FOR AND IN CONSIDERATION of the sum of Five Dollars (\$5.00), the receipt of which is hereby acknowledged by Grantor, and the further consideration of One Dollar (\$1.00) per lineal rod of pipeline constructed upon the premises described below, payment of which is to be made when the location of said pipeline has been established and surveyed, and the further consideration of the performance by Grantee of the covenants and promises by it herein made,

Alvin P. Meyer, and Dorothy Meyer, his wife

herein, whether one or more, called Grantor, does hereby grant and convey unto Northern Gas Products Company, a Delaware corporation, its successors or assigns, herein called Grantee, the right, privilege and easement to construct, operate, inspect, maintain and replace a pipeline and appurtenances thereto for the transportation of liquid or gaseous substances of any sort over and through the following described lands, together with the right to remove said pipeline at will, in whole or in part, and the right of ingress and egress at convenient points to and from said premises for the purpose of exercising and enjoying the rights and privileges herein granted, such premises being located in the County of Madison, State of Iowa, and described as follows:

NE 1/4 Sec. 23, Twp. 77-N. R. 27 West
A right of way 50 feet in width, center line described as follows: Commencing at a point approximately 415 feet South of the Northwest corner of NE 1/4 of Section 23, Twp. 77-N. R. 27 West; thence North 77°15' East a distance of approximately 1507', which point of exit is approximately 1500 feet East of the Northwest corner of NE 1/4 of Section 23, Twp. 77-N, Rge. 27 West.

TO HAVE AND TO HOLD unto Northern Gas Products Company, its successors and assigns, until said pipeline shall be abandoned, subject, however, to Grantor's right to use and enjoy said premises except as such use and enjoyment may be inconsistent with the rights and privileges herein granted to Grantee, its successors and assigns.

Grantee shall pay for any damages to growing crops, trees, shrubbery, fences or buildings upon said premises where such damages arise from the exercise by Grantee of the rights herein granted; if Grantor and Grantee are unable to agree upon the amount of such damages, the same shall be ascertained and determined by three disinterested persons, one of whom shall be appointed by Grantor, one by Grantee and the third by the two appointed as aforesaid; the written award of such three persons shall be conclusive and binding upon the parties hereto.

Grantee shall bury said pipeline below plow depth and shall replace or rebuild to its pre-existing condition any part of any drainage system damaged by Grantee in the exercise of its rights hereunder.

This instrument, and the covenants and agreements herein contained, shall extend to and be binding upon the heirs, executors, administrators, successors and assigns of the parties.

This grant is made with the knowledge that no representative, agent or other party securing this grant on behalf of Grantee has been given authority to make any promise or agreement, oral or written, concerning the subject matter hereof which is not herein expressed.
