (SE $\frac{1}{4}$) of the said Section 8.

This easement is subject only to the rights of E. F. Schildberg Construction Co. under a certain mineral lease with Grantor dated 2/25/57, of which Grantee has received a copy.

The center line of the easement shall be fixed precisely by the location of the center line of the transmission facilities as actually constructed, and the easement shall be limited to a continuous strip of land one hundred fifty (150) feet in width, said strip being seventy-five (75) feet on each side of the center line of the transmission line structures.

The Grantor warrants and covenants unto Grantee that, subject to liens and encumbrances of record at the date of this easement, it is the owner of the above described land and has full right and authority to validly grant this easement, and that Grantee may quietly enjoy the premises.

Grantee is given the right reasonably to trim, cut and clear away any trees, limbs, brush, structures or other obstructions whether located on the above described easement property or adjacent to and overhanging the same, wherever in its judgment such will interfere with or endanger the construction, operation or maintenance of said line and to renew, replace, add to and otherwise change the line and any part thereof and all

appurtenances thereto and the location thereof within the easement property; and to pass along the easement property to and from adjoining lands and to have reasonable access to said property from Grantor's adjoining lands. The Grantee may erect and use gates in all fences which cross or which shall hereafter cross the route of said line.

In consideration of such grant, Grantee agrees that it will repair or pay for any damage which may be caused to crops, fences or other property of the undersigned by the construction, operation, maintenance, inspection, patrolling or removal of said line. Grantor(s) covenants that no act will be permitted within the easement property which is inconsistent with the rights hereby granted; that no building or structures will be erected upon said property and that the present grade or ground level thereof will not be changed by excavation or filling.

Grantee, its contractor or agents, may enter said premises for the purpose of making surveys and preliminary estimates immediately upon the execution of this easement but the easement shall not otherwise be operative nor shall construction begin until the full consideration is paid as hereinafter provided.

The Grantor(s) acknowledges payment of \$3,669.00 hereunder and it is agreed that if the additional sum of \$--- is paid the undersigned Grantor(s) within ---- days from date hereof or the release of this easement from any liens or encumbrances of record, whichever date is later, this agreement shall become binding upon all parties hereto but shall terminate upon the permanent removal or abandonment of all lines and appurtenances of Grantee upon the easement property. If the additional amount of consideration is not paid within the time above stated, then the initial payment shall be forfeited to the Grantor(s) and both parties shall be released from all further obligation hereunder.

This agreement shall run with the land and bind and inure to the benefit of the heirs, successors and assigns of the parties.

Dated this 16th day of September, 1969.
