Grantee shall pay for any damages to growing crops, trees, shrubbery, fences or buildings upon said premises where such damages arise from the exercise by Grantee of the rights herein granted; if Grantor and Grantee are unable to agree upon the amount of such damages, the same shall be ascertained and determined by three disinterested prsons, one of whom shall be appointed by Grantor, one by Grantee and the third by the two appointed as aforesaid; the written award of such three persons shall be conclusive and binding upon the parties hereto.

Grantee shall bury said pipeline below plow depth and shall replace or rebuild to its pre-existing condition any part of any drainage system damaged by Grantee in the exercise of its rights hereunder.

This instrument, and the covenants and agreements herein contained, shall extend to and be binding upon the heirs, executors, administrators, successors and assigns of the parties.

This grant is made with the knowledge that no representative, agent or other party securing this grant on behalf of Grantee has been given authority to make any promise or agreement, oral or written, concerning the subject matter hereof which is not herein expressed.
